**AGREEMENT AND IRREVOCABLE OFFER TO DEDICATE BY GIFT**  
(Expansion Envelope)

This Agreement and Irrevocable Offer to Dedicate ("Agreement") is made on this 18<sup>th</sup> day of February, 2005 by **HEARST HOLDINGS, INC.**, a Delaware corporation ("Hearst" or "Grantor"), to the **STATE OF CALIFORNIA**, acting on behalf of the Department of Parks and Recreation of the State of California ("Grantee"), hereinafter collectively referred to as the "Parties".

**RECITALS**

- A. Grantor is the sole owner in fee simple of certain real property consisting of approximately 81,777 acres, located in San Luis Obispo County, California, and described in "Exhibit A" attached hereto (the "Ranch").
- B. Grantee is a "qualified organization" as defined by Section 170(h)(3) of the Internal Revenue Code.
- C. This Agreement is being granted in connection with conservation transactions collectively affecting the entirety of the Ranch. These transactions include the grant by Grantor to American Land Conservancy, a California nonprofit public benefit corporation, of a conservation easement over most of the Ranch, pursuant to that certain Deed of Conservation Easement and Agreement Concerning Easement Rights, recorded in the Official Records of San Luis Obispo County, California, on February 18, 2005, as Document No. 2005013388 (the "East Side Easement").
- D. In connection with Grantee's operation of the Hearst Castle Visitors Center on that certain real property surrounded by the Ranch, and described in that certain Deed of Gift to the State of California recorded on March 14, 1958, in the Official Records of San Luis Obispo County, California, in Volume 931, at Page 487, and in that certain deed to the State of California, dated January 29, 1985, and recorded in the Official Records of San Luis Obispo County, California,

in Volume 2691, at Page 124 (the "Visitor's Center"), Grantee is evaluating the potential expansion of its administration area around the Visitors Center. Two areas within the Ranch and adjacent to the Visitors Center have been identified as potential areas within which future expansion of Grantee's administration facilities adjacent to the Visitors Center (the "Administration Facilities") could occur and which Grantor is willing to make an irrevocable offer to dedicate property interests to Grantee (the "Expansion Envelope"). The legal description for the Expansion Envelope, together with a map depicting the location thereof, is attached hereto as "Exhibit B" and incorporated herein by this reference.

E. The parties intend by this Agreement to integrate multiple public benefits of the overall conservation goals for the Ranch by: allowing Grantee to expand its Administrative Facilities; providing resource protection consistent with the East Side Easement; and continuing the working landscape agricultural operation of the Ranch with minimal disruptions resulting from these transactions.

F. Subject to the terms and conditions of this Agreement and to the normal planning, design and environmental review process by Grantee, it is the intent of the parties by this Agreement to allow Grantee to expand its Administrative Facilities on up to two (2) acres within the Expansion Envelope.

#### **AGREEMENT AND IRREVOCABLE OFFER TO DEDICATE**

Grantor hereby irrevocably offers to dedicate by grant deed to Grantee, its permitted successors and assigns, up to a maximum of two (2) acres of the Expansion Envelope (the "Dedication Area"), subject to the following terms and conditions of this Agreement.

1. **Right to Expand Administration Facilities within Expansion Envelope.** Grantee, at Grantee's sole cost and expense, shall have the right to expand its Administration Facilities (the "Expansion Right") within a Dedication Area selected by Grantee from the Expansion Envelope. Grantee shall be entitled to exercise the Expansion Right and receive and accept the dedication of the Dedication Area at the Closing (as defined below) as provided herein. At such time as the Dedication Area has been dedicated and conveyed by Grantor to Grantee as provided herein, Grantor's dedication obligations to Grantee hereunder shall be satisfied in full. The determination to exercise or not the Expansion Right shall be at Grantee's sole discretion.

