

Oroville Dam Citizen Advisory Commission

Virtual Meeting Guide

The Oroville Dam Citizen Advisory Commission is conducting its February 19, 2021 meeting by webinar to avoid a public gathering and protect public health during the COVID-19 pandemic, consistent with Executive Orders N-25-20 and N-29-20. This document provides guidance for how the public can participate in the meeting.

Technical Assistance

Please consult this guide or the [Zoom Help Center FAQ webpage](#) if you are having issues with your audio or visual connection. If neither of these resources addresses your issue, please contact Eva Spiegel via email (espiegel@kearnswest.com) or phone (530.400.9068), and she will help you troubleshoot.

How to Participate in the Public Comment Session

The public comment session will be held after the presentations are complete and the Commissioners have had the opportunity to ask their questions. The moderator will indicate when the public comment session is starting and will walk through the directions below to explain how you can indicate you would like to provide public comment using the “Raise Hand” function.

Joined by Desktop or Web Browser

If you are on the desktop application or web browser versions of Zoom, you can use the “Raise Hand” button:

1. Click the “Raise Hand” icon and wait for the moderator to cue you to speak and to unmute your line.

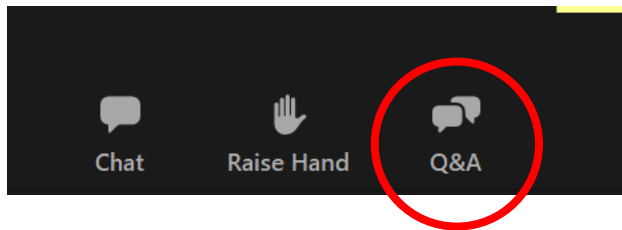

2. Once you have made your comment, the moderator will lower your hand and remute your line.

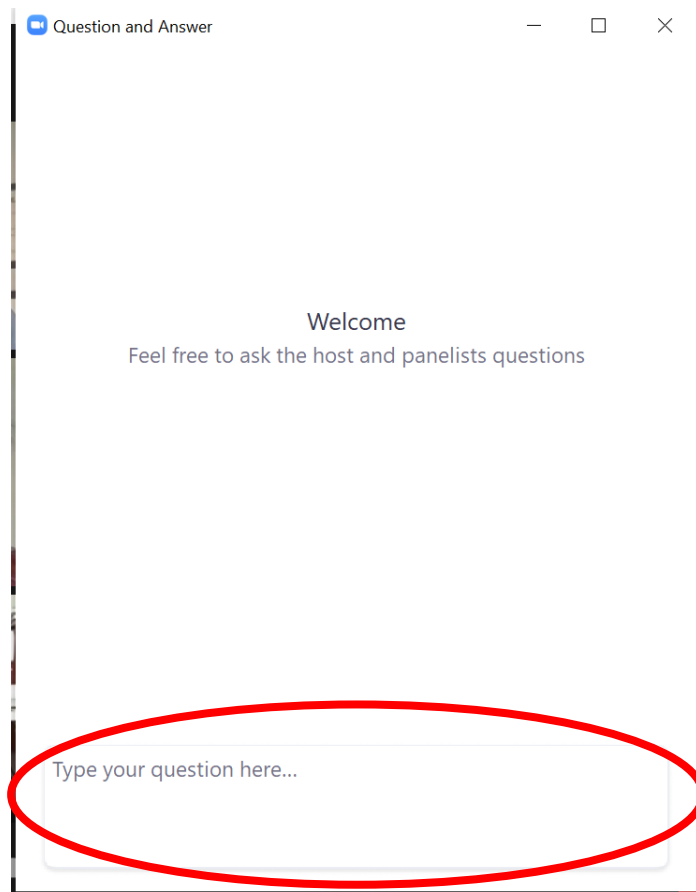

Joined by Phone

1. If you have joined the virtual meeting by phone only, dial “#2” to indicate your desire to speak – this will “raise” your hand. If you press #2 again, you will lower your hand.
2. The moderator will call your name or phone number and unmute your line. *NOTE: When the moderator unmutes you to make comment, you may need to unmute yourself as well if you have pressed the mute button on your phone.*
3. Once you have made your comment, the moderator will remute your line.

How to use the Q&A Function

1. To submit a question or comment during the course of the meeting, please type into the text box as indicated below. These can be technical questions about the webinar or questions about presentation content that you would like answered during the public comment session.

2. Once submitted, the moderator will either publish an answer in the "Answered" section of the Q&A panel or will read your question/comment for you during the public comment session.
