

### The State Water Project: Meeting the Challenge

Recommended Grade Level 6–12

#### Suggested Activities:

1. The following Project WET 2.0<sup>1</sup> activities provide opportunities for students to learn about water conservation and meeting water needs:
  - a. Project WET: 8-4-1 for all
  - b. Blue River
  - c. Hydrological Bank Account
2. California Education and The Environment (EEI)<sup>2</sup> unit:
  - a. 6.2.1 – River Systems and Ancient Peoples
  - b. EE9c: Liquid Gold
3. Assign students to certain regions of the state or stakeholder groups and have them research and write an argument piece on the benefits and costs of the State Water Project.
