

Proposed Language for Tribal cultural resources update to Appendix G

1. Add a statement regarding tribal consultation to the beginning of Appendix G under EVALUATION OF ENVIRONMENTAL IMPACTS, which provides guidance on completing the checklist and environmental analysis:

[...]

10. Tribal consultation, if requested as provided in Public Resources Code Section 21080.3.1, must begin prior to release of a negative declaration, mitigated negative declaration, or environmental impact report for a project. Information provided through tribal consultation may inform the lead agency's assessment as to whether tribal cultural resources are present, and the significance of any potential impacts to such resources. Prior to beginning consultation, lead agencies may request information from the Native American Heritage Commission regarding its Sacred Lands File, per Public Resources Code sections 5097.9 and 5097.94, as well as the California Historical Resources Information System administered by the California Office of Historic Preservation.

2. Changes to the language of Section V to include Tribal cultural resources, with proposed additions in **Bold and Underline.**
