<b>Baldwin Hills Conservancy</b>							
<b>Baldwin Hills Conservancy Proposition 40 and Proposition 84 Programs</b>	<p>Purpose: The purpose of the BHC Prop 40 and Prop 84 grant programs is to provide local assistance for planning, acquisition and capital improvement projects that benefit the Ballona Creek Watershed and Baldwin Hills Conservancy territory, consistent with the Conservancy strategic plan and related work programs prepared pursuant to Public Resources Code section 32568 and pursuant to subdivisions (b) and (c) of Section 1 of Chapter 752, Statutes of 1999.</p> <p>Summary: Proposals consistent with the P40 bond act will achieve at least one the following: 1) acquisition of open space; 2) development of park land; 3) rehabilitation of park facilities; 4) restoration of habitat; or 5) protection of land and water resources. Proposals consistent with the P84 bond act will achieve 1) Protecting or preventing contamination and degradation of coastal waters and watersheds; 2) Protecting and restoring the natural habitat values of coastal waters and lands; or 3) Promoting access to and enjoyment of the coastal resources of the state.</p>	Grant	<p>Eligible Organizations: Cities, counties, JPA's, nonprofit organizations or any public entity or non-profit organization established pursuant to the laws of the State of California.</p> <p>Geographic Limitations: Baldwin Hills &amp; Ballona Creek Territory</p> <p>Matching Funds Requirements: 25% non-state funds</p>	Propositions 40, 84	<p>Minimum: N/A</p> <p>Maximum: Prop 40: no maximum Prop 84: maximum \$200,000</p> <p>Amount Left to Award: P40: Approximately \$11 million P84: Approximately \$1.5 million</p> <p>Potential Funding Awarded in Next 6 Months: \$2 million</p>	<p>Cycle Description: Continuous</p> <p>Process: Full Application</p>	<p>Gail Krippner: 323-290-5273 gail.krippner@bhc.ca.gov</p> <p>Other: info@bhc.ca.gov</p> <p>Website: http://bhc.ca.gov/grants/</p>
<b>Baldwin Hills Conservancy Proposition 1 Program</b>	<p>Purpose: The purpose of the BHC Proposition 1 grant program is to provide local assistance to address water quality, water supply and watershed protection and restoration. Funds are available for multi-benefit ecosystem and watershed protection and restoration projects, pursuant to Water Code Section 79731(a).</p> <p>Summary: Resource Protection--Advance the optimal management of resources in the watershed in order to achieve conservation benefits, improve ecosystem health, and increase climate resiliency. Habitat Restoration--Restore native habitat to improve ecosystem function and provide multi-benefit wildlife corridors, species biodiversity and other ecosystem benefits. Urban Greening--Build urban greening projects that increase groundwater recharge, reduce runoff, improve water quality and improve urban watershed health while creating public green-space and expanding urban forests.</p>	Grant	<p>Eligible Organizations: Public agencies, eligible nonprofit organizations, JPAs, special districts, public utilities, and mutual water companies.</p> <p>Geographic Limitations: Baldwin Hills &amp; Ballona Creek Territory</p> <p>Matching Funds Requirements: No</p>	Proposition 1	<p>Minimum: N/A</p> <p>Maximum: \$2 million</p> <p>Amount Left to Award: Approximately \$6.3 million</p> <p>Potential Funding Awarded in Next 6 Months: \$2 million</p>	<p>Cycle Description: January 1, 2020 - February 29, 2020 March 1, 2020 - April 30, 2020 May 1, 2020 - June 30, 2020 July 1, 2020 - August 31, 2020 September 1, 2020 - October 31, 2020 November 1, 2020 - December 31, 2020</p> <p>Process: Full Application</p>	<p>Gail Krippner: 323-290-5273 gail.krippner@bhc.ca.gov</p> <p>Other: info@bhc.ca.gov</p> <p>Website: http://bhc.ca.gov/grants/</p>
<b>Baldwin Hills Conservancy Proposition 68 Program</b>	<p>Purpose: The purpose of the BHC Prop 68 grant program is to provide local assistance for watershed protection, habitat restoration, acquisition, community access and park improvements in the Ballona Creek/Baldwin Hills Watershed Territory. Funds are available for multi-benefit ecosystem and watershed protection and restoration projects pursuant to Public Resources Code Section 80110 (b) (1).</p> <p>Summary: 3.1. Resource Protection and Restoration Projects. 3.2. Vegetation Management and Fire Safety Projects. 3.3. Visitor Serving Development and Improvement Projects. 3.4. Community Access, Education and Interpretation Projects (maximum grant award is \$100,000, if funding is available, the Conservancy will award these grants every year)</p>	Grant	<p>Eligible Organizations: Cities, counties, JPA's, nonprofit organizations or any public entity or non-profit organization established pursuant to the laws of the State of California.</p> <p>Geographic Limitations: Baldwin Hills &amp; Ballona Creek Territory</p> <p>Matching Funds Requirements: No</p>	Proposition 68	<p>Minimum: N/A</p> <p>Maximum: \$1 million</p> <p>Amount Left to Award: \$2.2 million</p> <p>Potential Funding Awarded in Next 6 Months: \$1 million</p>	<p>Cycle Description: January 1, 2020 - February 29, 2020 March 1, 2020 - April 30, 2020 May 1, 2020 - June 30, 2020 July 1, 2020 - August 31, 2020 September 1, 2020 - October 31, 2020 November 1, 2020 - December 31, 2020</p> <p>Process: Full Application</p>	<p>Caroline Orija: 323 290-5274caroline.oriya@bhc.ca.gov</p> <p>Other: info@bhc.ca.gov</p> <p>Website: http://bhc.ca.gov/grants/</p>
<b>California Coastal Commission</b>							
<b>Local Coastal Program</b>	<p>Purpose: The purpose of the Local Coastal Program Local Assistance Grant Program is to assist local government with developing new or updating their Local Coastal Programs. Local Coastal Programs (LCPs) are basic planning tools used by local governments to guide development in the coastal zone, in partnership with the Coastal Commission.</p> <p>Summary: The Local Coastal Program Local Assistance Grant Program provides funds to support local governments in completing or updating Local Coastal Programs (LCP) consistent with the California Coastal Act, with special emphasis on planning for sea-level rise and climate change.</p>	Grant	<p>Eligible Organizations: Cities and counties in the California coastal zone.</p> <p>Geographic Limitations: Coastal zone</p> <p>Matching Funds Requirements: Encouraged but not required</p>	California Climate Investment Account/GGRF	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: \$0</p> <p>Potential Funding Awarded in Next 6 Months: \$750,000</p>	<p>Cycle Description: Annually or every other year</p> <p>Process: See program description: https://www.coastal.ca.gov/lcp/grants/</p>	<p>Madeline Cavaliere: Madeline.Cavaliere@coastal.ca.gov</p> <p>Other: LCPGrantProgram@coastal.ca.gov</p> <p>Website: https://www.coastal.ca.gov/lcp/grants/</p>

<b>Whale Tail Grant Program</b>	<p>Purpose: The Commission's Public Education Program works to increase public knowledge of coastal and marine resources and to engage the public in coastal protection and restoration activities. The purpose of the WHALE TAIL® Grant Program is to support programs that educate the public about California's coast and ocean resources and to inspire the public to be stewards of the coast.</p> <p>Summary: WHALE TAIL® grants support programs that teach California's children and the general public to value and take action to improve the health of the state's coast and ocean. Adopt-A-Beach® programs, as well as other beach maintenance and coastal habitat restoration projects that have an educational component, are also eligible for these grants. WHALE TAIL® grants focus on reaching communities that are poorly served in terms of marine and coastal education.</p>	Grant	<p>Eligible Organizations: Applicants may be either a non-profit organization, school or school district, or a government entity. Projects funded by WHALE TAIL® grants must serve audiences in California.</p> <p>Geographic Limitations: Projects funded by WHALE TAIL® grants must serve audiences in California.</p> <p>Matching Funds Requirements: Not required</p>	California Beach and Coastal Enhancement Account, which receives funds through the sale of the WHALE TAIL® license plate, and the Protect Our Coast and Ocean Tax Contribution Fund.	<p>Minimum: N/A</p> <p>Maximum: \$50,000</p> <p>Amount Left to Award: \$300,000</p> <p>Potential Funding Awarded in Next 6 Months: \$300,000</p>	<p>Cycle Description: Annually</p> <p>Process: <a href="https://www.coastal.ca.gov/publiced/plate/plgrant.html">https://www.coastal.ca.gov/publiced/plate/plgrant.html</a></p>	<p>Chris Parry: <a href="mailto:Chris.Parry@coastal.ca.gov">Chris.Parry@coastal.ca.gov</a></p> <p>Other: N/A</p> <p>Website: <a href="https://www.coastal.ca.gov/publiced/plate/plgrant.html">https://www.coastal.ca.gov/publiced/plate/plgrant.html</a></p>
<b>California Coastal Conservancy</b>							
<b>Resource and Public Access Program</b>	The State Coastal Conservancy awards grants for projects that meet the statutory authorities contained in Division 21 of the Public Resources Code and that meet objectives of the Conservancy's Strategic Plan. Grants are available for projects that improve public access and outdoor recreation as well as resource protection and enhancement.	Grant / Loan	<p>Eligible Organizations: Public agencies, eligible nonprofit organizations, JPAs, special districts, tribes. Some funds have geographic limitations.</p> <p>Geographic Limitations: Coastal counties, SF Bay Area and Santa Ana River Watershed</p> <p>Matching Funds Requirements: None</p>	Propositions 12, 40, 68, 84, Habitat Conservation Fund, and General Fund	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Approximately \$80 million</p> <p>Potential Funding Awarded in Next 6 Months: \$15 million</p>	<p>Cycle Description: Continuous</p> <p>Process: Pre application</p>	<p>Mary Small: <a href="mailto:mary.small@scc.ca.gov">mary.small@scc.ca.gov</a></p> <p>Other: <a href="mailto:grants@scc.ca.gov">grants@scc.ca.gov</a></p> <p>Website: <a href="https://scc.ca.gov/grants/">https://scc.ca.gov/grants/</a></p>
<b>Explore the Coast Grants</b>	<p>Purpose: Increase opportunities for people to get to, learn about, and enjoy coastal areas</p> <p>Summary: This program seeks to enable and encourage California residents to visit the coast through projects that increase opportunities for people to get to, learn about, and enjoy coastal areas.</p>	Grant	<p>Eligible Organizations: Public agencies, eligible nonprofit organizations, JPAs, special districts, tribes</p> <p>Geographic Limitations: None, projects must include visiting the coast</p> <p>Matching Funds Requirements: None</p>	ELPF and Coastal Access Account	<p>Minimum: N/A</p> <p>Maximum: \$50,000</p> <p>Amount Left to Award: Approximately \$825,000</p> <p>Potential Funding Awarded in Next 6 Months: Approximately \$825,000 each year, awards will be made in August 2019</p>	<p>Cycle Description: Jan - April 2020</p> <p>Process: Full application</p>	<p>Mary Small: <a href="mailto:mary.small@scc.ca.gov">mary.small@scc.ca.gov</a></p> <p>Other: <a href="mailto:grants@scc.ca.gov">grants@scc.ca.gov</a></p> <p>Website: <a href="https://scc.ca.gov/grants/">https://scc.ca.gov/grants/</a></p>
<b>Explore the Coast Overnight Grants</b>	<p>Purpose: Planning and implementation of facilities that provide coastal lower-cost overnight accommodations.</p> <p>Summary: This program seeks to increase the number and variety of lower-cost overnight accommodations on the California coast to serve lower-income and middle-income people.</p>	Grant	<p>Eligible Organizations: Public agencies, eligible nonprofit organizations, JPAs, special districts, tribes</p> <p>Geographic Limitations: Coastal counties with priority given to locations close to the coast</p> <p>Matching Funds Requirements: None</p>	Proposition 68	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Approximately \$30 million</p> <p>Potential Funding Awarded in Next 6 Months: Approximately \$5 million each year</p>	<p>Cycle Description: Continuous (after initial call for Proposals in fall, 2019)</p> <p>Process: Pre application</p>	<p>Amy Hutzel: <a href="mailto:amy.hutzel@scc.ca.gov">amy.hutzel@scc.ca.gov</a></p> <p>Other: <a href="mailto:grants@scc.ca.gov">grants@scc.ca.gov</a></p> <p>Website: <a href="https://scc.ca.gov/projects/etco/">https://scc.ca.gov/projects/etco/</a></p>
<b>Proposition 1 Grants</b>	<p>Purpose: Multi-benefit, coastal watershed protection and ecosystem restoration projects</p> <p>Summary: Competitive grants for multi-benefit ecosystem and watershed protection and restoration projects, consistent with the Purposes detailed in Chapter 6, "Protecting Rivers, Lakes, Streams, Coastal Waters and Watersheds" of Proposition 1. Based on the priority issues within its jurisdictions, reviewing existing state plans, and screening for projects that achieve multiple benefits, serve disadvantaged communities, and result in quantifiable outcomes, the Conservancy identified four priorities for Proposition 1 expenditures: Water Sustainability, Protect and Enhance Anadromous Fish Habitat, Wetland Restoration, and Urban Greening.</p>	Grant	<p>Eligible Organizations: Non-federal public agencies, eligible nonprofit organizations, JPAs, special districts, Public utilities, and mutual water companies</p> <p>Geographic Limitations: Coastal counties, SF Bay Area and Santa Ana River Watershed</p> <p>Matching Funds Requirements: None</p>	Proposition 1	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: About \$10 million</p> <p>Potential Funding Awarded in Next 6 Months: About \$10 million</p>	<p>Cycle Description: Spring - Summer 2020</p> <p>Process: Pre application</p>	<p>Mary Small: <a href="mailto:mary.small@scc.ca.gov">mary.small@scc.ca.gov</a></p> <p>Other: <a href="mailto:grants@scc.ca.gov">grants@scc.ca.gov</a></p> <p>Website: <a href="https://scc.ca.gov/grants/">https://scc.ca.gov/grants/</a></p>
<b>Sea Otter Recovery Grants</b>	<p>Purpose: research, science, protection projects or programs to benefit Sea Otters</p> <p>Summary: The State Coastal Conservancy grants funds from the voluntary tax check-off box for sea otter recovery every year that money is made available. Public agencies and nonprofit organizations are eligible to apply for the grants (see application instructions for details). Eligible projects include research, science, protection projects or programs related to the Federal Sea Otter Recovery Plan or improving the nearshore ocean ecosystem, including, but not limited to, program activities to reduce sea otter mortality.</p>	Grant	<p>Eligible Organizations: Public agencies and nonprofit organizations</p> <p>Geographic Limitations: None, projects must benefit Sea Otters</p> <p>Matching Funds Requirements: None</p>	Sea Otter Tax Check-Off	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Approximately \$165,000 per year</p> <p>Potential Funding Awarded in Next 6 Months: About \$165,000 per year</p>	<p>Cycle Description: Next application process summer 2019</p> <p>Process: Full application</p>	<p>Hilary Walecka: <a href="mailto:hilary.walecka@scc.ca.gov">hilary.walecka@scc.ca.gov</a></p> <p>Other: <a href="mailto:grants@scc.ca.gov">grants@scc.ca.gov</a></p> <p>Website: <a href="https://scc.ca.gov/grants/">https://scc.ca.gov/grants/</a></p>

