

The chapter is presented in its entirety from the Draft Environmental Impact Report (DEIR), with revisions to text presented as a strikethrough or underline. Text shown with a strikethrough has been deleted from the DEIR. Text that has been added is presented as single underlined. Deleted figures are shown with a dashed border. Added figures do not have unique formatting.

### 12.1 Chapter 1, Introduction

No references.

### 12.2 Chapter 2, Project Description

Allison A, Johnson M, Nichols J, Healy M, Campos C, Kindopp J, Holley S, Kollmar V, Gephart N. 2021. Interim Monitoring Plan for the Spring-Run Chinook Salmon Juvenile Production Estimate Science Program.
