

Webinar Takeaways
Indigenous Data Sovereignty for Tribal Stewardship
Monday, March 30, 2026, 9:00—10:00 a.m.

Participants who attended the March 30, 2026 webinar, Indigenous Data Sovereignty for Tribal Stewardship, heard from Indigenous data sovereignty experts on resources and tools for embedding tribal data sovereignty in tribal stewardship efforts. Speakers highlighted information for non-tribal partners in tribal stewardship seeking to respect tribal data sovereignty in stewardship efforts as well as information and resources for California tribes seeking to build up data sovereignty governance structures.