<b>Climate Ready Grants - SF Bay Conservancy</b>	<p>Purpose: Planning and implementation of on-the-ground actions that lessen the impacts of climate change on communities and natural resources in the San Francisco Bay Area</p> <p>Summary: The State Coastal Conservancy's Climate Ready Program seeks to encourage action to prepare for a changing climate by advancing planning and implementation of on-the-ground actions that reduce greenhouse gas emissions and lessen the impacts of climate change on communities and natural resources. The Conservancy seeks to support multi-benefit projects that use natural systems to enhance climate resilience.</p>	Grant	<p>Eligible Organizations: Public agencies and nonprofit organizations</p> <p>Geographic Limitations: coastal counties, SF Bay Area and Santa Ana River Watershed</p> <p>Matching Funds Requirements: None</p>	Proposition 68	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Approximately 3 million</p> <p>Potential Funding Awarded in Next 6 Months: \$0</p>	<p>Cycle Description: late Spring - Fall 2020</p> <p>Process: Pre application</p>	<p>Mary Small: mary.small@scc.ca.gov</p> <p>Other: grants@scc.ca.gov</p> <p>Website: <a href="https://scc.ca.gov/grants/">https://scc.ca.gov/grants/</a></p>
<b>California Department of Conservation</b>							
<b>Sustainable Agriculture Lands Conservation Program (Sustainable Agricultural Lands Planning Grants)</b>	<p>Purpose: The purpose of the Sustainable Agricultural Lands Conservation Program is to protect agricultural lands to support infill and compact development, and to further the purposes of AB 32 by avoiding increases in the greenhouse gas emissions associated with the conversion of agricultural land to nonagricultural uses.</p> <p>Summary: The Sustainable Agricultural Lands Conservation Program (SALC) supports the state's greenhouse gas (GHG) emission goals by making strategic investments to protect agricultural lands.</p> <p>Sustainable Agricultural Lands Conservation Planning Grants — Short term grants to counties, cities, and partners, to support the development and implementation of plans for the protection of agricultural land at risk of conversion to non-agricultural uses, maintaining the economic viability of the region's agricultural lands, and developing the economic viability of regional food systems and infrastructure to support the production, aggregation, processing and distribution of agricultural products.</p>	Grant	<p>Eligible Organizations: Counties, cities, Local Agency Formation Commissions, councils of government, municipal planning organizations, regional transportation planning agencies, and special districts as the lead applicant(s) in collaboration with other partners.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: Must provide at least 10% match. At least 5% of the requested grant amount must be a cash match</p>	Greenhouse Gas Reduction Fund	<p>Minimum: N/A</p> <p>Maximum: 250000</p> <p>Amount Left to Award: Funding varies each year depending on GGRF auction proceeds</p> <p>Potential Funding Awarded in Next 6 Months: TBD</p>	<p>Cycle Description: Annually. Applications due Aug 28, 2020</p> <p>Process: Applications are submitted via email and reviewed through a competitive process. Applicants may submit a pre-proposal prior to July 1, 2020 if they wish to receive technical assistance on their project prior to the application deadline.</p>	<p>Virginia Jameson: <a href="mailto:virginia.jameson@conservation.ca.gov">virginia.jameson@conservation.ca.gov</a></p> <p>Other: <a href="mailto:salcp@conservation.ca.gov">salcp@conservation.ca.gov</a></p> <p>Website: <a href="https://www.conservation.ca.gov/dlrp/grant-programs/SALCP">https://www.conservation.ca.gov/dlrp/grant-programs/SALCP</a></p>
<b>Sustainable Agriculture Land Conservation Program (Agricultural Conservation Acquisition Grants)</b>	<p>Purpose: The purpose of the Sustainable Agricultural Lands Conservation Program is to protect agricultural lands to support infill and compact development, and to further the purposes of AB 32 by avoiding increases in the greenhouse gas emissions associated with the conversion of agricultural land to nonagricultural uses.</p> <p>Summary: The Sustainable Agricultural Lands Conservation Program (SALC) supports the state's greenhouse gas (GHG) emission goals by making strategic investments to protect agricultural lands.</p> <p>Agricultural Conservation Acquisitions — Provide funding to leverage the protection of strategically located, highly productive, and critically threatened agricultural land, via the purchase of permanent agricultural conservation easements.</p>	Grant	<p>Eligible Organizations: Cities, counties, resource conservation districts, regional park or open-space districts, regional park or open-space authorities, California Native American tribes, and nonprofit (501(c)3) organizations that have among their stated purposes the conservation of agriculture, rangeland, or farmland.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: Must provide at least 25% of the easement value as match</p>	Greenhouse Gas Reduction Fund	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Funding varies each year depending on GGRF auction proceeds</p> <p>Potential Funding Awarded in Next 6 Months: TBD</p>	<p>Cycle Description: Annually. Applications due Aug 28, 2020; mandatory pre-proposals due April 30, 2020.</p> <p>Process: Pre-proposals are required in order for applicants to be eligible to submit an application. Applications are due August 28 and are reviewed against one another through a competitive process. A site visit to each project is conducted prior to approval of awards.</p>	<p>Virginia Jameson: <a href="mailto:virginia.jameson@conservation.ca.gov">virginia.jameson@conservation.ca.gov</a></p> <p>Other: <a href="mailto:salcp@conservation.ca.gov">salcp@conservation.ca.gov</a></p> <p>Website: <a href="https://www.conservation.ca.gov/dlrp/grant-programs/SALCP">https://www.conservation.ca.gov/dlrp/grant-programs/SALCP</a></p>
<b>California Farmland Conservancy Program</b>	<p>Purpose: The California Farmland Conservancy Program (CFCP) seeks to encourage the long-term, private stewardship of agricultural lands through planning and the voluntary use of agricultural conservation easements. The CFCP provides grant funding for easement and planning projects that support agricultural land conservation statewide.</p> <p>Summary: The California Farmland Conservancy Program (CFCP) seeks to encourage the long-term, private stewardship of agricultural lands through planning and the voluntary use of agricultural conservation easements. The CFCP provides grant funding for easement and planning projects that support agricultural land conservation statewide.</p>	Grant	<p>Eligible Organizations: City, county, nonprofit organization, resource conservation district, or a regional park or open-space district or regional or open-space authority that has the conservation of farmland among its stated purposes or as express in the entity's locally adopted policies.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: Must provide at least 5% of the value of the grant or a landowner donation of not less than 10% of the fair market value of the easement. Combinations of donations and match must be at least 10% of the value of the easement. Up to 50% of the stewardship endowment contribution may be applied toward the match requirement.</p>	Props 68, 40, and 12	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: \$15.95 million</p> <p>Potential Funding Awarded in Next 6 Months: TBD</p>	<p>Cycle Description: Anticipate solicitation TBD</p> <p>Process: Pre-proposals are required for easement projects for applicants to be eligible to submit an application. Submitted applications will be reviewed against one another through a competitive process. A site visit to each project is conducted prior to approval of awards.</p>	<p>Virginia Jameson: <a href="mailto:virginia.jameson@conservation.ca.gov">virginia.jameson@conservation.ca.gov</a></p> <p>Other: <a href="mailto:cfcf@conservation.ca.gov">cfcf@conservation.ca.gov</a></p> <p>Website: <a href="https://www.conservation.ca.gov/dlrp/grant-programs/cfcf">https://www.conservation.ca.gov/dlrp/grant-programs/cfcf</a></p>

<b>Transformative Climate Communities Program (Implementation Grants)</b>	<p>Purpose: TCC aims to empower communities most impacted by pollution to choose their own goals, strategies, and projects to reduce greenhouse gas emissions and local air pollution in pursuit of data-driven milestones and measurable outcomes. The Program funds development and infrastructure projects at the neighborhood level to achieve major environmental, health, and economic benefits in California's most disadvantaged communities.</p> <p>Summary: The TCC is a California Climate Investment (CCI) program administered by the Strategic Growth Council (SGC) in partnership with the Department of Conservation (DOC) and other partnering State agencies. TCC empowers communities most impacted by pollution to choose their own goals, strategies, and projects to reduce greenhouse gas emissions and local air pollution in pursuit of data-driven milestones and measurable outcomes. The Program funds development and infrastructure projects at the neighborhood level to achieve major environmental, health, and economic benefits in California's most disadvantaged communities.</p>	Grant	<p>Eligible Organizations: Stakeholders must form a Collaborative Stakeholder Structure. Eligible Lead Applicants: community-based organizations, local governments, nonprofit organizations, philanthropic organizations and foundations, faith-based organizations, coalitions or associations of nonprofits, community development finance institutions, community development corporations, joint powers authorities, tribal governments.</p> <p>Geographic Limitations: Project Area must be no larger than 5 square miles; at least 51% of the project area must overlap with Census Tracts within the top 10% of disadvantaged communities, per CalEnviroScreen 3.0. Project Area may not overlap with Project Areas from previous TCC Implementation Grant awards.</p> <p>Matching Funds Requirements: Match must equal a minimum of 50% of the total requested grant funds</p>	Greenhouse Gas Reduction Fund	<p>Minimum: N/A</p> <p>Maximum: \$28.2 million</p> <p>Amount Left to Award: \$56.4 million</p> <p>Potential Funding Awarded in Next 6 Months: \$56.4 million</p>	<p>Cycle Description: Application survey due November 18, 2019. Applications due February 28, 2020; awards anticipated April 2020</p> <p>Process: Applicants must fill out an application survey and indicate their interest in applying by November 18, 2019. Interested applicants must work with an SGC-selected technical assistance provider to complete their application materials. Applications must be submitted by February 28, 2020 and will be reviewed via a competitive process.</p>	<p>Virginia Jameson: virginia.jameson@conservation.ca.gov</p> <p>Other: tcc@sgc.ca.gov</p> <p>Website: <a href="https://www.conservation.ca.gov/dlrp/grant-programs/Pages/Transformative-Climate-Communities-Program.aspx">https://www.conservation.ca.gov/dlrp/grant-programs/Pages/Transformative-Climate-Communities-Program.aspx</a></p>
<b>Working Lands and Riparian Corridors Program Watershed Restoration Grants</b>	<p>Purpose: Watershed Restoration grants fund the restoration and enhancement of natural resources on agricultural lands and aim to improve climate adaptation and resilience by improving soil health, carbon sequestration, and habitat.</p> <p>Summary: Watershed Restoration grants fund the restoration and enhancement of natural resources on agricultural lands and aim to improve climate adaptation and resilience by improving soil health, carbon sequestration, and habitat.</p>	Grant	<p>Eligible Organizations: Resource conservation districts</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: Match must cover at least 25% of the total project cost. At least 40% of the match must be in cash. Match must come from at least two separate sources.</p>	Proposition 68	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: \$8.5 million</p> <p>Potential Funding Awarded in Next 6 Months: Up to \$8.5 million</p>	<p>Cycle Description: Solicitation opens January 2020; anticipate applications due April 2020</p> <p>Process: Full applications are anticipated to be submitted by April 2020 and will be reviewed against one another through a competitive process.</p>	<p>Virginia Jameson: virginia.jameson@conservation.ca.gov</p> <p>Other: rcd@conservation.ca.gov</p> <p>Website: <a href="https://www.conservation.ca.gov/dlrp/grant-programs/Pages/Working-Lands-and-Riparian-Corridors-Program.aspx">https://www.conservation.ca.gov/dlrp/grant-programs/Pages/Working-Lands-and-Riparian-Corridors-Program.aspx</a></p>
<b>Regional Forest and Fire Capacity Program</b>	<p>Purpose: Regional Forest and Fire Capacity grants provide funding to eight block grantees who will work within their regions to increase capacity, develop Regional Priority Plans, prioritize and plan projects, and implementation demonstration projects.</p> <p>Summary: The goal of the Regional Forest and Fire Capacity Grant Program is to increase regional capacity to prioritize, develop and implement projects that improve forest health and fire resilience.</p>	Grant	<p>Eligible Organizations: non-competitive grants to State Agencies, non-profit organizations, and local governments</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: None</p>	Greenhouse Gas Reduction Fund	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: \$0</p> <p>Potential Funding Awarded in Next 6 Months: \$0</p>	<p>Cycle Description: Applications were awarded in April 2019.</p> <p>Process: Full Application</p>	<p>Paula Mooren: paula.mooren@conservation.ca.gov</p> <p>Other: N/A</p> <p>Website: <a href="https://www.conservation.ca.gov/dlrp/grant-programs/Pages/Regional-Forest-and-Fire-Capacity-Program.aspx">https://www.conservation.ca.gov/dlrp/grant-programs/Pages/Regional-Forest-and-Fire-Capacity-Program.aspx</a></p>
<b>RCD Financial Assistance Program</b>	<p>Purpose: The program will provide capacity building grants to Resource Conservation Districts.</p> <p>Summary: Financial Assistance Program funding will help RCDs become more relevant, excellent, and visible by building capacity. Capacity building is an investment in the effectiveness and future sustainability of an organization. While this funding is an initial investment in RCD capacity, the growth, effectiveness and sustainability of an RCD is ultimately the responsibility of the organization.</p>	Grant	<p>Eligible Organizations: Resource Conservation Districts that are able to comply with CA Public Resources Code Section 9084 requirements.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: 25% of which 40% must be in cash.</p>	State General Fund	<p>Minimum: TBD</p> <p>Maximum: \$27,000</p> <p>Amount Left to Award: \$135,000</p> <p>Potential Funding Awarded in Next 6 Months: 135000</p>	<p>Cycle Description: Anticipate solicitation in January/February 2020</p> <p>Process: Full Application</p>	<p>Paula Mooren: paula.mooren@conservation.ca.gov</p> <p>Other: N/A</p> <p>Website: <a href="http://www.conservation.ca.gov/DLRP/RCD">www.conservation.ca.gov/DLRP/RCD</a></p>

<b>2020 Sustainable Groundwater Management Watershed Coordinator Grants</b>	<p>Purpose: The purpose of the Sustainable Groundwater Management Watershed Coordinator Grant Program is to fund watershed coordinators to support implementation of groundwater sustainability plans consistent with Proposition 50 water bond funding.</p> <p>Summary: The 2020 Sustainable Groundwater Management Watershed Coordinator Grant Program will facilitate the development and implementation of watershed improvement plans consistent with Proposition 50 water bond funding requirements and support implementation of related groundwater sustainability plans developed pursuant to the State's Sustainable Groundwater Management Act.</p>	Grant	<p>Eligible Organizations: Eligible applicants are local entities as follows: (1) special districts; (2) nonprofit groups (with tax exempt 501(c)(3) status); (3) local governments; (4) federally recognized California Native American tribes; (5) non-federally recognized California Native American tribes; and (5) Groundwater Sustainability Agencies.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: Match is encouraged but not required.</p>	Water Security, Clean Drinking Water, Coastal and Beach Protection Act of 2002 (Proposition 50)	<p>Minimum: N/A</p> <p>Maximum: TBD</p> <p>Amount Left to Award: \$1.54 million</p> <p>Potential Funding Awarded in Next 6 Months: Up to \$1.54 million</p>	<p>Cycle Description: Anticipate solicitation in April/May 2020</p> <p>Process: Full Application</p>	<p>Paula Mooren: paula.mooren@conservation.ca.gov</p> <p>Other: N/A</p> <p>Website: <a href="https://www.conservation.ca.gov/dlrp/grant-programs/watershed">https://www.conservation.ca.gov/dlrp/grant-programs/watershed</a></p>
<b>2019 Forest Health Watershed Coordinator Grants</b>	<p>Purpose: The purpose of the Forest Health Watershed Coordinator Grants is to fund watershed coordinator that support collaborative watershed improvement efforts to restore forest health and resilience.</p> <p>Summary: The principal goal of the Watershed Coordinator Program is to improve watershed health by providing support for local, collaborative watershed improvement efforts. The Forest Health Watershed Coordinator Grant Program aims to restore health and resilience to forests at the watershed scale for multiple benefits, including water quality</p>	Grant	<p>Eligible Organizations: Eligible applicants are local entities as follows: (1) special districts; (2) nonprofit groups (tax exempt 501(c)(3)); (3) local governments; and (4) tribal governments, located within one of the two watershed coordinator zones. The program is not open to federal or state agencies. The applicant's proposal must be located within one of the watershed coordinator zones and must demonstrate collaboration with relevant federal, state, and local agencies, as well as other stakeholder groups (e.g., California Native American tribes, non-governmental organizations, and community members). However, the proposal must designate a single, eligible entity as the primary applicant.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: None</p>	California Environmental License Plate Fund	<p>Minimum: N/A</p> <p>Maximum: \$1.89 million; Eight (8) grants of up to \$235,000 each</p> <p>Amount Left to Award: \$1.89 million; Eight (8) grants of up to \$235,000 each</p> <p>Potential Funding Awarded in Next 6 Months: Awarded \$1.89 million</p>	<p>Cycle Description: Applications due February 15, 2019; awards anticipated March 1, 2019</p> <p>Process: Full Application</p>	<p>Paula Mooren: paula.mooren@conservation.ca.gov</p> <p>Other: N/A</p> <p>Website: <a href="https://www.conservation.ca.gov/dlrp/grant-programs/watershed">https://www.conservation.ca.gov/dlrp/grant-programs/watershed</a></p>
<b>California Department of Fire and Forestry Protection</b>							
<b>Fire Prevention -- California Climate Investments</b>	<p>Purpose: The purpose of the California Climate Investments (CCI) Fire Prevention Grant Program, CAL FIRE aims to reduce the risk of wildland fires to habitable structures and communities, while maximizing carbon sequestration in healthy wildland habitat and minimizing the uncontrolled release of emissions emitted by wildfires.</p> <p>Summary: Qualifying projects and activities include those related to hazardous fuel reduction and removal of dead, dying, or diseased trees; fire prevention planning; and fire prevention education.</p>	Grant	<p>Eligible Organizations: Fire districts, community services districts, water districts, special districts, and Local government near or adjacent to SRA, certified local conservation corps, fire safe councils, or other 501c3 nonprofit organizations.</p> <p>Geographic Limitations: Projects that provide benefits to habitable structures in the State Responsibility Area (SRA). Non-SRA lands may be included within project boundaries, but project activities must provide a benefit to SRA.</p> <p>Matching Funds Requirements: Not required but the existence of matching funds is a positive evaluation factor.</p>	California Climate Investments (CCI) - Greenhouse Gas Reduction Funds	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: TBD</p> <p>Potential Funding Awarded in Next 6 Months: 19-20: Up to \$46.7 million</p>	<p>Cycle Description: 20-21: Solicitation is expected Summer/Fall 2020</p> <p>Process: Full Application</p>	<p>Natalie Burke: Natalie.Burke@fire.ca.gov</p> <p>Other: FPGGrants@fire.ca.gov</p> <p>Website: <a href="https://www.fire.ca.gov/grants/fire-prevention-grants/">https://www.fire.ca.gov/grants/fire-prevention-grants/</a></p>
<b>Forest Legacy Program (FLP)</b>	<p>Purpose: The purpose of the Forest Legacy Program is to protect environmentally important forest land threatened with conversion to non-forest uses.</p> <p>Summary: Program funds conservation easements and/or land acquisition. Protection of forest through this program ensures California's forests continue to provide such benefits as sustainable timber production, wildlife habitat, recreation opportunities, watershed protection and open space. Intact forests also contribute significantly to the storage of carbon, and protection helps to avoid conversion to non-forest uses that would result in greenhouse gas emissions.</p>	Grant	<p>Eligible Organizations: Landowners of working forest and rangelands, where the Propositionerity is managed for the production of forest products and traditional forest uses are maintained.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: Not required but the existence of matching funds is a positive evaluation factor.</p>	<p>State program: California Climate Investments (CCI) - Greenhouse Gas Reduction Funds</p> <p>Federal program: Land and Water Conservation Fund</p>	<p>Minimum: TBD</p> <p>Maximum: TBD</p> <p>Amount Left to Award: TBD</p> <p>Potential Funding Awarded in Next 6 Months: 19-20: \$7 million</p>	<p>Cycle Description: 20-21: Solicitation is expected Summer/Fall 2020</p> <p>Federal program: Applications are due date by 4:00 PM on June 30 of each year.</p> <p>Process: Full Application</p>	<p>Brook Darley: Brook.Darley@fire.ca.gov</p> <p>Other: ForestLegacy@fire.ca.gov</p> <p>Website: <a href="https://www.fire.ca.gov/grants/forest-legacy/">https://www.fire.ca.gov/grants/forest-legacy/</a></p>

