Letter of Conformance

The Director of the Department of Forestry and Fire Protection (CAL FIRE) finds that the above referenced Timber Harvesting Plan (THP) conforms with the Rules and Regulations of the Board of Forestry and Fire Protection pursuant to the provisions of the Z'Berg-Nejedly Forest Practice Act of 1973. Conformance is indicated by the signature of the CAL FIRE authorized representative on the attached copy of the THP.

Timber operations proposed in the THP may begin according to the conditions specified therein, and subject to the Forest Practice Act, and Forest Practice Rules of the Forest District in which the operations will take place. Amendments to the THP shall be submitted to the Director by the Plan Submitter, or the successor in interest (ref. 14 CCR §1039 and §1040).

The Forest Practice Act requires the submittal of a Work Completion Report and a Report of Stocking, whether operations took place or not:

1. Work Completion Report (ref. PRC §4585): Within one month after completion of work described in the THP, a Work Completion Report shall be submitted by the Timber Owner or the owner's agent with the Department that all work, except stocking, has been completed.
2. Report of Stocking (ref. PRC §4587): This report shall be submitted by the Timber Owner or the owner's agent with the Department within six months or five years after completion of Timber Operations, depending on silvicultural method.

The effective period of this Timber Harvesting Plan is up to five years from the conformance date unless extended pursuant to PRC §4590. This THP will expire on June 06, 2026.

Sincerely,