2. **Exercise of Expansion Right; Notice of Determination of Dedication Area.** Grantee shall exercise its Expansion Right by providing Grantor written notice thereof (the "Exercise Notice") not later than one hundred eighty (180) days prior to the proposed Closing Date provided for in Section 4(a)

below in accordance with the notice provisions set forth in Section 12 below. The Exercise Notice shall specify each of the following:

(a) the legal description for the portion(s) of the Expansion Envelope designated by Grantee as the Dedication Area for Grantee's expansion of its Administration Facilities (the "Expansion Project"); and

(b) Grantee's plan (the "Screening Plan") to screen the Visitor's Center, including the Dedication Area, from the view of Hearst Castle, Highway 1 (as it is aligned at the time of the Exercise Notice) and the Hearst Ranch headquarters area, including the main ranch entrance road (collectively the "Protected Views"). The Screening Plan shall be subject to Grantor's review and approval (such approval not to be unreasonably withheld). The following viewshed criteria and definitions shall apply:

(i) Screening: For purposes of these viewshed criteria, "Screen" or "Screened" shall mean not visible from any of the Protected Views, except for *de minimus* visibility. Distance from the Protected Views is to be considered a factor in determining whether visibility is *de minimus*.

(ii) Landscaping: Any landscaping used to provide required screening shall consist of native or existing types of vegetation and, within five (5) years from construction or installation, must be of sufficient size and density to meet the screening criteria ("Landscaping").

(iii) Design: When Landscaping is used to achieve required screening, esthetically compatible, non-reflective materials and finishes also shall be used for any portions of buildings or structures that will be visible from any of the Protected Views until such building or structure portions are Screened by the Landscaping.

(iv) Illumination: Lighting shall be kept at levels reasonably appropriate for the purpose of the illumination, comply with all applicable laws, codes and regulations and be designed and implemented to minimize light visible from the Protected Views.

(v) Maintenance of Screening: Grantee shall maintain all vegetative screening required by the Screening Plan, and replace any vegetative screening that becomes ineffective, regardless of the cause.

### **3. Temporary Right of Entry for Planning and Design Purposes.**

Subject to the terms and conditions set forth herein, and in connection with Grantee's planning and design of the Expansion Project within the Dedication Area, beginning on the Effective Date of this Agreement, Grantee, through its agents, contractors, employees, licensees, permittees, and representatives (collectively, "Grantee's Agents"), shall be entitled to enter upon Grantor's

property within the Expansion Envelope to conduct the design and planning of the Expansion Project within the Dedication Area (collectively, the "Design Activities"). The access authorized under this Section 3 shall be conducted only in a manner which shall not unreasonably interfere with Grantor's use or enjoyment of the Expansion Envelope and shall be preceded by reasonable notice to Grantor's ranch manager. Grantee acknowledges and agrees that any use of the Expansion Envelope by Grantee or Grantee's Agents other than for the Design Activities, including, without limitation, erecting of any buildings or other improvements on any portion of the Expansion Envelope prior to the Closing Date is prohibited.

#### 4. Closing.

(a) Closing Date and Deliveries. On a date mutually acceptable to Grantor and Grantee (the "Closing Date"), but in no event less than one hundred eighty (180) days after delivery by Grantee to Grantor of the Exercise Notice, the closing of the following transactions (collectively, the "Closing") shall occur through an escrow (the "Escrow") with First American Title Company in San Luis Obispo County, California (or such other title company mutually acceptable to Grantor and Grantee) in the following order:

(i) Grantee shall record in the Official Records of San Luis Obispo County, California (the "Official Records"), a quitclaim deed to eliminate any rights of Grantee with respect to the Expansion Envelope other than the Dedication Area (the "Grantor Retained Area"), which quitclaim deed shall be in form and substance reasonably satisfactory to Grantee and Grantor;

(ii) Grantor and the holder of the East Side Easement shall record in the Official Records an amendment to the East Side Easement to provide that the Grantor Retained Area shall be subject to the East Side Easement; and

(iii) Grantor shall record in the Official Records a grant deed, gifting and conveying to Grantee Grantor's fee interest in the Dedication Area subject to the covenants and restrictions on use provided for in Section 5 below, with a Certificate of Acceptance by Grantee affixed thereto, which shall be in form and substance consistent with that attached hereto as "Exhibit C."