<b>California Forest Improvement Program (CFIP)</b>	<p>Purpose: California Forest Improvement Program (CFIP) program encourages private and public investment in, and improved management of, California forest lands and resources. This focus of CFIP is to ensure adequate high quality timber supplies, related employment and other economic benefits, and the protection, maintenance, and enhancement of a productive and stable forest resource system for the benefit of present and future generations.</p> <p>Summary: Cost-shared activities include management planning, site preparation, tree purchase and planting, timber stand improvement, fish and wildlife habitat improvement, and land conservation practices.</p>	Grant (cost share)	<p>Eligible Organizations: Private and public ownerships containing 20 to 5,000 acres of forest land.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: 10-25%</p>	High Speed Rail Authority (HSR), Federal Funds, California Climate Investments (CCI) - Greenhouse Gas Reduction Funds, Proposition 68	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: TBD</p> <p>Potential Funding Awarded in Next 6 Months: 19-20: \$6 million</p>	<p>Cycle Description: Applications are due prior to the following dates.</p> <p>February 28, 2020 May 30, 2020 August 30, 2020</p> <p>Process: Full Application</p>	<p>Dale Meese: Dale.Meese@fire.ca.gov</p> <p>Other: N/A</p> <p>Website: <a href="https://www.fire.ca.gov/grants/california-forest-improvement-program-cfip/">https://www.fire.ca.gov/grants/california-forest-improvement-program-cfip/</a></p>
<b>Urban and Community Forestry</b>	<p>Purpose: Through the California Climate Investments (CCI) Urban &amp; Community Forestry Grant Program, CAL FIRE works to optimize the benefits of trees and related vegetation through multiple-objective projects as specified in the California Urban Forestry Act of 1978 (Public Resources Code 4799.06-4799.12). These projects further the goals of the California Global Warming Solutions Act of 2006 (AB 32), result in a net greenhouse gas benefit, and provide environmental services and cost-effective solutions to the needs of urban communities and local agencies. Co-benefits of the projects include increased water supply, clean air and water, reduced energy use, flood and storm water management, recreation, urban revitalization, improved public health, and producing useful products such as bio-fuel, clean energy, and high quality wood.</p> <p>Summary: The mission of the California Department of Forestry and Fire Protection's Urban Forestry Program is to lead the effort to advance the development of sustainable urban and community forests in California. Trees provide energy conservation, reduction of storm-water runoff, extend the life of surface streets, improve local air, soil and water quality, reduce atmospheric carbon dioxide, improve public health, provide wildlife habitat and increase Propositionerty values.</p>	Grant	<p>Eligible Organizations: Census-defined urban areas, cities, counties, districts, 501(c)(3) nonprofits.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: 25%. Projects that meet the criteria for being or benefitting a disadvantaged community or a low-income community will be eligible to have their cost share requirement reduced or waived by CAL FIRE.</p>	California Climate Investments (CCI) - Greenhouse Gas Reduction Funds	<p>Minimum: \$150,000</p> <p>Maximum: \$1.5 million</p> <p>Amount Left to Award: TBD</p> <p>Potential Funding Awarded in Next 6 Months: 19-20: \$18.5 million</p>	<p>Cycle Description: 20-21: Fall 2020</p> <p>Process: Concept Proposal. Successful concept Proposals will be invited to submit a full application.</p>	<p>John Melvin: John.Melvin@fire.ca.gov</p> <p>Other: N/A</p> <p>Website: <a href="https://www.fire.ca.gov/grants/urban-and-community-forestry-grant-programs/">https://www.fire.ca.gov/grants/urban-and-community-forestry-grant-programs/</a></p>
<b>Forest Health -- California Climate Investments</b>	<p>Purpose: Through the California Climate Investments (CCI) Forest Health Grant Program, CAL FIRE funds projects that proactively restore forest health to reduce greenhouse gases, protect upper watersheds where the state's water supply originates, promote the long-term storage of carbon in forest trees and soils, minimize the loss of forest carbon from large, intense wildfires, and further the goals of the California Global Warming Solutions Act of 2006 (AB 32).</p> <p>Summary: The emphasis of the Forest Health Program is to increase the carbon stored in living trees and protect forests, fish and wildlife habitats, native plant species and water. This requires preventing epidemic tree mortality, protecting water quality in upper watersheds, and creating forests consisting of optimally spaced trees that are resilient to disturbances such as wildfire and tree mortality. Forests with these attributes will be able to store carbon for long time periods with a lower risk of loss to wildfire or insects and disease.</p>	Grant	<p>Eligible Organizations: Local, state, and federal agencies including federal and state land management agencies, Native American tribes, private forest landowners, resource conservation districts, fire safe councils, land trusts, landowner organizations, conservation groups, and 501(c) non-profit organizations.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: Not required but the existence of matching funds is a positive evaluation factor.</p>	California Climate Investments (CCI) - Greenhouse Gas Reduction Funds	<p>Minimum: \$750,000</p> <p>Maximum: \$5 million</p> <p>Amount Left to Award: TBD</p> <p>Potential Funding Awarded in Next 6 Months: 19-20: up to \$46.7 million</p>	<p>Cycle Description: 20-21: Solicitation is expected Summer/Fall 2020</p> <p>Process: Full Application</p>	<p>Kristen Merrill: Kristen.Merrill@fire.ca.gov</p> <p>Other: ForestHealth@fire.ca.gov</p> <p>Website: <a href="https://www.fire.ca.gov/grants/forest-health-grants/">https://www.fire.ca.gov/grants/forest-health-grants/</a></p>

Program Name	Program Overview	Type	Applicant Eligibility and Requirements	Funding Source	Funding Award Amounts	Application Details	Program Contact Information
<b>Forest Health Research -- California Climate Investments</b>	<p>Purpose: The intent of the Forest Health Research Program is to identify outstanding scientific and management questions, prioritize research needs, and fund sound scientific studies that support knowledge and decision making for forest landowners, resource agencies, and fire management organizations in California, and to further the goals of the California Forest Carbon Plan, California Climate Investments, and AB 32 Global Warming Solutions Act.</p> <p>Summary: The Forest Health Research Program funds projects focused on topics identified as priorities for study in the grant guidelines and subject to change annually. Research should be focused on and relevant to California ecosystems and their management. Past priority topics have included: implementation, effectiveness and impacts of significantly increased pace and scale of fuel reduction, prescribed fire and other forest health treatments; utilization of forest residues and forest products related to fuel reduction and forest health treatments; wildfire mechanics, spread and associated impacts in wildland-urban interface landscapes; wildfire impacts, recovery and resilience in an altered future climate; and natural, historical and contemporary range of variation in fire regimes and wildfire-related greenhouse gas emissions. Projects are awarded in four categories: General, State Forests, Graduate Student, and Synthesis/Tool Development. Funding allocations to these categories is subject to annual revision.</p>	Grant	<p>Eligible Organizations: Academic institutions, including faculty, staff, and graduate students; Local, state, and federal agencies including federal, state and local land management agencies; Native American tribes; private forest landowners; resource conservation districts; fire safe councils; land trusts; landowner organizations; conservation groups; and non-profit organizations.</p> <p>Geographic Limitations: Research projects must be focused on and relevant to California forests and other ecosystems and their management. A significant portion of the geographic area Propositioned for study must be contained within California. Study areas may include land in adjacent US states, but should be contiguous with and representative of study areas within California. If additional Propositioned study areas are outside of California and discontinuous with study areas within California, ample justification must be provided as to why these areas should be included, and how they support project research questions and hypotheses relevant to California ecosystems. Study areas may not be located outside the United States.</p> <p>Matching Funds Requirements: Not required but the existence of matching funds is a</p>	California Climate Investments (CCI) - Greenhouse Gas Reduction Funds	<p>Minimum: N/A</p> <p>Maximum: \$50,000 to \$500,000 depending on Research Project Type</p> <p>Amount Left to Award: TBD</p> <p>Potential Funding Awarded in Next 6 Months: 19-20: up to \$2 million</p>	<p>Cycle Description: 20-21: Solicitation is expected Summer/Fall 2020</p> <p>Process: Full Application</p>	<p>Tadashi Moody: Tadashi.Moody@fire.ca.gov</p> <p>Other: FHResearch@fire.ca.gov</p> <p>Website: <a href="https://www.fire.ca.gov/grants/forest-health-grants/">https://www.fire.ca.gov/grants/forest-health-grants/</a></p>
<b>Volunteer Fire Assistance (VFA)</b>	<p>Purpose: The VFA grant program provides federal financial assistance to volunteer fire departments to organize, train and equip local forces in rural areas and communities to prevent, control and suppress fires threatening life, resources and other improvement.</p> <p>Summary: Propositioned projects should be compatible with existing projection of state, county, and local areas. Projects funded include wildland firefighter safety clothing and equipment towards NFPA 1977 compliance, training of local fire forces in both wildfire and structural fire techniques, and communications for alarm systems and dispatch capabilities.</p>	Grant (cost share) with applicants responsible for 50% of the project cost	<p>Eligible Organizations: A single or area fire department, a single county or town, or a single community serving a rural area.</p> <p>Geographic Limitations: Communities with a population under 10,000 however groups of smaller communities (at least one being 10,000 people or less) may join together in a combined effort to service more than 10,000 people.</p> <p>Matching Funds Requirements: 50%</p>	Federal	<p>Minimum: \$500</p> <p>Maximum: \$20,000</p> <p>Amount Left to Award: Amount is subject to annual federal grant funds received. Historically has been approximately \$1 million.</p> <p>Potential Funding Awarded in Next 6 Months: Amount is subject to annual federal grant funds received. Historically has been approximately \$1 million.</p>	<p>Cycle Description: Spring 2020</p> <p>Process: Full Application</p>	<p>Megan Esfandiary: Megan.Esfandiary@fire.ca.gov</p> <p>Other: CALFIRE.Grants@fire.ca.gov</p> <p>Website: <a href="https://www.fire.ca.gov/programs/fire-protection/cooperative-efforts/">https://www.fire.ca.gov/programs/fire-protection/cooperative-efforts/</a></p>
<b>California Department of Fish and Wildlife</b>							
<b>Fisheries Restoration Grants Program</b>	<p>Purpose: To fund ecological restoration projects that restore degraded ecosystems to benefit salmon and steelhead recovery.</p> <p>Summary: The Program supports grants restoring anadromous salmon and steelhead habitat in coastal streams and watersheds from San Diego to Del Norte counties. Grants target projects that will directly contribute to the restoration and recovery of salmon and steelhead trout. The program supports a wide array of project types, including riparian and stream restoration, sediment reduction, fish passage improvement, technical and public education, water conservation and organizational support.</p>	Grant	<p>Eligible Organizations: Public agencies, Native American tribes, and nonprofit organizations</p> <p>Geographic Limitations: California coastal watersheds and the Central Valley.</p> <p>Matching Funds Requirements: None</p>	Federal grant funds (Pacific Coast Salmon Recovery Fund) and state funds (Timber Regulation and Forest Restoration Fund)	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Amount of funds available each year depends on federal grant funds received and state funds available. Funds are awarded in a competitive Proposal process.</p> <p>Potential Funding Awarded in Next 6 Months: \$0</p> <p>Annual award, about December.</p>	<p>Cycle Description: Starts in March and ends in April or May</p> <p>Process: Full Application</p>	<p>Tim Chorey: tim.chorey@wildlife.ca.gov</p> <p>Other: FRGP@wildlife.ca.gov</p> <p>Website: <a href="https://wildlife.ca.gov/Grants/FRGP">https://wildlife.ca.gov/Grants/FRGP</a></p>
<b>Proposition 1 Watershed Restoration Grant Program</b>	<p>Purpose: To fund multi-benefit ecosystem and watershed protection and restoration projects.</p> <p>Summary: The Water Quality, Supply, and Infrastructure Improvement Act of 2014 (Proposition 1) provides funding to implement the three broad objectives of the California Water Action Plan: more reliable water supplies, the restoration of important species and habitat, and a more resilient, sustainably managed water resources system (e.g., water supply, water quality, flood protection, environment) that can better withstand inevitable and unforeseen pressures in the coming decades. The Watershed Restoration Grant Program funds water quality, river, and watershed protection and restoration projects of statewide importance outside of the Delta.</p>	Grant	<p>Eligible Organizations: California public agencies (including public California universities), nonprofit organizations registered in California, public utilities, federally recognized Indian tribes, State Indian tribes listed on the Native American Heritage Commission's California Tribal Consultation List, and mutual water companies (California Water Code §79712[a])</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: None</p>	Proposition 1	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Approximately \$96 million</p> <p>Potential Funding Awarded in Next 6 Months: \$24 million</p>	<p>Cycle Description: Application period closed in November 2019. Another application cycle expected in 2020.</p> <p>Process: Full Application</p>	<p>Vicki Lake: vicki.lake@wildlife.ca.gov</p> <p>Other: WatershedGrants@wildlife.ca.gov</p> <p>Website: <a href="https://www.wildlife.ca.gov/Conservation/Watersheds/Restoration-Grants">https://www.wildlife.ca.gov/Conservation/Watersheds/Restoration-Grants</a></p>

