AGENDA*

With the release of a white paper on our proposed methodology for ecological performance measures, Monitoring and Assessment of California's Timberland Ecosystems Under Assembly Bill 1492 and the Timber Regulation and Forest Restoration Program, the workshop will follow the following approximate agenda.

OBJECTIVES:

- Share information on development of approach to date, including working vocabulary and definitions for Timberland Ecosystems, Monitoring, Assessment, Indicators, and Ecological Performance Measures.
- Receive feedback on proposed scope and framework for Ecological Performance Measure objectives, methods, uses, and future products.

Meeting Agenda

1. Welcome, Introductions, and Agenda Review

Sam Magill, Sacramento State University
Russ Henly, California Natural Resources Agency

2. Overview: AB 1492 Ecological Performance Measures (EPM) White Paper
 - Background
 - Concepts/Definitions
 - Proposed Approach: Methodologies

Russ Henly and Loretta Moreno, California Natural Resources Agency
Adam Moreno, California Air Resources Board
Pete Ode, California Department of Fish and Wildlife

****AGENDA CONTINUES ON NEXT PAGE****

1416 Ninth Street, Suite 1311, Sacramento, CA 95814 Ph. 916.653.5656 Fax. 916.653.8102 <http://resources.ca.gov>

3. BREAK

4. Audience Feedback on White Paper (e.g., scope, objectives, methods, products, participation)

- What works?
- What could be revised/what's missing?

*Sam Magill, Sacramento State University
Ecological Performance Measures Working Group Members
All Participants*

5. Action Item Review and Next Steps

*Corin Chopin, Sacramento State University
Loretta Moreno, California Natural Resources Agency
Russ Henly, California Natural Resources Agency*

6. ADJOURN
