

# 2019 FLOOD-MAR PUBLIC FORUM

## SAVE THE DATE

**OCTOBER 28-29, 2019**

Registration now open for the 2019 Flood-MAR Public Forum  
[event.com/d/fyqdq0](https://www.event.com/d/fyqdq0)

### **PURPOSE:**

The purpose of this forum is to share and explore innovative technical, socio-economic, regulatory, and policy solutions to advance and expedite implementation of multiple benefit projects that use floodwater for managed aquifer recharge (Flood-MAR).

### **KEY THEMES**

- Quantifying water available for recharge
- Identifying recharge locations and methods
- Developing consistent water accounting methods
- Formulating Flood-MAR projects with multiple benefits
- Incentivizing aquifer recharge
- Building a Flood-MAR network for collaboration and information exchange

### **WHO SHOULD ATTEND?**

Anyone interested in learning about Flood-MAR and expanding Flood-MAR project implementation throughout California.

### **LOCATION:**

Alumni Center  
California State University,  
Sacramento  
6000 College Town Drive,  
Sacramento, CA 95826