<b>Proposition 68 Habitat Restoration and Protection</b>	<p>Purpose: To restore rivers and streams in support of fisheries and wildlife. At least 1/5th of the funding is designated for the Klamath-Trinity watershed for the benefit of salmon and steelhead.</p> <p>Summary: The California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018 (Proposition 68) provides funding to restore rivers and streams in support of fisheries and wildlife, including, but not limited to, reconnection of rivers with their flood plains, riparian and side-channel habitat restoration and restoration and protection of upper watershed forests and meadow systems that are important for fish and wildlife resources. At least \$5 million shall be available for restoration projects in the Klamath-Trinity watershed for the benefit of salmon and steelhead.</p>	Grant	<p>Eligible Organizations: Public agencies, recognized Native American tribes, and nonprofit organizations.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: None</p>	Proposition 68	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Approximately \$21 million</p> <p>Potential Funding Awarded in Next 6 Months: \$6 million</p>	<p>Cycle Description: Application period closed in November 2019. Another application cycle expected in 2023.</p> <p>Process: Full Application</p>	<p>Vicki Lake: vicki.lake@wildlife.ca.gov</p> <p>Other: WatershedGrants@wildlife.ca.gov</p> <p>Website: <a href="https://www.wildlife.ca.gov/Conservation/Watersheds/Restoration-Grants">https://www.wildlife.ca.gov/Conservation/Watersheds/Restoration-Grants</a></p>
<b>Proposition 68 Southern California Steelhead Habitat</b>	<p>Purpose: Prioritizes projects that remove significant barriers to steelhead migration and include other habitat restoration and associated infrastructure improvements.</p> <p>Summary: The California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018 (Proposition 68) provides funding for projects that restore Southern California Steelhead habitat consistent with the Department of Fish and Wildlife's Steelhead Restoration and Management Plan and the National Marine Fisheries Service's Southern California Steelhead Recovery Plan. Projects that remove significant barriers to steelhead migration and include other habitat restoration and associated infrastructure improvements shall be the highest priority.</p>	Grant	<p>Eligible Organizations: Public agencies, recognized Native American tribes, and nonprofit organizations.</p> <p>Geographic Limitations: Southern California</p> <p>Matching Funds Requirements: None</p>	Proposition 68	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Approximately \$21 million</p> <p>Potential Funding Awarded in Next 6 Months: \$0</p>	<p>Cycle Description: TBD</p> <p>Process: Full Application</p>	<p>Vicki Lake: vicki.lake@wildlife.ca.gov</p> <p>Other: WatershedGrants@wildlife.ca.gov</p> <p>Website: <a href="https://www.wildlife.ca.gov/Conservation/Watersheds/Restoration-Grants">https://www.wildlife.ca.gov/Conservation/Watersheds/Restoration-Grants</a></p>
<b>Proposition 68 Improve Conditions for Fish and Wildlife</b>	<p>Purpose: To improve conditions for fish and wildlife in streams, rivers, wildlife refuges, wetland habitat areas, and estuaries.</p> <p>Summary: The California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018 (Proposition 68) provides funding for projects that improve conditions for fish and wildlife in streams, rivers, wildlife refuges, wetland habitat areas, and estuaries.</p> <p>Eligible projects include acquisition of water and land that includes water rights or contractual rights to water, short- or long-term water transfers or leases, provision of water for fish and wildlife, or improvement of aquatic or riparian habitat conditions. In implementing this section, the Department of Fish and Wildlife may also provide grants under the Fisheries Restoration Grant Program with priority given to coastal waters.</p>	Grant	<p>Eligible Organizations: Public agencies, recognized Native American tribes, and nonprofit organizations.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: None</p>	Proposition 68	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Approximately \$25 million</p> <p>Potential Funding Awarded in Next 6 Months: 0</p>	<p>Cycle Description: TBD</p> <p>Process: Full Application</p>	<p>Vicki Lake: vicki.lake@wildlife.ca.gov</p> <p>Other: WatershedGrants@wildlife.ca.gov</p> <p>Website: <a href="https://www.wildlife.ca.gov/Conservation/Watersheds/Restoration-Grants">https://www.wildlife.ca.gov/Conservation/Watersheds/Restoration-Grants</a></p>
<b>Wetlands Restoration for Greenhouse Gas Reduction Grant Program</b>	<p>Purpose: Funds restoration or enhancement of wetlands and watershed to reduce greenhouse emissions and provide co-benefits.</p> <p>Summary: This program supports projects that provide greenhouse gas benefits while providing co-benefits such as enhancing fish and wildlife habitat, protecting and improving water quality and quantity, and helping California adapt to climate change. The program is focused on GHG emission reduction through restoration or enhancement of Delta and coastal wetlands and mountain meadow habitat.</p>	Grant	<p>Eligible Organizations: Public agencies, recognized Native American tribes, and nonprofit organizations.</p> <p>Geographic Limitations: Projects are limited to: (1) Coastal wetlands (2) Inland seasonal wetlands (3) Sacramento-San Joaquin Delta wetlands (4) Mountain meadows</p> <p>Matching Funds Requirements: Not required. Applicants with matching funds gets extra score during project evaluation.</p>	Greenhouse Gas Reduction Fund	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Approximately \$1.5 million</p> <p>Potential Funding Awarded in Next 6 Months: TBD, annual award, dependent on annual budget appropriation.</p>	<p>Cycle Description: TBD</p> <p>Process: Both. Concept then full application.</p>	<p>Basil Ibewiro: basil.ibewiro@wildlife.ca.gov</p> <p>Other: WatershedGrants@wildlife.ca.gov</p> <p>Website: <a href="https://wildlife.ca.gov/Conservation/Watersheds/Greenhouse-Gas-Reduction">https://wildlife.ca.gov/Conservation/Watersheds/Greenhouse-Gas-Reduction</a></p>

<b>Response Equipment Grant Program (REGP)</b>	<p>Purpose: The mission of the Local Oil Spill Response Equipment Grant Program is to provide funding to Native American tribal governments, counties, cities, and special districts in order to pre-position response equipment to protect their economic resources in the event of an oil spill. OSPR is currently accepting grant applications from jurisdictions throughout California.</p> <p>Summary: The Response Equipment Grant Program (REGP) is administered by the California Department of Fish and Wildlife's Office of Spill Prevention and Response. The objective of this grant program is to award grants to any local government, tribes, cities, counties, fire departments and port districts, within or immediately adjacent to waters of the state, to pre-position (pre-stage) oil spill response equipment to protect their local communities and economic resources.</p>	Grant	<p>Eligible Organizations: Local public agencies or tribes in the State of California, including cities, counties, tribal nations, fire departments, port districts, public utility districts, and emergency management departments.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: None</p>	Oil Response Trust Fund, which receives funding per Section 8670.34 of the Government Code.	<p>Minimum: N/A</p> <p>Maximum: Maximum award \$35,000</p> <p>Amount Left to Award: \$350,000</p> <p>Potential Funding Awarded in Next 6 Months: Awarded in next 6 months: \$350,000. Future grants are based on available funding.</p>	<p>Cycle Description: Ongoing</p> <p>Process: Full application / site visit</p>	<p>Cindy Murphy: Cindy.Murphy@wildlife.ca.gov</p> <p>Other: N/A</p> <p>Website: <a href="https://wildlife.ca.gov/OSPR/Local-Government-Outreach">https://wildlife.ca.gov/OSPR/Local-Government-Outreach</a></p>
<b>California Oil Spill Study and Evaluation Program (COSSEP)</b>	<p>Purpose: Purpose is mandated legislatively. Please see program summary in next section.</p> <p>Summary: The California Oil Spill Study and Evaluation Program (COSSEP) provides a mechanism for investigating, evaluating, and improving applied Oil Spill Prevention and Response (OSPR) programs, best achievable technologies, and our knowledge of the adverse effects of oil spills in the marine environment. The goals of COSSEP are authorized in the Government Code § 8670.12. The program also supports scientific and technical studies that will enhance oiled wildlife rehabilitation and the department's natural resource damage assessments.</p>	Contracts	<p>Eligible Organizations: Any person or entity that qualifies to contract with the State of California may be awarded funding to perform work for COSSEP</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: None</p>	Oil Spill Prevention and Administration Fund (Fund 0320)	<p>Minimum: \$23,000</p> <p>Maximum: Estimated to be up to \$100,000 or \$200,000</p> <p>Amount Left to Award: Next funding cycle likely to be FY 20/21</p> <p>Potential Funding Awarded in Next 6 Months: Up to \$100,000</p>	<p>Cycle Description: October 1 of 2019 to November 30, 2019.</p> <p>Process: Proposal</p>	<p>Bryand Duke: bryand.duke@wildlife.ca.gov</p> <p>Other: N/A</p> <p>Website: <a href="https://wildlife.ca.gov/OSPR/Science/SSEP">https://wildlife.ca.gov/OSPR/Science/SSEP</a></p>
<b>Environmental Enhancement Fund (EEF)</b>	<p>Purpose: Award grants to support environmental enhancement projects located within or immediately adjacent to waters of the state.</p> <p>Summary: The Environmental Enhancement Fund (EEF) grant program is administered by the California Department of Fish and Wildlife's Office of Spill Prevention and Response. The objective of this grant program is to award grants to nonprofit organizations, cities, counties, cities and counties, districts, state agencies, and departments; and, to the extent permitted by federal law, to federal agencies to support environmental enhancement projects located within or immediately adjacent to waters of the state. An enhancement project is a project that acquires habitat for preservation, or improves habitat quality and ecosystem function above baseline conditions, and that meets all of the following requirements: Is located within or immediately adjacent to waters of the state, as defined in California Government Code (Section 8670.3); Has measurable outcomes within a predetermined timeframe; Is designed to acquire, restore, or improve habitat or restore ecosystem function, or both, to benefit fish and wildlife.</p>	Grant	<p>Eligible Organizations: Nonprofit organizations, cities, counties, cities and counties, districts, state agencies, and departments; and, to the extent permitted by federal law, federal agencies</p> <p>Geographic Limitations: Located within or immediately adjacent to waters of the state, as defined in California Government Code (of Section 8670.3)</p> <p>Matching Funds Requirements: None</p>	The Environmental Enhancement Fund, which receives penalty funds per Section 8670.70 of the Government Code.	<p>Minimum: N/A</p> <p>Maximum: \$600,000</p> <p>Amount Left to Award: \$0</p> <p>Potential Funding Awarded in Next 6 Months: \$0</p>	<p>Cycle Description: Applications are not currently being accepted. The next solicitation for Proposals will be announced.</p> <p>Process: Full Application</p>	<p>Daniel Orr: daniel.orr@wildlife.ca.gov</p> <p>Other: N/A</p> <p>Website: <a href="https://wildlife.ca.gov/OSPR/Science/Environmental-Enhancement-Fund">https://wildlife.ca.gov/OSPR/Science/Environmental-Enhancement-Fund</a></p>
<b>California Department of Food and Agriculture</b>							
<b>State Water Efficiency and Enhancement Program</b>	<p>Purpose: The program's objective is to provide financial incentives for California agricultural operations to invest in irrigation systems that save water and reduce GHG emissions.</p> <p>Summary: The State Water Efficiency and Enhancement Program (SWEET) provides financial assistance in the form of grants to implement irrigation systems that reduce greenhouse gases and save water on California agricultural operations. Eligible system components include (among others) soil moisture monitoring, drip systems, switching to low pressure irrigation systems, pump retrofits, variable frequency drives and installation of renewable energy to reduce on-farm water use and energy.</p>	Grant	<p>Eligible Organizations: California farmers, ranchers and Federal and California Recognized Native American Indian Tribes are eligible to apply</p> <p>Geographic Limitations: California</p> <p>Matching Funds Requirements: Not Required</p>	California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018	<p>Minimum: N/A</p> <p>Maximum: \$100,000</p> <p>Amount Left to Award: Approximately \$7 million</p> <p>Potential Funding Awarded in Next 6 Months: Approximately \$7 million</p>	<p>Cycle Description: 10/21/2019-12/16/2019</p> <p>Process: N/A</p>	<p>Carolyn Cook : carolyn.cook@cdfa.ca.gov</p> <p>Other: cdfa.sweep@cdfa.ca.gov</p> <p>Website: <a href="http://www.cdfa.ca.gov/oei/sweep">www.cdfa.ca.gov/oei/sweep</a></p>

<b>DBW Local Assistance Floating Restroom Grant Program</b>	<p>Purpose: Provide resources for keeping boater sewage from lakes and reservoirs</p> <p>Summary: The Floating Restroom Grant Program provides floating restroom units to lakes and reservoirs across California. The Division of Boating and Waterways (DBW) procures, delivers, and grants the DBW-designed and developed floating restroom to the recipient. The grant recipient then places the floating restrooms at on-water locations convenient to boaters and maintains the units for a minimum of 10 years. The Clean Vessel Act grant program also offers maintenance and rehabilitation funds for the floating restrooms beyond the 10 year grant period.</p>	Grant	<p>Eligible Organizations: Local, State, and Federal governmental entities that operate inland lakes or reservoirs.</p> <p>Geographic Limitations: Inland Lakes and Reservoirs</p> <p>Matching Funds Requirements: Operation and Maintenance at no cost to the State for 10 years after deployment</p>	Combination of Harbors and Watercraft Revolving Fund and Federal Clean Vessel Act funds	<p>Minimum: N/A</p> <p>Maximum: Average grant for an ADA compliant floating restroom is approximately \$136,000</p> <p>Amount Left to Award: Annual Program - Future funding is dependent on Federal and State appropriations.</p> <p>Potential Funding Awarded in Next 6 Months: Funding for FY 2019/20 is approximately \$900,000</p>	<p>Cycle Description: Start: December, ends Jan. 21</p> <p>Process: Submit Application online through DBW's On Line Grant Application system</p>	<p>Deborah Holmes: <a href="mailto:deborah.holmes@parks.ca.gov">deborah.holmes@parks.ca.gov</a></p> <p>Other: <a href="mailto:pubinfo@parks.ca.gov">pubinfo@parks.ca.gov</a></p> <p>Website: <a href="https://dbw.parks.ca.gov/?page_id=29934">https://dbw.parks.ca.gov/?page_id=29934</a></p>
<b>DBW Local Assistance Pumpout/Dump Station Grant Program</b>	<p>Purpose: Provide resources for keeping boater sewage from California waterways</p> <p>Summary: The Pumpout Facility Grant Program funds the construction or operation and maintenance of pumpout and dump stations on California's waterways.</p>	Grant	<p>Eligible Organizations: Public and private marina owners</p> <p>Geographic Limitations: California waterways</p> <p>Matching Funds Requirements: 25% total project cost</p>	Federal Clean Vessel Act funds	<p>Minimum: N/A</p> <p>Maximum: Average grant for a pumpout/dump station is \$40,000</p> <p>Amount Left to Award: Annual Program - Future funding is dependent on Federal and State appropriations.</p> <p>Potential Funding Awarded in Next 6 Months: Funding for FY 2019/20 is approximately \$509,250</p>	<p>Cycle Description: Continuous</p> <p>Process: Submit Application online through DBW's On Line Grant Application system</p>	<p>Deborah Holmes: <a href="mailto:deborah.holmes@parks.ca.gov">deborah.holmes@parks.ca.gov</a></p> <p>Other: <a href="mailto:pubinfo@parks.ca.gov">pubinfo@parks.ca.gov</a></p> <p>Website: <a href="https://dbw.parks.ca.gov/?page_id=28820">https://dbw.parks.ca.gov/?page_id=28820</a></p>
<b>DBW Local Assistance Sewage Education and Outreach Grants</b>	<p>Purpose: Provide education and awareness about the proper disposal of boat sewage</p> <p>Summary: Provides education to promote public awareness about boat sewage, its proper disposal, as well as tracking and monitoring use of existing pumpout's, dump stations, and floating restrooms along California's waterways.</p>	Grant	<p>Eligible Organizations: Public or non-profit agencies</p> <p>Geographic Limitations: One grant award is available for northern California coast, another for southern California coast</p> <p>Matching Funds Requirements: 33% total project cost.</p>	Federal Clean Vessel Act funds	<p>Minimum: N/A</p> <p>Maximum: typical award is \$225,000</p> <p>Amount Left to Award: Annual Program - Future funding is dependent on Federal grant award.</p> <p>Potential Funding Awarded in Next 6 Months: Approximately \$550,000 for two awards</p>	<p>Cycle Description: approximately August through October each year</p> <p>Process: Application available at DBW's website: <a href="https://dbw.parks.ca.gov/?page_id=29109">https://dbw.parks.ca.gov/?page_id=29109</a></p>	<p>Vivian Matuk: <a href="mailto:Vivian.Matuk@coastal.ca.gov">Vivian.Matuk@coastal.ca.gov</a></p> <p>Other: <a href="mailto:pubinfo@parks.ca.gov">pubinfo@parks.ca.gov</a></p> <p>Website: <a href="https://dbw.parks.ca.gov/?page_id=29109">https://dbw.parks.ca.gov/?page_id=29109</a></p>

