

2018 State Water Project Annual Review

Background

Water Code section 165 requires the California Water Commission to conduct an annual review of the construction and operation of the State Water Project (SWP) and to report its findings and recommendations to the Director of the Department of Water Resources (DWR) and the State Legislature.

At this meeting, Commission staff will present final draft text of the 2018 SWP annual review and receive Commission feedback. At a future meeting, staff will present a formatted version for Commission approval.

This is an informational item.
