Address:	3392 Caminito Avenue
City/State/Zip:	95991
Feedback:	On the resilience financing whitepaper: it is not clear that you are aware of the rights of the public and the obligations of agencies under the public trust doctrine/navigable use rights, and rights to fish on state-owned land under section 25 article I of the state constitution. Agencies must consider and protect the public right to access and use the navigable waters of the state and state land generally for fishing.

Thank you