<b>DBW Local Assistance Quagga and Zebra Mussel Infestation Prevention Grant Program</b>	<p>Purpose: Provides funding for prevention plans and implementation activities that help protect California's reservoirs from a quagga and zebra (dreissenid) mussel infestation.</p> <p>Summary: DBW's Quagga and Zebra Mussel Infestation Prevention Grant Program (QZ Grant Program) provides funding for two tiers/two types of projects: 1) Planning and Assessment projects; and 2) Implementation projects. Examples of projects include: developing Prevention Plans, purchasing pressure washers/decontamination units, inspection programs including staffing, materials and supplies. DBW coordinates and collaborates with the California Department of Fish and Wildlife on many aspects of this program.</p>	Grant	<p>Eligible Organizations: Eligible applicants own or manage reservoirs, or manage some aspect of the water in the reservoir, that: 1) permit recreational activities; 2) are open to the public; and 3) are currently un-infested with the quagga or zebra (dreissenid) mussel.</p> <p>Geographic Limitations: Lakes and Reservoirs</p> <p>Matching Funds Requirements: Matching funds are not required for this grant program</p>	Funding originates from a fee which is a supplemental cost to the biennial boater registration collected through the DMV. Guiding statutes and regulations: Harbors & Navigation Code Sec. 675-677; Fish & Game Code Sec. 2302; Vehicle Code Sec. 9853, 9860, & 9863; & California Code of Regulations title 14, Sec. 5200-5307.	<p>Minimum: N/A</p> <p>Maximum: Grants for Tier 1: Planning and Assessment projects, maximum amount is \$200,000; Tier 2: Implementation projects, maximum amount: \$400,000</p> <p>Amount Left to Award: Annual Program - \$3.75 million is available for the next grant cycle, 2019/2020, kicking off in March 2020.</p> <p>Potential Funding Awarded in Next 6 Months: \$3.75 million is available for 2019/2020 QZ Grants.</p>	<p>Cycle Description: March 2020: application process is expected to be open for 6 weeks. DBW's QZ Program website will be updated with dates and other information: <a href="http://www.dbw.ca.gov/QZGrant">www.dbw.ca.gov/QZGrant</a> or <a href="https://dbw.parks.ca.gov/?page_id=28822">https://dbw.parks.ca.gov/?page_id=28822</a></p> <p>Process: Submit Application online through DBW's On Line Grant Application (OLGA) system</p>	<p>Cara Roderick: <a href="mailto:cara.roderick@parks.ca.gov">cara.roderick@parks.ca.gov</a></p> <p>Other: <a href="mailto:QZGrant@parks.ca.gov">QZGrant@parks.ca.gov</a></p> <p>Website: <a href="http://dbw.parks.ca.gov/QZGrant">http://dbw.parks.ca.gov/QZGrant</a> or <a href="https://dbw.parks.ca.gov/?page_id=28822">https://dbw.parks.ca.gov/?page_id=28822</a></p>
<b>National Boating Infrastructure Grant Program, administered by DBW</b>	<p>Purpose: Provides funding to improve or enhance infrastructure used by boaters of transient recreational vessels 26 feet or more in length.</p> <p>Summary: The Boating Infrastructure Grant program is designed to provide transient dockage and services for recreational boats 26 feet or more in length for recreational opportunities and safe harbors, as well as to: 1. enhance access to recreational, historic, cultural and scenic resources; 2. strengthen community ties to the water's edge and economic benefits; 3. promote public/private partnerships and entrepreneurial opportunities; 4. provide continuity of public access to the shore; and 5. promote awareness of transient boating opportunities.</p>	Grant	<p>Eligible Organizations: Local government agencies and private businesses</p> <p>Geographic Limitations: Waterways within California</p> <p>Matching Funds Requirements: 25% total project cost.</p>	Federal Sport Fish Restoration and Boating Trust Fund.	<p>Minimum: N/A</p> <p>Maximum: Tier I, up to \$200,000. Tier II, up to \$1.5 million</p> <p>Amount Left to Award: Annual Program - Future funding is dependent on Federal grant award.</p> <p>Potential Funding Awarded in Next 6 Months: Funding for FFY19 is yet to be determined.</p>	<p>Cycle Description: Between July and August each year, check DBW's website for exact dates</p> <p>Process: Submit paper application downloaded from DBW's website.</p>	<p>Deborah Holmes: <a href="mailto:deborah.holmes@parks.ca.gov">deborah.holmes@parks.ca.gov</a></p> <p>Other: <a href="mailto:Pubinfo@parks.ca.gov">Pubinfo@parks.ca.gov</a></p> <p>Website: <a href="https://dbw.parks.ca.gov/?page_id=28821">https://dbw.parks.ca.gov/?page_id=28821</a></p>
<b>DBW Local Assistance, Statewide Ramp Repair and Modification Grant Program</b>	<p>Purpose: Provide resources to local agencies for repairing or renovating public boating access facilities.</p> <p>Summary: The Statewide Ramp Repair and Modification Grant Program provides grant funding to public agencies to quickly restore safe and convenient public boating access by correcting public health and safety issues caused by unexpected damage due to flood, accidents, wildfires or by extending existing boat ramps as needed due to drought conditions at DBW-funded boat launching facilities. Typical grant-funded items include repairing or replacing boat ramps, boarding floats, restroom and parking facilities for vehicles with boat trailers.</p>	Grant	<p>Eligible Organizations: Public boat launching facilities that are owned/operated/maintained by local government agencies and previously funded by the Division of Boating and Waterways (DBW).</p> <p>Geographic Limitations: Waterways within California</p> <p>Matching Funds Requirements: None</p>	Harbors and Watercraft Revolving Fund	<p>Minimum: N/A</p> <p>Maximum: Maximum available is \$1.5 million statewide.</p> <p>Amount Left to Award: Annual Program - Future funding is dependent on State appropriations.</p> <p>Potential Funding Awarded in Next 6 Months: FY 2019/20 funding was \$1.5 million.</p>	<p>Cycle Description: Applications accepted on a continuous basis. Application deadline for FY 2020/21 is Feb 1, 2020</p> <p>Process: Submit Application online through DBW's On Line Grant Application system</p>	<p>Joe Dux: <a href="mailto:Joe.Dux@parks.ca.gov">Joe.Dux@parks.ca.gov</a></p> <p>Other: <a href="mailto:pubinfo@parks.ca.gov">pubinfo@parks.ca.gov</a></p> <p>Website: <a href="http://dbw.parks.ca.gov/?page_id=28818">http://dbw.parks.ca.gov/?page_id=28818</a></p>
<b>DBW Local Assistance Boat Launching Facility Grant Program</b>	<p>Purpose: Provide resources to local agencies for developing or improving public boat launching facility, primarily for motorized vessels.</p> <p>Summary: In accordance with Section 72.5 of the Harbors and Navigation Code, Boat Launching Facility (BLF) grants are provided to local government agencies for the construction or improvement of boat launching ramps, restrooms, boarding floats, shore protection, parking for vehicles and boat trailers, and ancillary items. Also included in the grant are monies to pay for engineering, construction inspection, permits from regulatory agencies, special studies, construction contingency, and other project related costs. The primary purpose of the grant is to provide and improve access to California's waterways by the recreational boating public using trailerable watercraft.</p>	Grant	<p>Eligible Organizations: Local government agencies including cities and counties; federal government; and special districts.</p> <p>Geographic Limitations: Waterways within California</p> <p>Matching Funds Requirements: None</p>	Harbors and Watercraft Revolving Fund	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Annual Program - Future funding is dependent on State appropriations.</p> <p>Potential Funding Awarded in Next 6 Months: FY 2019/20 funding was \$7,037,000</p>	<p>Cycle Description: Applications accepted on a continuous basis. Application deadline for FY 2020/21 is Feb 1, 2020</p> <p>Process: Submit Application online through DBW's On Line Grant Application system</p>	<p>Joe Dux: <a href="mailto:Joe.Dux@parks.ca.gov">Joe.Dux@parks.ca.gov</a></p> <p>Other: <a href="mailto:pubinfo@parks.ca.gov">pubinfo@parks.ca.gov</a></p> <p>Website: <a href="http://dbw.parks.ca.gov/?page_id=28818">http://dbw.parks.ca.gov/?page_id=28818</a></p>
<b>DBW Local Assistance, Statewide Non-Motorized Boat Launching Facility Grant Program</b>	<p>Purpose: Provide resources to local agencies for developing or improving public non-motorized boating access.</p> <p>Summary: The Statewide Non-Motorized Boat Launching Facility Grant Program provides funding to create or improve public non-motorized boating access. Typical grant-funded items include the construction of small, hand-launched boat ramps, small parking lots, and restrooms.</p>	Grant	<p>Eligible Organizations: Local government agencies including cities and counties; federal government; and special districts.</p> <p>Geographic Limitations: Waterways within California</p> <p>Matching Funds Requirements: None</p>	Harbors and Watercraft Revolving Fund	<p>Minimum: N/A</p> <p>Maximum: Maximum available is \$2 million statewide. Typical grants are between \$50,000 and \$500,000 depending on the project</p> <p>Amount Left to Award: Annual Program - Future funding is dependent on State appropriations.</p> <p>Potential Funding Awarded in Next 6 Months: FY 2019/20 funding was \$2 million</p>	<p>Cycle Description: Applications accepted on a continuous basis. Application deadline for FY 2020/21 is Feb 1, 2020</p> <p>Process: Submit Application online through DBW's On Line Grant Application system</p>	<p>Joe Dux: <a href="mailto:Joe.Dux@parks.ca.gov">Joe.Dux@parks.ca.gov</a></p> <p>Other: <a href="mailto:pubinfo@parks.ca.gov">pubinfo@parks.ca.gov</a></p> <p>Website: <a href="http://dbw.parks.ca.gov/?page_id=28820">http://dbw.parks.ca.gov/?page_id=28820</a></p>

<b>DBW Local Assistance, Statewide Sign Grant Program</b>	<p>Purpose: Provide resources for replacing or installing signs.</p> <p>Summary: The Statewide Sign Grant Program installs and replaces signs for previously funded Boating and Waterways projects that are either obsolete, display incorrect information, are badly worn and unattractive, are missing or damaged, are needed for safety, or are required as a condition of receiving federal funds.</p>	Grant	<p>Eligible Organizations: Local government agencies including cities and counties; federal government; and special districts.</p> <p>Geographic Limitations: DBW funded facility in California</p> <p>Matching Funds Requirements: None</p>	Harbors and Watercraft Revolving Fund	<p>Minimum: N/A</p> <p>Maximum: Typical grants are from \$1,000 - \$10,000 depending on the project</p> <p>Amount Left to Award: Annual Program - Future funding is dependent on State appropriations.</p> <p>Potential Funding Awarded in Next 6 Months: FY 2019/20 funding was \$150,000</p>	<p>Cycle Description: Applications accepted on a continuous basis</p> <p>Process: Full application</p>	<p>Joe Dux: Joe.Dux@parks.ca.gov</p> <p>Other: pubinfo@parks.ca.gov</p> <p>Website: <a href="http://dbw.parks.ca.gov/?page_id=28818">http://dbw.parks.ca.gov/?page_id=28818</a></p>
<b>DBW Private Small Craft Harbor Loan Program</b>	<p>Purpose: To help private marina owners/operators fund development or improvement of marina facilities that serve the public.</p> <p>Summary: In accordance with Article 5 of the Harbors and Navigation Code, the Private Small Craft Harbor Loan Program provides loans to private marina owners to develop or improve privately owned boating facilities that are open to the public. Project features that can be funded include boat berthing, breakwater construction, construction dredging, harbor master buildings, fuel docks, boat sewage pump-out facilities, restrooms and utilities.</p>	Loan	<p>Eligible Organizations: Private Businesses.</p> <p>Geographic Limitations: Waterways within California</p> <p>Matching Funds Requirements: None.</p>	Harbors and Watercraft Revolving Fund	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Annual Program - Future funding is dependent on State appropriations.</p> <p>Potential Funding Awarded in Next 6 Months: FY 2019/20 budget appropriation is \$5.5 million for both public and private loans combined</p>	<p>Cycle Description: Applications accepted on a continuous basis. Application deadline for FY 2020/21 is Feb 1, 2020</p> <p>Process: Full application submitted online through DBW's On Line Grant Application system</p>	<p>Keren Dill: keren.dill@parks.ca.gov</p> <p>Other: pubinfo@parks.ca.gov</p> <p>Website: <a href="https://dbw.parks.ca.gov/?page_id=28818">https://dbw.parks.ca.gov/?page_id=28818</a></p>
<b>DBW Local Assistance Public Small Craft Harbor Loan Program</b>	<p>Purpose: To help local government agencies fund development or improvement of marina facilities that serve the public.</p> <p>Summary: In accordance with Section 71.4 of the Harbors and Navigation Code, the Local Assistance Public Small Craft Harbor Loan Program provides loans to local government agencies for the construction of new small craft harbors or for the expansion or improvement of existing marina facilities.</p>	Loan	<p>Eligible Organizations: Local government agencies including cities and counties; federal government; and special districts.</p> <p>Geographic Limitations: Waterways within California</p> <p>Matching Funds Requirements: None.</p>	Harbors and Watercraft Revolving Fund	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Annual Program - Future funding is dependent on State appropriations</p> <p>Potential Funding Awarded in Next 6 Months: FY 2019/20 budget appropriation is \$5.5 million for both public and private loans combined</p>	<p>Cycle Description: Applications accepted on a continuous basis. Application deadline for FY 2020/21 is Feb 1, 2020</p> <p>Process: Full application submitted online through DBW's On Line Grant Application system</p>	<p>Keren Dill: keren.dill@parks.ca.gov</p> <p>Other: pubinfo@parks.ca.gov</p> <p>Website: <a href="https://dbw.parks.ca.gov/?page_id=28818">https://dbw.parks.ca.gov/?page_id=28818</a></p>
<b>DBW Shoreline Erosion Control and Public Beach Restoration Programs</b>	<p>Purpose: To help public agencies cost-effectively plan and implement protective projects along the State's ocean and bay shoreline that will reduce erosion-related risks to public health and safety, low-cost recreational access, and the coastal environment.</p> <p>Summary: Sections 65 through 67.4 of the Harbors and Navigation Code authorize the Division to study erosion problems; act as shore protection advisor to all agencies of government; and plan, design and construct protective works when funds are provided by the Legislature. Generally speaking, the Shoreline Erosion Control program funds projects that provide a hard structure solution (seawalls, revetment, etc.) to resisting erosive wave forces to protect vital public infrastructure, public health, etc.. Sections 69.5 to 69.9 of the Harbors and Navigation Code establish the Public Beach Restoration Program, through which DBW funds beach nourishment projects to restore or widen beaches that will reduce wave energy and run-up, thereby reducing the erosive power of ocean waves.</p>	Grant	<p>Eligible Organizations: Local, regional, state, and federal government agencies.</p> <p>Geographic Limitations: Projects must be on the ocean coastline or within the San Francisco Bay. Of the moneys in the Public Beach Restoration Fund, 60 percent shall be available to projects south of the county line between the County of San Luis Obispo and the County of Monterey. 40 percent shall be available for projects north of that line.</p> <p>Matching Funds Requirements: For Shoreline Erosion Control projects, DBW can fund up to one half of the nonfederal project cost. For Public Beach Restoration projects, DBW can fund 85% of non-federal project costs. Matching funds can be provided as cash or in-kind services.</p>	Harbors and Watercraft Revolving Fund and the Public Beach Restoration Fund	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Annual Program - Future funding is dependent on State appropriations.</p> <p>Potential Funding Awarded in Next 6 Months: FY 2019/20 budget appropriation is \$981,000</p>	<p>Cycle Description: Applications due December 16, 2019 for consideration in the FY21/22 State budget</p> <p>Process: Full application submitted online through DBW's On Line Grant Application system</p>	<p>Casey Caldwell: casey.caldwell@parks.ca.gov</p> <p>Other: pubinfo@parks.ca.gov</p> <p>Website: <a href="http://dbw.parks.ca.gov/Erosion-RestorationGrants">http://dbw.parks.ca.gov/Erosion-RestorationGrants</a></p>
<b>Aquatic Center Boating Safety Education Grants</b>	<p>Purpose: To provide boating safety education to the general public.</p> <p>Summary: These grants are available to organizations that offer on-the-water boating safety education courses. Courses offered should be designed to enhance boater knowledge of boating laws, practical handling of vessels on the water, weather and water conditions, rules of the road, and equipment requirements.</p>	Grant	<p>Eligible Organizations: Local public agencies, nonprofit organizations, and colleges and universities operating within California.</p> <p>Geographic Limitations: Waterways within California</p> <p>Matching Funds Requirements: None</p>	US Coast Guard Recreational Boating Safety Program	<p>Minimum: N/A</p> <p>Maximum: \$40,000 for combined total of equipment, scholarships, and instructor training. An additional \$2,000 can be awarded for boating safety event funding.</p> <p>Amount Left to Award: Annual Program - Future funding is dependent on federal appropriations.</p> <p>Potential Funding Awarded in Next 6 Months: Approximately \$1 million</p>	<p>Cycle Description: New applicants may apply every two years (odd years) in the Fall. Grantees are eligible to apply for funding in the even years.</p> <p>Process: Submit Application online through DBW's On Line Grant Application system</p>	<p>Amy Rigby: Amy.Rigby@parks.ca.gov</p> <p>Other: pubinfo@parks.ca.gov</p> <p>Website: <a href="http://dbw.parks.ca.gov/?page_id=28817">http://dbw.parks.ca.gov/?page_id=28817</a></p>