(b) Prorations and Closing Costs. Real property taxes shall not be prorated as of close of Escrow. Grantor reserves the right to claim a refund of any overpayment of real property taxes or assessments following the Closing. Grantee shall pay all closing fees and expenses of Closing including, without limitation, all escrow fees, documentary transfer taxes, recording costs and premiums for any policies of title insurance required by Grantee, and Grantor shall have no responsibility for any such closing fees or expenses for any Closing.

(c) Condition of Closing. Closing shall be conditioned upon Grantor's review and approval of the Screening Plan.

5. **Restriction on Use, Maintenance of Screening and Fencing.** Grantee covenants and agrees that the Dedication Area shall be used solely as Grantee's Administration Facilities and shall not be open to the general public (the "Permitted Use"). Grantee acknowledges and agrees that any use of the Dedication Area by Grantee or Grantee's Agents other than the Permitted Use is prohibited. Grantee further covenants and agrees to construct, install and maintain the screening of the Visitor's Center in compliance with the approved Screening Plan. Grantee shall install and maintain livestock fencing of the Dedication Area.

6. **Compliance with Laws.** Grantee shall perform all of its Design Activities and its activities under Section 5 above in a good and workmanlike manner so as to ensure protection of the environment, and health and safety of the public and shall comply with all applicable federal, state or local laws, regulations, decisions or orders of courts, administrative bodies or governmental agencies, ordinances, codes, permits or permit conditions, currently existing and as amended, enacted, issued, adopted or imposed in the future.

7. **Indemnification by Grantee.** Grantee shall indemnify, defend, assume all liability for, and hold harmless Grantor and its directors, officers, employees, agents and representatives (the "Grantor Indemnified Parties"), from and against any and all obligations, liabilities, claims, damages, costs, expenses and fees (including reasonable attorneys' and experts' fees and costs) caused by any entry on the Expansion Envelope under Section 3 above, or any Construction Activities conducted by Grantee as provided herein, or any breach of Grantee's covenants under Section 3 and Section 5 above, except to the extent caused by the gross negligence or willful misconduct of any Grantor Indemnified Parties. The indemnification obligations set forth in this Section shall survive the dedication and conveyance of the Dedication Area by Grantor to Grantee, as provided herein.

8. **Reservation of Rights.** Grantor reserves the right to use or authorize others to use its property within the Expansion Envelope, or any portion thereof, for any and all purposes which are not inconsistent with, and which will not unreasonably interfere with Grantee's rights hereunder; *provided*, after the Closing Date, Grantor shall have no right to use of the Dedication Area and Grantee shall have no right to use of the Grantor Retained Area.

9. **Interpretation.** If any provision of this Agreement, or the application thereof to any person or circumstances, is found to be invalid, the remainder of the provisions of this Agreement, or the application of such

provisions to persons or circumstances other than those as to which it is found to be invalid, as the case may be, shall not be affected.

10. **Captions.** The captions in this Agreement have been inserted solely for convenience of reference and are not a part of this Agreement and shall have no effect upon construction or interpretation.

11. **Perpetual Duration.** The rights and obligations created by this Agreement shall be a servitude running with the land in perpetuity. Every provision of this Agreement that applies to Grantor and Grantee shall also apply to and be binding upon their respective agents, heirs, executors, administrators, successors and assigns. The rights reserved and retained herein by Grantor as owner of the Ranch are appurtenant to the Ranch, run with the land and accrue to the benefit of Grantor and Grantor's successors.

12. **Notices.** Any notice, demand, request, consent, approval or communication that either Party desires or is required to give to the other shall be in writing and either served personally or sent by United States certified mail, return receipt requested, addressed as follows or such other address as either Party from time to time shall designate by written notice to the other.
