Public Workshops to Solicit Input on the Proposed Scope of Work for the 4th California Climate Assessment

The State of California will be holding three public workshops in August to discuss a proposed scope of work for the 4th California Climate Assessment. The 4th California Climate Assessment will develop original, regionally-relevant climate research to support California's continued leadership on actions to address climate change and safeguard our state's people, economy and resources.

Dates, times and locations for the workshops are as follows:

Date: Friday, August 8, 2014
Time: 10am-noon
Location: California Energy Commission - Hearing Room A
1516 9th Street, Sacramento, CA

Date: Tues, August 12, 2014
Time: 10am-noon
Location: Junipero Serra Office Building – Carmel Room
320 West Fourth Street, Los Angeles, CA 90013

Date: Wed, August 13, 2014
Time: 11am-1pm
Location: Milton Marks Conference Center
455 Golden Gate Avenue, San Francisco, CA

The Public Workshop in Sacramento will be webcast for those unable to attend in person. A copy of the Proposed Scope of Work, directions on how to submit comments, and webcast information will be posted in advance of the workshops on the California Natural Resources Agency web page:

<http://resources.ca.gov/climate/fourth/> Further information about the 4th California Climate Assessment is also available at the link above.

Any questions may be directed to JR DeLaRosa, Special Assistant for Climate, at Raul.DeLaRosa@Resources.ca.gov or 916-653-6333. If you require special accommodation for any of the workshops or need this document in an alternate format (e.g. Braille, large print) or another language, please contact JR DeLaRosa as soon as possible, but no later than 5 business days before the scheduled meeting.
