

Driving Directions and Parking

1605 Tilia Street, Suite 100
Davis, California 95616

IMPORTANT NOTE: Please be advised that most on-line map and GPS programs do not accurately shows the new streets or the route to West Village yet. Please use the written directions below:

From I-80 East or West

1. Take exit 70 and merge onto Highway 113 North toward Woodland.
2. Take Exit 27 for Hutchison Drive.
3. At the stop sign at the end of the offramp, turn left (towards the West) onto Hutchison Drive.
4. At the first traffic circle, turn right (follow the sign pointing to the right for Hutchison Drive). You will be headed north.
5. At the second traffic circle, go straight, and continue north. You will be on Sage Street.
6. At the stop sign, go straight.
7. At the next stop sign, you will arrive at a T-intersection. **You will see lettering on the overhang showing “UC Davis Transportation and Energy Research”, this is over our door at the red building in front of you.** There is an additional “Institute of Transportation Studies” smaller sign hanging over our front door.
 - a. We suggest parking in any spot marked “two-hour” parking
 - b. You can also park in a “West Village Permit Only” spot; however, you will need to acquire a parking pass from our office. These spaces are located behind the red building.
 - c. Do **NOT** park in any “WV Resident” spots or you will be towed.
8. After parking, please walk to our main office located on the 1st Floor, 1605 Tilia Street, at the northwest corner of Tilia Street and North Sage Street (across from the fountain in the Quad).
9. Lost? Please call Erinne Boyd (530) 752-6548.
