### 1. Call to Order

### 2. Roll Call

### 3. Closed Session

*The Commission may hold a closed session, as authorized by Government Code §11126(e), to confer with and receive advice from its legal counsel regarding potential litigation, and as authorized by Government Code §11126(a).*

### 4. Approval of August 18, 2021 Meeting Minutes

### 5. Executive Officer's Report

*The Executive Officer will report on various matters addressed since the previous Commission meeting.*

**6. Commission Member Reports**

*This is an opportunity for members to disclose any meetings or conversations related to Commission business since the previous Commission meeting.*

**7. Public Testimony**

*Although no formal Commission action will be taken, the Commission offers an opportunity for the public to address the Commission on items of interest that are within the Commission's jurisdiction, but that do not specifically appear on the agenda.*

**8. Director Karla Nemeth, Department of Water Resources**

*The Director of the Department of Water Resources (DWR), Karla Nemeth, will provide introductory remarks about how the Sustainable Groundwater Management Act (SGMA), the State Water Project (SWP), and DWR's new Human Right to Water policy relate to agriculture and communities in the Central Valley.*

**9. State Water Project Briefings: The State Water Project and the San Joaquin Valley**

*The Commission will continue its 2021 SWP briefings by hosting presentations on the role of the SWP in the San Joaquin Valley. This year, the Commission is focusing on the theme of creating a resilient State Water Project by addressing climate change and aging infrastructure to provide multiple benefits for Californians. At this meeting, the Commission will receive briefings on DWR's 2022 Drought Contingency Plan and subsidence in the San Joaquin Valley.*

**10. Panel Discussion on the Sustainable Groundwater Management Act**

*Representatives from several State agencies will provide updates on the current state of Sustainable Groundwater Management Act (SGMA) implementation, including the state of groundwater in California, an update on the SGMA process, an update on interagency efforts to support local SGMA implementation, and a discussion of land use issues.*

**11. Panel Discussion on San Joaquin Valley Water Issues**

*Representatives from San Joaquin Valley communities and the agricultural industry will share their perspectives on the region's most pressing water issues, reflect on the previous presentations, and engage in a facilitated discussion with presenters.*

**12. Groundwater Trading: Small Group Discussion Synthesis**

*The Commission will hear a synthesis of feedback received during small group discussions on groundwater trading. This synthesis is part of the Commission's consideration of well-managed groundwater trading programs to support Water Resilience Portfolio Action 3.6.*

**13. Groundwater Trading: Panel Discussion on the Future of Groundwater Trading**

*In support of Water Resilience Portfolio Action 3.6, a panel of academic experts and stakeholders will discuss the future of groundwater trading, including likely participants, beneficiaries and impacts, how to protect vulnerable stakeholders, and how to structure stakeholder inclusion, governance, and oversight.*

**14. Consideration of Items for Next California Water Commission Meeting**

**15. Adjourn**

*\*The Commission may break for lunch as needed.\**

*At the discretion of the California Water Commission, all items appearing on this agenda, whether or not expressly listed for action, may be deliberated upon and may be subject to action.*