<b>Recreational Trails Program</b>	Summary: The funds from this account come from revenues paid by geothermal developers for leases on federal land in California. The activities that the Geothermal Grant and Loan Program can fund include: development and productivity maintenance of geothermal resources, mitigation of impacts from geothermal development, and offsetting the costs to local jurisdictions for providing services necessitated by geothermal development. The RTP is a state-administered local assistance program of the U.S. Department of Transportation's Federal Highway Administration (FHWA). California splits the Non-Motorized RTP apportionment for administration between the California Department of Parks and Recreation's Office of Grants and Local Services (OGALS), and by CALTRANS through the Active Transportation Program (ATP). For CALTRANS ATP updates, visit: <a href="http://www.dot.ca.gov/hq/LocalPrograms/atp/">http://www.dot.ca.gov/hq/LocalPrograms/atp/</a> Motorized Projects are administered by the Off-Highway Motor Vehicle Recreation Division (OHMVR). The RTP provides funds to the States to develop and maintain recreational trails and trails-related facilities for motorized and non motorized recreational trail uses.	Grant	Eligible Organizations: Cities, counties, districts, state agencies, federal agencies, and nonprofit organizations with management responsibilities over public lands	Fixing America's Surface Transportation Act (FAST-ACT)	Minimum: N/A  Maximum: N/A  Amount Left to Award: Annual Program  Potential Funding Awarded in Next 6 Months: Approximately \$3.4 million for the entire program.	Cycle Description: RTP non-motorized: OGALS: Next application will be February 3, 2020.  RTP motorized: OHV: Next cycle may be 2020, dependent on approval of new regulations and Federal Fiscal Year 2020 apportionment.  Process: N/A	Richard Rendon: richard.rendon@parks.ca.gov  Jessica Terry: jessica.terry@parks.ca.gov
<b>Regional Park Program</b>	The program will fund projects that create, expand, or renovate parks and park facilities, including, but not limited to, trails, regional trail networks, regional sports complexes, low-cost accommodations in park facilities, and visitor, outdoor, and interpretive facilities.	Grant	Eligible Organizations: Regional park districts, counties, and regional open-space districts, open-space authorities formed pursuant to Division 26 (commencing with Section 35100), joint powers authorities, and eligible nonprofit organizations	California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018 (Proposition 68).	Minimum: N/A  Maximum: Maximum and minimum grant amounts to be determined through public hearing process.  Amount Left to Award: \$23,125,000  Potential Funding Awarded in Next 6 Months: \$0	Cycle Description: TBD based on future state budget appropriation.  Process: N/A	Natalie Bee: natalie.bee@parks.ca.gov
<b>Rural Recreation, Tourism and Economic Enrichment Investment Program</b>	The program will fund projects that provide new recreational opportunities in rural communities that have demonstrated deficiencies and lack of outdoor infrastructure in support of economic and health-related goals.	Grant	Eligible Organizations: Cities, counties and districts in nonurbanized areas.	California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018 (Proposition 68).	Minimum: N/A  Maximum: Maximum and minimum grant amounts to be determined through public hearing process.  Amount Left to Award: \$23.125 million  Potential Funding Awarded in Next 6 Months: \$0	Cycle Description: TBD based on future state budget appropriation.  Process: N/A	Richard Rendon: richard.rendon@parks.ca.gov
<b>Recreational Infrastructure Revenue Enhancement Program</b>	Funds will be awarded proportionally based on populations served, to local agencies that have obtained voter approval between November 1, 2012, through November 30, 2018, inclusive, for revenue enhancement measures aimed at improving and enhancing local or regional park infrastructure.	Grant	Eligible Organizations: Eligible local agencies	California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018 (Proposition 68).	Minimum: N/A  Maximum: \$250,000  Amount Left to Award: \$37 million  Potential Funding Awarded in Next 6 Months: \$37 million	Cycle Description: Fall 2019  Process: N/A	Jana Clarke: jana.clarke@parks.ca.gov
<b>Statewide Park Development and Community Revitalization Program (SPP)</b>	SPP will fund acquisition and development construction projects to create new parks and new recreation opportunities in underserved communities across California.	Grant	Eligible Organizations: Cities, Counties, Districts as defined, Joint Powers Authorities, Non Profit Organizations	California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018 (Proposition 68).	Minimum: N/A  Maximum: Maximum of \$8.5 million per application and minimum of \$200,000.  Amount Left to Award: \$254,942,000 available for 2019 round. Up to \$395,333,000 in future rounds determined by state budgets.  Potential Funding Awarded in Next 6 Months: \$254,942,000 may be awarded by early 2020.	Cycle Description: \$254,942,000 currently available for application submittals due August 5, 2019. Next cycles will be determined by state budgets.  Process: N/A	Viktor Patino: viktor.patino@parks.ca.gov

<b>California Department of Water Resources</b>							
<b>Flood Corridor Program</b>	<p>Purpose: Provides grants to flood control projects for the acquisition, restoration, enhancement, and protection of real property for the purposes of flood control protection, agricultural land preservation, and wildlife habitat protection.</p> <p>Summary: This statewide program funds multi-objective, flood risk reduction projects that protect and restore floodplains and preserve or enhance wildlife habitat and agriculture. The program funds primarily non-structural projects, including acquiring and conserving floodplains, removing structures and precluding development in flood prone areas, and constructing earthen detention basins, along with restoring habitat and protecting agricultural land. Setback levees are also included when they enable a more naturally functioning floodplain.</p> <p>The Flood Corridor Program includes three flood protection grant programs:</p> <ul style="list-style-type: none"> <li>• Flood Protection Corridor Program (Propositions 13 and 84);</li> <li>• Floodway Corridor Program (Proposition 1E); and</li> <li>• Central Valley Nonstructural Grants Program (Proposition 1E).</li> </ul>	Grant	<p>Eligible Organizations: Local public agencies (county, city, district or joint powers authority), nonprofit organizations, California Native American Tribes registered as a nonprofit organization or partner of a nonprofit or local public agency.</p> <p>Also, direct expenditure funding to other government agencies (local, state, or federal), nonprofit organizations, or contractors for projects Propositioned by DWR that are in the State's interest to fulfill program goals.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: N/A</p>	Propositions 13, 84, and 1E	<p>Minimum: N/A</p> <p>Maximum: Maximum - \$5 million (which may be increased with Director's approval if necessary to achieve the goals of the program). No minimum.</p> <p>Amount Left to Award: \$0</p> <p>Potential Funding Awarded in Next 6 Months: No further competitive solicitations anticipated. Direct funding may be used to utilize the remaining funding.</p>	<p>Cycle Description: No further competitive solicitations anticipated. Direct funding may be used to utilize the remaining funding.</p> <p>Process: Full application</p>	<p>Mary Guerin: Mary.Guerin@water.ca.gov</p> <p>Other: N/A</p> <p>Website: N/A</p>

<b>Flood Control Subventions Program (FCSP)</b>	<p>Purpose: To provide financial assistance to local agencies cooperating in the construction of federally authorized flood control projects on State Plan of Flood Control facilities.</p> <p>Summary: Implementation of federally-authorized, locally-partnered, flood control projects and Watershed Protection Flood Prevention Projects.</p>	Funds (Claims Reimb.)	<p>Eligible Organizations: Local public agencies with federal projects that are not part of the State Plan of Flood Control.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: 0%- 50% local share required depending on project and authorization type.</p>	Propositions 84 and 1E	<p>Minimum: N/A Based on total project costs.</p> <p>Maximum: Projects receive reimbursement of State cost-share as approved by the Legislature for the specific project.</p> <p>Amount Left to Award: \$72 million</p> <p>Potential Funding Awarded in Next 6 Months: Approved projects are restricted to Legislatively approved projects.</p>	<p>Cycle Description: Projects are typically approved by the State Legislature and specifically cited in the Water Code. Claim submittals accepted on a continuous basis and are paid generally first come, first served, based on available State funding.</p> <p>Process: No Application, cooperative process to satisfy specifications in Water Code for Authorization of project.</p>	<p>Patrick Luzuriaga: Patrick.Luzuriaga@water.ca.gov</p> <p>Other: N/A</p> <p>Website: <a href="https://water.ca.gov/Work-With-Us/Grants-And-Loans/Flood-Control-Subventions-Program">https://water.ca.gov/Work-With-Us/Grants-And-Loans/Flood-Control-Subventions-Program</a></p>
<b>Water Desalination Grant Program</b>	<p>Purpose: Th objective of the program is to use grant funds to facilitate the use of desalinated water to meet the water resources needs of the State.</p> <p>Summary: The Program's purpose is to help increase water supplies by providing funding to local agencies for the planning, design, and construction of municipal water facilities requiring the removal of salt to render brackish or ocean quality water sources safe to drink. It also provides matching funds for desalination design or research pilot projects. The program is based on at least 50 percent local funding match for all project types with exception for disadvantaged communities.</p>	Grant	<p>Eligible Organizations: Public agencies including local and State government agencies, public utilities, mutual water companies, federally recognized Indian Tribes, State Indian Tribes on the Native American Heritage Commission's consultation list, and non-profit organizations. Universities and colleges incorporated as public institutions or non-profit organizations may also apply.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: The funding match is at least 50% of the total funded project cost. The funding match may be waived or reduced for a project that is serving a qualified disadvantaged community or economically distressed area.</p>	Proposition 1, Chapter 9, Section 79765. Proposition 50, Chapter 6, Section 79545(a)	<p>Minimum: N/A</p> <p>Maximum: Up to \$10 million per grant, depending on project type.</p> <p>Amount Left to Award: Uncertain. Some funding may be available in the Fall of 2019.</p> <p>Potential Funding Awarded in Next 6 Months: Funds available: first ready, first award until funds are exhausted.</p>	<p>Cycle Description: Applications are not currently being accepted. Available funding has been allocated. Future application submittal is uncertain.</p> <p>Process: There were two rounds of application process. 1. Round 4-Proposal Solicitation Package 2. Continuous Application Process which used the same PSP process.</p>	<p>Sean Sou: sean.sou@water.ca.gov</p> <p>Other: N/A</p> <p>Website: <a href="https://water.ca.gov/Work-With-Us/Grants-And-Loans/Desalination-Grant-Program">https://water.ca.gov/Work-With-Us/Grants-And-Loans/Desalination-Grant-Program</a></p>
<b>Safe Drinking Water - Contaminant Removal Technologies - Pilot and Demonstration Projects</b>	<p>Purpose: Proposition 50 Chapter 6b to provide grant funds to test new technologies in California for the removal of specific categories of contaminants.</p> <p>Summary: Contaminant treatment or removal technology pilot and demonstration studies.</p>	Grant	<p>Eligible Organizations: Eligible applicants are public water systems under the regulatory jurisdiction of SWRCB.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: Matching funds are required on a 1-to-1 basis except for disadvantaged communities and small water systems.</p>	Proposition 50 (Chapter 6 Section 79545(b))	<p>Minimum: \$50,000</p> <p>Maximum: \$5 million</p> <p>Amount Left to Award: \$5 million available</p> <p>Potential Funding Awarded in Next 6 Months: \$3 million</p>	<p>Cycle Description: Ongoing</p> <p>Process: Concept presented to DWR prior to full application.</p>	<p>Steve Giambrone: Steven.Giambrone@water.ca.gov</p> <p>Other: N/A</p> <p>Website: Under construction.</p>
<b>Safe Drinking Water - Contaminant Removal Technologies - Ultraviolet and Ozone Treatment</b>	<p>Purpose: Proposition 50 Chapter 6c to provide grant funds for projects using UV or ozone disinfection technologies.</p> <p>Summary: Drinking water disinfecting projects using UV technology and ozone treatment.</p>	Grant	<p>Eligible Organizations: Eligible applicants are public water systems under the regulatory jurisdiction of SWRCB.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: Matching funds are required on a 1-to-1 basis except for disadvantaged communities and small water systems.</p>	Proposition 50 (Chapter 6 Section 79545(c))	<p>Minimum: \$50,000</p> <p>Maximum: \$5 million</p> <p>Amount Left to Award: \$5 million remaining. (25% of funds will be allocated to disadvantaged communities).</p> <p>Potential Funding Awarded in Next 6 Months: \$2 million</p>	<p>Cycle Description: Ongoing</p> <p>Process: Concept presented to DWR prior to full application.</p>	<p>Steve Giambrone: Steven.Giambrone@water.ca.gov</p> <p>Other: N/A</p> <p>Website: Under construction.</p>
<b>San Joaquin River Water Quality Grant Program</b>	<p>Purpose: State provided grant from the Safe Drinking Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2006 to Grantee to assist in financing the Westside Regional Drainage Plan Implementation pursuant to Public Resources Code section 75029 et seq.</p> <p>Summary: Funded projects must reduce or eliminate discharges of subsurface agricultural drain water from the west side of the San Joaquin Valley for the purpose of improving water quality in the San Joaquin River and the Delta.</p>	Grant	<p>Eligible Organizations: Local agencies, including, but not limited to, city, county, city and county, special district, joint powers authority (can include Federally recognized tribes), political subdivision, public utility, or a mutual water company. Other entities may collaborate with a local agency to apply for the grant.</p> <p>Geographic Limitations: Projects must be located in the portion of the Lower San Joaquin River (LSJR) watershed that drains, either naturally or mechanically, into the San Joaquin River between Salt Slough and Mossdale Bridge. Also, the projects that reduce or eliminate discharge of subsurface agricultural drainage water into Salt Slough.</p> <p>Matching Funds Requirements: Grantee is required to provide a Grant Match of 25 percent of the Total Project Cost.</p>	Proposition 84 Section 75029(a)	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: None All funding was awarded in Summer 2018.</p> <p>Potential Funding Awarded in Next 6 Months: No further competitive solicitations anticipated.</p>	<p>Cycle Description: Draft guidelines/PSP released August 7, 2015. Final guidelines/PSP released December 16, 2015. Last day for applications was March 4, 2016.</p> <p>Process: Full Application.</p>	<p>Kandasamy Naventhan: Kandasamy.Naventhan@water.ca.gov</p> <p>Other: N/A</p> <p>Website: <a href="https://water.ca.gov/Work-With-Us/Grants-And-Loans/AgDrainage-84">https://water.ca.gov/Work-With-Us/Grants-And-Loans/AgDrainage-84</a></p>

