Re: Comment on the Proposed Language for Tribal Cultural Resources Update to Appendix G

Dear Ms. Baugh:

The California Council for Environmental and Economic Balance ("CCEEB") appreciates the opportunity to provide comments on the proposed changes to the proposed language for Tribal cultural resources update to Appendix G of the California Environmental Quality Act Guidelines.

CCEEB is a coalition of California business, labor and public leaders that works to advance strategies to achieve a sound economy and a healthy environment. Founded in 1973, CCEEB is a non-profit and non-partisan organization.

CCEEB has reviewed the new draft and supports the change to what is now proposed checklist XVII(a), second bullet. This change clarifies that, when the lead agency is "considering the significance of the resource to a California Native American tribe", it must do so by applying the established criteria of Public Resources Code Section 5024.1(c).

We believe this proposed change is an improvement to the draft document and encourage the agency to retain this change in the final document.

Sincerely,

GERALD D. SECUNDY  
President
