The California Natural Resources Agency (CNRA) and its contracted facilitator for the Committee, California State University, Sacramento (CSUS), in completing this report, also reached out to leadership and staff at local, tribal, State, and federal agencies, departments, and offices that may play a role in enacting the recommendations. Their critical thinking and input is appreciated.

For more information on these recommendations, the Committee, and its Technical Subcommittee, please contact the CSUS facilitation staff by emailing Sam Magill at s.magill@csus.edu.