<b>Small Community Flood Risk Reduction (SCFRR)</b>	<p>Purpose: The SCFRR Program addresses flood risk to Central Valley small communities with less than 10,000 residents and with consideration for Legacy and disadvantaged communities. SCFRR Program assists the local public agencies to perform studies, design, construction and implementation of necessary flood risk reduction improvements.</p> <p>Summary: Projects to reduce flood risk in small communities in the Central Valley. Funds for feasibility studies, design, and construction of proactive repairs to flood control facilities of the State Plan of Flood Control (SPFC).</p>	Grant Funds	<p>Eligible Organizations: Local Agencies with Land Use Authority (cities/counties): Phase 1 Feasibility Study funding included evaluating SPFC facilities that protect small communities in the Central Valley designated by the CVFPP to have a High or Moderate-High Flood Risk. Phase 2 will fund prioritized (phase 1) projects to continue to design and implementation.</p> <p>Geographic Limitations: California Central Valley</p> <p>Matching Funds Requirements: Yes. Minimum State cost share of 50%. State cost-share can increase up to 90% for disadvantaged communities.</p>	Proposition 1E	<p>Minimum: 50% of eligible costs for total project cost. For studies (Phase 1). Minimum award was \$500,000 per community (total of \$17.5 M awarded for Phase 1 for 35 projects in 2017).</p> <p>Maximum: \$500,000 per Small Community for the Phase 1; 50% cost share for costs above \$500,000. Next awards will depend on fund availability and State determined flood risk reduction priorities for prioritized communities (at 50% State cost-share).</p> <p>Amount Left to Award: Phase 2 - Design and Implementation: Approximately \$27 million.</p> <p>Potential Funding Awarded in Next 6 Months: Last and final solicitations was released in December 2019 (for Phase 2 Design and Implementation projects). Applications are due back on February 3, 2020.</p>	<p>Cycle Description: SCFRR Phase 1 application cycle completed in 2016 and (35 projects) approved award list was published in April 2017. Phase 2 PSP date to be confirmed.</p> <p>Process: Full Application/Proposal.</p>	<p>Nahideh Madankar: Nahideh.Madankar@water.ca.gov</p> <p>Other: N/A</p> <p>Website: <a href="https://water.cagov/Work-With-US/Grants-And-Loans/Small-Communities-Flood-Risk-Reduction">https://water.cagov/Work-With-US/Grants-And-Loans/Small-Communities-Flood-Risk-Reduction</a></p>
<b>California Safe Drinking Water Bond Law of 1988</b>	<p>Purpose: Projects that help meet the Safe Drinking Water Standards</p> <p>Summary: Projects that help meet the Safe Drinking Water Standards</p>	Grant/Loan	<p>Eligible Organizations: Private Systems: Any person, partnership, corporation, association, tribes, or other entity or political subdivision of the state which owns or operates a domestic water system. Public Agencies: Any city, county, city and county, district, joint powers authority, or other political subdivision of the state which owns or operates a domestic water system.</p> <p>Geographic Limitations: California</p> <p>Matching Funds Requirements: No</p>	Proposition 81	<p>Minimum: Please contact program staff for funding limits.</p> <p>Maximum: Please contact program staff for funding limits.</p> <p>Amount Left to Award: \$0</p> <p>Potential Funding Awarded in Next 6 Months: This program has closed it's solicitation program</p>	<p>Cycle Description: Ongoing</p> <p>Process: Full Application</p>	<p>Jeremy Callihan: Jeremy.Callihan@water.ca.gov</p> <p>Other: N/A</p> <p>Website: N/A</p>
<b>Flood Emergency Response Grants Program: Statewide Flood ER Grant</b>	<p>Purpose: The objective of the Flood Emergency Response Grant is to improve local flood emergency response in California and contribute to increased public safety.</p> <p>Summary: The objective of the Flood Emergency Response Grant is to improve local flood emergency response in California and contribute to increased public safety. Examples of eligible projects include:</p> <ul style="list-style-type: none"> <li>• Preparing or updating the local flood emergency plan</li> <li>• Coordinating flood emergency planning and preparedness, including training and exercises</li> <li>• Developing processes to effectively communicate and coordinate response to flood emergencies</li> <li>• Collecting and exchanging flood information</li> <li>• Purchasing and installing equipment and materials needed for emergency communication and more flood fight, &amp; stockpiling to protect critical infrastructure.</li> <li>• Developing flood emergency response facilities</li> </ul>	Grant	<p>Eligible Organizations: California Public Agencies within the legal delta including primary and secondary zones with primary responsibility for flood emergency response and coordination.</p> <p>Geographic Limitations: Yes, outside the Legal Delta.</p> <p>Matching Funds Requirements: No.</p>	Proposition 84	<p>Minimum: N/A</p> <p>Maximum: Varies</p> <p>Amount Left to Award: \$0</p> <p>Total amount allocated was \$20 million: first round awarded \$5 million in 2013; second round awarded \$5 million in 2015; third round of \$10 million awarded 2018.</p> <p>Potential Funding Awarded in Next 6 Months: \$0</p>	<p>Cycle Description: Varies</p> <p>Process: Full application or concept Proposal.</p>	<p>Elizabeth Bryson: Elizabeth.Bryson@water.ca.gov</p> <p>Other: None</p> <p>Website: <a href="https://water.ca.gov/Work-With-US/Grants-And-Loans/Flood-Emergency-Response-Projects-Grants">https://water.ca.gov/Work-With-US/Grants-And-Loans/Flood-Emergency-Response-Projects-Grants</a></p>
<b>Flood Emergency Response Grants Program: Delta Flood ER Grant</b>	<p>Purpose: The objective of the Flood Emergency Response Grant Program is to improve local flood emergency response in California and increase public safety.</p> <p>Summary: The objective of the Flood Emergency Response Grant Program is to improve local flood emergency response in California and increase public safety. Funding is available to improve local flood emergency response through Proposition 1E and 1. The Program funds three types of work:</p> <ol style="list-style-type: none"> <li>1) Planning and Coordination (emergency response plans, maps, decision support tools, gauges, etc.)</li> <li>2) Training and Exercises (SEMS/NIMS/ICS training, full scale, tabletop, and/or functional exercises, etc.)</li> <li>3) Material and Facilities (procurement of flood fight materials and equipment, facility improvement updates, etc.)</li> </ol>	Grant	<p>Eligible Organizations: California Public Agencies within the legal delta including primary and secondary zones with primary responsibility for flood emergency response and coordination.</p> <p>Geographic Limitations: Legal Delta</p> <p>Matching Funds Requirements: None</p>	Proposition 1E (\$10 million) Proposition 1 (\$10 million)	<p>Minimum: Varies</p> <p>Maximum: Varies</p> <p>Amount Left to Award: Total amount allocated is \$20 million: first round awarded \$5.1 million in 2014; second round awarded \$4.3 million in 2017, \$0.7 million in 2018, and \$9.9 million in 2019.</p> <p>Potential Funding Awarded in Next 6 Months: \$0</p>	<p>Cycle Description: Varies</p> <p>Funds available continuously for Directed Funding (see program guidelines for definition of Directed Funding)</p> <p>Process: Full Application or Concept Proposals</p>	<p>William Wong: William.Wong@water.ca.gov</p> <p>Other: N/A</p> <p>Website: <a href="https://water.ca.gov/Work-With-US/Grants-And-Loans/Flood-Emergency-Response-Projects-Grants">https://water.ca.gov/Work-With-US/Grants-And-Loans/Flood-Emergency-Response-Projects-Grants</a></p>

The Delta Levees Special Flood Control Projects Program provides financial assistance to local levee maintaining agencies for flood control and levee rehabilitation projects in the Sacramento San Joaquin Delta.</p> <p>Summary: The Delta Levees Special Flood Control Projects provides financial assistance to local levee maintaining agencies for flood control and levee rehabilitation projects in the Delta as authorized in the California Water Code, Sections 12300–12314.</p>	Grant	<p>Eligible Organizations: Local levee maintaining agencies and Reclamation Districts</p> <p>Geographic Limitations: Legal California Sacramento-San Joaquin Delta</p> <p>Matching Funds Requirements: Program provides up to 75% - 100% State cost share. Delta Levees Local Levee Maintaining Agencies/Reclamation District provide the remaining cost share.</p>	Propositions 84 and 1E	<p>Minimum: Varies</p> <p>Maximum: Varies</p> <p>Amount Left to Award: \$40 million</p> <p>Potential Funding Awarded in Next 6 Months: \$20 million</p>	<p>Cycle Description: Fall 2012</p> <p>Process: Application</p>	<p>Andrea Lobato: Alobato@water.ca.gov</p> <p>Other: N/A</p> <p>Website: DWR webpage</p>
<b>Water Use Efficiency Grants Program Agricultural Water Conservation</b>	<p>Purpose: The grant guidelines and Proposal Solicitation Package (PSP) directly support the California Water Plan's Action One: Make Conservation a California Way of Life, as well as several other actions. Funding through this program is also directed towards agricultural water management planning and water use efficiency projects and programs developed pursuant to Part 2.8 (commencing with Section 10800) of Division 6 of the California Water Code.</p> <p>Summary: The Water Use Efficiency Grants Program provides financial assistance in the form of grants to implement promising water use efficiency projects throughout the State, including: urban and agricultural implementation projects that result in water savings and other benefits to the state; technical assistance, training, education, and public outreach; and planning, feasibility studies, research and development and pilot projects.</p>	Grant	<p>Eligible Organizations: Entities involved with water management, including public agencies, nonprofit organizations, public utilities, federally recognized Indian tribes or state Indian tribes on California's Tribal Consultation List, mutual water companies, investor owned utilities regulated by the CPUC</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: 50%</p>	Proposition 1	<p>Minimum: N/A</p> <p>Maximum: \$3 million cap for implementation projects.  \$300,000 cap for other projects.</p> <p>Amount Left to Award: \$0</p> <p>Potential Funding Awarded in Next 6 Months: No further competitive solicitations anticipated.</p>	<p>Cycle Description: Final Guidelines and PSP released in January 2016. Application period closed on March 30, 2016.</p> <p>Process: Full</p>	<p>Sabrina Cook: sabrina.cook@water.ca.gov</p> <p>Other: wuegrants@water.ca.gov</p> <p>Website: <a href="https://water.ca.gov/Work-With-Us/Grants-And-Loans/Agriculture-Water-Use-Efficiency">https://water.ca.gov/Work-With-Us/Grants-And-Loans/Agriculture-Water-Use-Efficiency</a></p>
<b>Water Use Efficiency CalConserve Revolving Fund Loan Program</b>	<p>Purpose: AB 92 (Statutes of 2015) authorized the transfer of \$10 million from Proposition 1 (Water Code Section 79746) to the CalConserve Water Use Efficiency Revolving Fund to establish a loan program to local agencies for specific types of water conservation and water use efficiency projects and programs to achieve urban water use targets.</p> <p>Summary: The CalConserve Water Use Efficiency Revolving Fund provides loans to local agencies to provide low interest loans to customers for water use efficiency upgrades and for onsite improvements to repair or replace leaking pipes. Loan recipient agencies would offer customer low-interest or no interest on-bill financing. On-bill financing would remove first cost barriers to efficiency upgrades.</p>	Loan	<p>Eligible Organizations: Local Agencies: any city, county, city and county, municipal utility district, community services district, sanitary district, sanitation district, water district as defined in Section 20200, public water system as defined in Section 116275 of the Health and Safety Code, or private water company under the jurisdiction of the Public Utilities Commission.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: 50%</p>	Proposition 1	<p>Minimum: N/A</p> <p>Maximum: \$5 million total for water use efficiency upgrades (\$2 million left). \$5 million total for leak detection and repairs (\$5 million left). A loan cap of \$3 million per agency.</p> <p>Amount Left to Award: \$7 million</p> <p>Potential Funding Awarded in Next 6 Months: Loan awards on a continuous first-come, first-served basis as long as funds are available.</p>	<p>Cycle Description: After an initial \$3 million loan award in December 2016, the solicitation was reopened on a first-come, first-served basis. Applications will be accepted on a continuous basis as long as funds are available.</p> <p>Process: Full</p>	<p>Daya Muralidharan: Daya.Muralidharan@water.ca.gov</p> <p>Other: wuegrants@water.ca.gov</p> <p>Website: <a href="https://water.ca.gov/Work-With-Us/Grants-And-Loans/CalConserve-Water-Use-Efficiency-Loan-Program">https://water.ca.gov/Work-With-Us/Grants-And-Loans/CalConserve-Water-Use-Efficiency-Loan-Program</a></p>
<b>DWR Agricultural Water Use Efficiency Grants &amp; CDFA State Water Efficiency and Enhancement Program Joint Pilot Proposition 1, Chapter 7 (DWR) and Greenhouse Gas Reduction Fund (CDFA)</b>	<p>Purpose: The grant guidelines and Proposal Solicitation Package (PSP) directly support the California Water Plan's Action One: Make Conservation a California Way of Life, as well as several other actions. Funding through this program is also directed towards agricultural water management planning and water use efficiency projects and programs developed pursuant to Part 2.8 (commencing with Section 10800) of Division 6 of the California Water Code. This program also tests the efficacy of a joint solicitation (DWR and CDFA) including both the water district and their growers for implementing agricultural water use efficiency projects.</p> <p>Summary: DWR and CDFA intend to demonstrate the potential multiple benefits of conveyance enhancements combined with on-farm agricultural water use efficiency improvements and greenhouse gas reductions.</p>	Grant	<p>Eligible Organizations: Agricultural water suppliers and their customers (farmers) applying jointly.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: 50%</p>	Proposition 1 and Greenhouse Gas Reduction Fund	<p>Minimum: N/A</p> <p>Maximum: \$6 million available; \$3 million per ag water supplier) \$3 million Greenhouse Gas Reduction Fund/ CDFA (up to \$200,000 per farm operation) Joint application process</p> <p>Amount Left to Award: \$0</p> <p>Potential Funding Awarded in Next 6 Months: Final funding awards made in September 2017. Solicitation closed.</p>	<p>Cycle Description: Final RFP released on January 17, 2017. Application period closed on April 21, 2017.</p> <p>Process: Full</p>	<p>Marty Berbach: marty.berbach@water.ca.gov</p> <p>Other: agwue@water.ca.gov</p> <p>Website: <a href="https://water.ca.gov/Work-With-Us/Grants-And-Loans/Agriculture-Water-Use-Efficiency-CDFA-DWR">https://water.ca.gov/Work-With-Us/Grants-And-Loans/Agriculture-Water-Use-Efficiency-CDFA-DWR</a></p>

