Museum Grant Program - Round 1 Funded by Snoopy Plate**

Applicant	Project Name	County	Region	Recommended	Project Type	Project Description
RECOMMEND IMMEDIATE FUNDING FOR 22 PROJECTS						
American Museum of Ceramic Art	American Museum of Ceramic Art: Mobile Museum & Virtual Visits	Los Angeles	South	\$39,903.00	Combo	Project to convert a van into a mobile museum to provide pop-up exhibitions and a ceramics studio for K-12th grade students in the Pomona Unified School District. The mobile museum will be supplemented by virtual visits to the Museum.
Bay Area Discovery Museum	Try It Truck: Mobile Classroom & Engineering Lab	Marin	Bay Area	\$39,933.00	Program	Project to adapt the Try It Truck, a mobile engineering lab, to safely serve students once schools reopen for the 2021/2022 school year. Includes duplicating program stations to serve children in smaller cohorts at the same time. Includes 3 new stations for pre-K, creating activities for individuals vs. groups and developing new resources for educators.
California Center for the Arts, Escondido	Digitization for Educational Impact on Underserved Communities	San Diego	South	\$39,960.00	Program	Project to create digital educational resources utilizing the permanent collection making it accessible in an online format for virtual learning. High-resolution images of artworks will be accompanied by artist information, video interviews with artists, short educational essays placing the artworks in the context of contemporary art movements and short videos from artists, museum staff, and other arts professionals discussing the work.
California Science Center Foundation	Virtual Field Trips Pilot Program	Los Angeles	South	\$40,000.00	Program	Project to develop and implement a Virtual Field Trip Pilot Program for K-5th grade students at Title I schools by offering high-quality science learning experiences that are engaging, memorable and build knowledge over time.
Chabot Space & Science Center	Native Skies at Chabot Space & Science Center	Alameda	Bay Area	\$40,000.00	Program	Project to co-develop with Native communities, a planetarium show and accompanying suite of public programs that highlight local Native people's narratives about the night sky. Includes a series of outdoor, night sky programs working with local Native storytellers to lead audiences through the night's sky including the mythologies and beliefs of the local Native peoples.

Museum Grant Program - Round 1 Funded by Snoopy Plate**

Applicant	Project Name	County	Region	Recommended	Project Type	Project Description
Crocker Art Museum	Teacher2Teacher	Sacramento	North	\$38,935.00	Program	Project to implement a teacher professional development training program for 50 Title 1 teachers statewide. Will support integrating the arts learning experience and address COVID-caused loss of learning.
Friends of Antelope Valley Indian Museum	AVIM Virtual Tours	Los Angeles	South	\$29,400.00	Program	Project to create professional video tours of the museum to post on the museum's website. The video tours will be created and narrated by members of the Native community and interpret the collection and exhibits from their perspective. Videos will be closed captioned and translated into American Sign Language.
Guadalupe-Nipomo Dunes Center	"Creating a Museum Without Walls": 2021 Educational Programming & Digital Archive Creation	Santa Barbara	Central Coast	\$33,096.00	Program	Project to convert educational programs to online formats and digitize the Dunes Center's collection into an online platform providing accessibility to educators, students, researchers and the general public.
Kern County Museum Foundation	The Bakersfield Sound Exhibit at The Kern County Museum	Kern	Central Valley	\$40,000.00	Capital	Project to repurpose a 1600 square foot existing structure currently used for storage into exhibit space to tell the story of Bakersfield's Sound. The new exhibit will celebrate Kern's history and the musical legacy of the Dust Bowl.
Latino Center of Art and Culture	Chicano Art Collection Online	Sacramento	North	\$40,000.00	Program	Project to digitalize the Latino Center of Art and Culture's permanent collection of historically significant work by California Chicano artists creating a student friendly format accessible on the Center's website.

**California Cultural and Historical Endowment
Museum Grant Program - Round 1 Funded by Snoopy Plate**

Applicant	Project Name	County	Region	Recommended	Project Type	Project Description
Living Coast Discovery Center	Interpreting our Coastal Environment	San Diego	South	\$40,000.00	Capital	Project to update and enhance interpretive signage throughout a 3-acre zoo and aquarium. Includes 80 interpretive and 25 wayfinding/directional signs to increase visitor safety aligned with COVID-19 health guidelines.
Los Angeles County Museum of Natural History Foundation	La Brea Tar Pits Virtual Classroom Project	Los Angeles	South	\$40,000.00	Program	Project to create short videos, live webinars for assembly-style audiences and customized live presentations for individual classes. Content will include exploration of natural and historic themes at the La Brea Tar Pits.
Los Angeles Poverty Department	Walk the Talk: Revealing the Underrepresented Stories and Histories of Skid Row	Los Angeles	South	\$40,000.00	Program	Project to conduct community outreach and public programs to engage Museum audiences with the unknown histories of the underrepresented Skid Row neighborhood. Includes 8 Walk the Talk public conversation events at the Museum, videos of selected honorees and Skid Row experts and Walk the Talk digital exhibition to be publicly accessible on LAPD's website.
Museum of Craft and Design	MCD Mobile MakeArt Kit Distribution- putting creative art-making into the hands of disadvantaged children and families.	San Francisco	Bay Area	\$20,000.00	Program	Project to put creative art-making kits into the hands of children and families in San Francisco communities acutely affected by COVID-19. Will partner with organizations serving families in need, such as food banks, libraries and community centers to distribute MakeArt Kits.
Museum of Sonoma County	Art4Kids	Sonoma	Bay Area	\$40,000.00	Program	Project to provide a visual arts program for 5th through 6th grade students at Title I schools in the City of Santa Rosa. Lessons are grounded in the California Standards for Visual Arts and based on the Museum's changing exhibitions and permanent collection.

**California Cultural and Historical Endowment
Museum Grant Program - Round 1 Funded by Snoopy Plate**

Applicant	Project Name	County	Region	Recommended	Project Type	Project Description
Riverside Art Museum	Youth Art Education Outreach	Riverside	South	\$40,000.00	Program	Project to increase access to the arts via the Museum's school-based Art to Go lessons and Walk and Wonder Museum tours by offering the programs virtually. Includes development of new Chicano art-focused lessons from the Cheech collection and museum tours followed by a 1-hour art history lesson and hands-on project applying an exhibition artist's style to create an original student artwork.
San Bernardino County Museum	SBCM-Connect: Implementing Strategies to Achieve Equity & Accessibility in the Covid-19 Era	San Bernardino	South	\$39,348.00	Program	Project to implement a centralized web-based program including multiple engagement experiences based on the Museum's exhibitions and collection. Teachers will be able to pick from a menu of options, with lessons plans already in place or utilize the exhibit and collections research apps to design their own lesson. Online programming will be supplemented by a county-wide network to distribute hands-on educational loan kits for classroom use with a goal to increase cultural and science literacy in the County.
San Diego Children's Discovery Museum	Virtual Educational Workshops for Low-Income Children	San Diego	South	\$40,000.00	Program	Project to provide virtual Science and Arts programming workshops with an environmental focus to students in Kinder and 2nd grade in the Escondido Unified School District. Includes a live introduction pre-lesson video, pre-recorded guided workshop with direct instruction, activity kits distributed to each school and live post session to close out the themes of the workshop.
Santa Cruz Children's Museum of Discovery	Moving On: Mobile Museum Expansion to Build Post-COVID STEM Capacity in Schools	Santa Cruz	Bay Area	\$31,011.00	Program	Project to expand the mobile museum program specifically targeting Title 1 schools within the Pajaro Valley Unified School District in Watsonville. The program will bring hands on science instruction to classrooms.
