

Action Item: Adoption of 2018 State Water Project Annual Review

Background

Water Code section 165 requires the California Water Commission to conduct an annual review of the construction and operation of the State Water Project (SWP) and to report its findings and recommendations to the Director of the Department of Water Resources (DWR) and the State Legislature. Commission staff presented draft text for the 2018 annual review to the Commission for discussion and feedback at the Commission's March and April 2019 meetings.

At this meeting, Assistant Executive Officer Jennifer Ruffolo will present the formatted final draft of the 2018 Annual Review of the Construction and Operation of the State Water Project for the Commission's consideration and possible approval. If approved, staff will distribute the review to DWR and the Legislature.
