

WORKSHOP NOTICE

Public Workshop for *The DRAFT Safeguarding California: Reducing Climate Risk-an update to 2009 California Climate Adaptation Strategy*

The California Natural Resources Agency (CNRA) invites you to participate in a public meeting in Sacramento and/or San Francisco, California. The CNRA is holding this meeting to receive input on the **DRAFT Safeguarding California: Reducing Climate Risk-an update to 2009 California Climate Adaptation Strategy**. This meeting is a public forum to provide input into updating the state's plan for preparing for climate risks. The meeting is open to the public and full participation by all parties is encouraged. The meetings will be held at the following dates, times and locations:

Date: January 22, 2014
Time: 9am-12:30pm
Location: California Energy Commission
Hearing Room A
1516 Ninth Street
Sacramento, California

Date: January 27, 2014
Time: 10am-3pm
Location: Milton Marks Conference Center
San Francisco State Building
455 Golden Gate Avenue
San Francisco, California

The Safeguarding Plan; which updates the 2009 California Climate Adaptation Strategy, highlights climate risks in nine sectors in California, discusses progress to date, and makes realistic sector-specific recommendations. CNRA staff will provide background on development of the Safeguarding California Plan and the vision for the 2013 Update. The workshop will include an open house with an opportunity for attendees to interact with State Agency staff to discuss the various chapters, climate risks, accomplishments, and strategies for moving forward. Following the open house there will be the opportunity for formal public input and comment. The final plan is expected to be complete in Spring 2014.