<b>Integrated Regional Water Management (IRWM) Proposition 1</b>	<p>Purpose: Integrated Regional Water Management (IRWM) is a collaborative effort to manage all aspects of water resources in a region. IRWM crosses jurisdictional, watershed, and political boundaries; involves multiple agencies, stakeholders, individuals, and groups; and attempts to address the issues and differing perspectives of all the entities involved through mutually beneficial solutions. Our IRWM grant programs fund planning, implementation, and disadvantaged community involvement.</p> <p>Summary: The IRWM Proposition 1 grant program provides funds for development and revisions of IRWM Plans, and implementation of projects in IRWM Plans. Goals of the program include:(a) help water infrastructure systems adapt to climate change, including, but not limited to, sea level rise, (b) provide incentives for water agencies throughout each watershed to collaborate in managing the region's water resources and setting regional priorities for water infrastructure, and (c) improve regional water self-reliance consistent with Section 85021.</p>	Grant	<p>Eligible Organizations: Public agencies, non-profit organizations, public utilities, federally recognized Indian tribes, state Indian tribes listed on the Native American Heritage Commission's Tribal Consultation list, and mutual water companies.</p> <p>Geographic Limitations: Only one application is accepted per IRWM Region. Funding is awarded by "Funding Area" as defined in Proposition 1.</p> <p>Matching Funds Requirements: 50%</p>	Proposition 1 (Chapter 7, Section 79740)	<p>Minimum: N/A</p> <p>Maximum: Maximum grant amounts are documented in the Proposal Solicitation Packages.</p> <p>Amount Left to Award: \$403 million for implementation grants, with not less than \$51 million awarded to projects that directly benefit disadvantaged communities.</p> <p>Potential Funding Awarded in Next 6 Months: \$222.3 million</p>	<p>Cycle Description: Pre-Application Process: June-September 2019 Applications Due: September - December 2019; Awards: Early-Mid 2020</p> <p>Process: Pre-application process, followed by the full application process. Unique application timeline for each Funding Area.</p>	<p>Rachel Ballanti: Rachel.Ballanti@water.ca.gov</p> <p>Other: DWR IRWM Grants@DWR</p> <p>Website: <a href="https://water.ca.gov/Work-With-Us/Grants-And-Loans/IRWM-Grant-Programs">https://water.ca.gov/Work-With-Us/Grants-And-Loans/IRWM-Grant-Programs</a></p>
<b>Sustainable Groundwater Management (SGM) Implementation Grant Program</b>	<p>Purpose: To help fund the construction of projects that will assist the Groundwater Sustainability Agencies (GSAs) in implementation of their Groundwater Sustainability Plans (GSPs).</p> <p>Summary: Competitive grants to support implementation of local and regional groundwater projects required to support sustainable groundwater management.</p>	Grant	<p>Eligible Organizations: Eligible applicants are GSAs or member agencies of the GSAs for the basin for which the application is submitted. Or entities that have an approved Alternative to a GSP. Only one application will be accepted per basin.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: 25%</p>	Proposition 68 (Chapter 11.6, Section 80146(a))	<p>Minimum: Minimum grant amounts will be documented in the Proposal Solicitation Packages.</p> <p>Maximum: Maximum grant amounts will be documented in the Proposal Solicitation Packages.</p> <p>Amount Left to Award: At least \$88 million</p> <p>Potential Funding Awarded in Next 6 Months: None</p>	<p>Cycle Description: Guidelines were approved summer 2019. Draft PSP is anticipated late 2021 with the solicitation opening early 2022.</p> <p>Process: Concept Proposal 1st and then full Proposals for those invited back.</p>	<p>Kelley List: Kelley.List@water.ca.gov</p> <p>Other: sgwp@water.ca.gov</p> <p>Website: <a href="http://www.water.ca.gov/sgmgrants">www.water.ca.gov/sgmgrants</a></p>
<b>Sustainable Groundwater Planning (SGWP) Grant Program</b>	<p>Purpose: To help fund the development and implementation of GSPs</p> <p>Summary: The Sustainable Groundwater Planning (SGWP) Grant Program provides funds for projects consistent with groundwater planning requirements outlined in Division 6 of the California Water Code, commencing at Section 10000.</p>	Grant	<p>Eligible Organizations: Eligible applicants are GSAs or member agencies of the GSAs for the basin for which the application is submitted. Only one application will be accepted per basin.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: 50%</p>	Proposition 1 (Chapter 10, Section 79770)	<p>Minimum: Minimum grant amounts are documented in the Proposal Solicitation Package.</p> <p>Maximum: Maximum grant amounts are documented in the Proposal Solicitation Packages.</p> <p>Amount Left to Award: \$1 million</p> <p>Potential Funding Awarded in Next 6 Months: \$1 million</p>	<p>Cycle Description: In two previous rounds of Proposition 1 solicitations, DWR awarded \$92.5 million in grant funds to 99 Proposals for Groundwater Sustainability Plans and Projects. The third and last solicitation closed 11/15/19 where we received 54 applications. Technical reviews are in progress with final awards anticipated in March 2020.</p> <p>Process: Full Application.</p>	<p>Kelley List: Kelley.List@water.ca.gov</p> <p>Other: sgwp@water.ca.gov</p> <p>Website: <a href="http://www.water.ca.gov/sgmgrants">www.water.ca.gov/sgmgrants</a></p>
<b>Sustainable Groundwater Management (SGM) Planning Grant Program</b>	<p>Purpose: To help fund the development and implementation of GSPs.</p> <p>Summary: Competitive grants that provides funds for projects consistent with groundwater planning requirements outlined in Division 6 of the California Water Code, commencing at Section 10000..</p>	Grant	<p>Eligible Organizations: Eligible applicants are GSAs or member agencies of the GSAs for the basin for which the application is submitted. An entity that has an approved Alternative to a GSP; or those groups that are still forming a GSA. Only one application will be accepted per basin.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: 25%</p>	Proposition 68 (Chapter 11.6, Section 80146(b))	<p>Minimum: Minimum grant amounts are documented in the Proposal Solicitation Package.</p> <p>Maximum: Maximum grant amounts are documented in the Proposal Solicitation Packages.</p> <p>Amount Left to Award: \$46.25 million</p> <p>Potential Funding Awarded in Next 6 Months: \$46.25 million</p>	<p>Cycle Description: The solicitation closed 11/15/19 where we received 54 applications. Technical reviews are in progress with final awards anticipated in March 2020.</p> <p>Process: Full application.</p>	<p>Kelley List: Kelley.List@water.ca.gov</p> <p>Other: sgwp@water.ca.gov</p> <p>Website: <a href="http://www.water.ca.gov/sgmgrants">www.water.ca.gov/sgmgrants</a></p>
<b>Central Valley Tributaries Program</b>	<p>Purpose: The program will fund multi-benefit flood risk reduction projects that (1) address flood risk for urban communities, small communities and/or rural areas; and (2) enhance ecosystems by improving fish and wildlife habitat and water quality downstream.</p> <p>Summary: To help fund flood management projects that enhance water quality and ecosystems of rivers and streams tributary to the Sacramento-San Joaquin Delta.</p> <p>See Guidelines for eligibility criteria.</p>	Grant	<p>Eligible Organizations: Local agencies, others.</p> <p>See Guidelines for eligibility criteria.</p> <p>Geographic Limitations: Projects must be in the Central Valley and within or adjacent to the Systemwide Planning Area (PDF). Projects in the Sacramento-San Joaquin River Delta (Delta) are excluded.</p> <p>Matching Funds Requirements: Maximum 50% local share, with criteria to reduce local share. Can be reduced to 0% local share (100% State Share) for disadvantaged areas based on criteria listed in guidelines.</p>	Proposition 1 (Chapter 11, Section 79780)	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: \$25 million left to award.</p> <p>Potential Funding Awarded in Next 6 Months: \$8.8 million.</p>	<p>Cycle Description: Final Guidelines released Dec 2018 and Proposals solicited. PSP closed February 2019.</p> <p>Process: Full Application only.</p>	<p>Patrick Luzuriaga: Patrick.Luzuriaga@water.ca.gov</p> <p>Other: CVT@water.ca.gov</p> <p>Website: <a href="https://water.ca.gov/Work-With-Us/Grants-And-Loans/Central-Valley-Tributaries-Program">https://water.ca.gov/Work-With-Us/Grants-And-Loans/Central-Valley-Tributaries-Program</a></p>

<b>Coastal Watershed Flood Risk Reduction Program</b>	<p>Purpose: The Coastal Watershed Flood Risk Reduction Grant Program will fund projects in coastal areas that focus on multi-benefit flood risk reduction. These projects will: address flood risk and public safety; enhance coastal ecosystems, including fish and wildlife habitat enhancement; and promote natural resources stewardship and public access corridors.</p> <p>Summary: The Coastal Watershed Flood Risk Reduction Grant Program will fund projects in coastal areas that focus on multi-benefit flood risk reduction. These projects will:</p> <ul style="list-style-type: none"> <li>•Address flood risk and public safety</li> <li>•Enhance coastal ecosystems, including fish and wildlife habitat enhancement</li> <li>•Promote natural resources stewardship and public access corridors</li> </ul>	Grant	<p>Eligible Organizations: Local agencies, others.</p> <p>See Guidelines for eligibility criteria.</p> <p>Geographic Limitations: Eligible projects must be in areas that intersect the California Coast or San Francisco Bay. Projects in the Sacramento-San Joaquin River Delta are excluded.</p> <p>Matching Funds Requirements: Maximum 50% local share, with criteria to reduce local share. Can be reduced to 0% local share (100% State Share) for disadvantaged areas based on criteria listed in guidelines.</p>	Proposition 1 (Chapter 11, Section 79780)	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Approximately \$27 million.</p> <p>Potential Funding Awarded in Next 6 Months: Approximately \$27 million.</p>	<p>Cycle Description: Draft program guidelines were released in Fall 2019. Final Guidelines due to be released soon (early 2020).</p> <p>Process: Concept Proposals, Full Application.</p>	<p>Patrick Luzuriaga: Patrick.Luzuriaga@water.ca.gov</p> <p>Other: coastal@water.ca.gov</p> <p>Website: <a href="https://water.ca.gov/Work-With-Us/Grants-And-Loans/Coastal-Watershed-Flood-Risk-Reduction">https://water.ca.gov/Work-With-Us/Grants-And-Loans/Coastal-Watershed-Flood-Risk-Reduction</a></p>
<b>Urban Streams Restoration Program</b>	<p>Purpose: (1) Protecting, enhancing and restoring the natural, ecological value of streams. (2) Preventing future Propositionerly damage caused by flooding and bank erosion. (3) Promoting community involvement, education, and riverine stewardship.</p> <p>Summary: The Urban Streams Restoration Program provides funding for local communities for projects to reduce flooding and erosion and associated Propositionerly damages; restore, enhance, or protect the natural ecological values of streams; and promote community involvement, education, and stewardship.</p>	Grant	<p>Eligible Organizations: Requires a Sponsor and Co-sponsor including one Public Agency and one Local/non-profit/citizens group or Federally recognized Indian tribes and State Indian tribes listed on the Native American Heritage Commission's Tribal Consultation list.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: 20% from non-State sources for projects not serving a DAC</p>	Proposition 68 Proposition 84	<p>Minimum: N/A</p> <p>Maximum: \$1 million maximum award cap per project.</p> <p>Amount Left to Award: \$7.58 Million (P68) \$1.84 Million (P84)</p> <p>Potential Funding Awarded in Next 6 Months: Up to \$9.42 Million</p>	<p>Cycle Description: Application deadline was August 2019. No longer accepting applications. Tentative draft award list will be posted in Spring 2020.</p> <p>Process: Full application</p>	<p>Esther Tracy: esther.tracy@water.ca.gov</p> <p>Other: N/A</p> <p>Website: <a href="https://water.ca.gov/Programs/Integrate-d-Regional-Water-Management/Riverine-Stewardship-Program/Riverine-Stewardship-Grants">https://water.ca.gov/Programs/Integrate-d-Regional-Water-Management/Riverine-Stewardship-Program/Riverine-Stewardship-Grants</a></p>
<b>San Joaquin Fish Population Enhancement Program</b>	<p>Purpose: The San Joaquin Fish Population Enhancement Program provides funding for projects that (1) enhance native fish populations in the lower San Joaquin River watershed and (2) reduce vulnerability of native fishes to water diversions, predation, and other impacts to their populations at all life stages within or upstream of the Delta.</p> <p>Summary: The San Joaquin Fish Population Enhancement Program provides funding for projects that (1) enhance native fish populations in the lower San Joaquin River watershed and (2) reduce vulnerability of native fishes to water diversions, predation, and other impacts to their populations at all life stages within or upstream of the Delta.</p>	Grant	<p>Eligible Organizations: Local agencies or non-profit organizations</p> <p>Geographic Limitations: Lower San Joaquin River (between confluence with Mokelumne R. to confluence with Merced R.) and its tributaries (Cosumnes, Mokelumne, Calaveras, Stanislaus, Tuolumne, and Merced rivers)</p> <p>Matching Funds Requirements: None</p>	Proposition 13	<p>Minimum: N/A</p> <p>Maximum: No max award cap per project; however, funding will be limited by the amount made available in this solicitation.</p> <p>Amount Left to Award: \$38.97 million</p> <p>Potential Funding Awarded in Next 6 Months: Up to \$38.97 million</p>	<p>Cycle Description: No longer accepting applications. Tentative draft award list will be posted in Spring 2020</p> <p>Process: Full Application</p>	<p>Krissy Atkinson: Kristine.Atkinson@water.ca.gov</p> <p>Other: N/A</p> <p>Website: <a href="http://www.water.ca.gov/rsp/grants">www.water.ca.gov/rsp/grants</a></p>
<b>Save Our Water Rebates - Institutional and Residential Turf Replacement</b>	<p>Purpose: Residential - To collectively replace 50 million square feet of lawn and ornamental turf with drought tolerant landscapes. Institutional - The purpose was to remediate landscapes and convert them from using high-water-use turf to water-efficient, drought-tolerant landscapes that used predominantly California native plants. This conversion was done in order to conserve water and support natural pollinators.</p> <p>Summary: One-time \$2/square foot rebate for turf removed and replaced with a minimum of 25% coverage of drought-tolerant plants. The maximum turf rebate is \$2,000.</p> <p>The Institutional Turf Replacement Program was \$1,000,000 contractual reimbursement program with the CCC that replaced turf with water efficient landscaping for approved applicants. The contract with the CCC ends June 30, 2018.</p>	Rebate / Contractual Reimbursement Program	<p>Eligible Organizations: Residential - Limited to a direct-to-customer rebate program. Institutional - Non-profit and local government agencies in disadvantaged communities of the San Joaquin Valley.</p> <p>Geographic Limitations: Residential - Statewide Institutional - Disadvantaged communities of the San Joaquin Valley.</p> <p>Matching Funds Requirements: Residential - None required. Maximum rebate allowed. Institutional - None</p>	Proposition 1, Chapter 7	<p>Minimum: Institutional - \$4755.23</p> <p>Maximum: \$2000 per household for the residential program Up to \$20,000 for institutional turf removal projects.</p> <p>Amount Left to Award: Approximately 1.3 million remaining funds have been reserved for residential turf replacement rebates and \$60,000 remaining for institutional turf removal.</p> <p>Potential Funding Awarded in Next 6 Months: No Residential - Rebate applications are being accepted. Approx. \$1.3 million reserved for residential turf replacement rebates. Funds are fully committed. Institutional - No additional applications are being accepted. Funds are fully allocated.</p>	<p>Cycle Description: The Turf Replacement Rebate Program has been suspended. The institutional turf removal application process has ended</p> <p>Process: Residential - Full application to third party vendor Institutional - Full application with attached landscaping plan, plant list, and maintenance agreement.</p>	<p>Dave Todd: david.todd@water.ca.gov</p> <p>Betsy Vail: elizabeth.vail@water.ca.gov</p> <p>Website: <a href="http://www.saveourwaterrebates.com/turf-replacement-rebates.html">http://www.saveourwaterrebates.com/turf-replacement-rebates.html</a> <a href="https://water.ca.gov/Work-With-Us/Grants-And-Loans/Turf-Replacement">https://water.ca.gov/Work-With-Us/Grants-And-Loans/Turf-Replacement</a></p>

<b>Flood Emergency Response Grants Program: Forecast-Coordinated Operations Grant</b>	<p>Purpose: The F-CO seeks to improve management of the flood control pools to reduce peak flood flows downstream through the use of improved watershed and river forecasting and coordination of releases from these reservoirs during flood operations.</p> <p>Summary: The objective of the Flood Emergency Response Grant is to improve local flood emergency response in California and contribute to increased public safety. Examples of eligible projects for this specific grant include:</p> <ul style="list-style-type: none"> <li>• Enhance real-time data collection with new stream and weather measurement stations</li> <li>• Improve data sharing, management systems, and associated IT infrastructure</li> <li>• Develop reservoir simulation models and decision support tools</li> <li>• Conduct annual exercises and training to improve operational response</li> <li>• Develop procedures to share information and coordinate operations</li> </ul>	Grant	<p>Eligible Organizations: Reservoir operators that participate in the Forecast-Coordinated Operations Program</p> <p>Geographic Limitations: Central Valley and Sierra Nevada</p> <p>Matching Funds Requirements: None</p>	Proposition 84 (\$4.5 million) and Proposition 1E (\$4.5 million)	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Total amount allocated is \$9 million. \$7.5 million has been awarded thus far. Remaining: \$1.4 million which will be awarded through Directed Funding actions</p> <p>Potential Funding Awarded in Next 6 Months: TBD</p>	<p>Cycle Description: Ongoing (for directed funding only)</p> <p>Process: Full Application</p>	<p>Cale Nasca: Cale.Nasca@water.ca.gov</p> <p>Other: N/A</p> <p>Website: None</p>
<b>Flood Maintenance Assistance Program (FMAP)</b>	<p>Purpose: Provide funding for LMA to supplement their maintenance budgets and to promote preparation of LOI/SWIP for PL 84-99 eligibility.</p> <p>Summary: The Flood Maintenance Assistance Program (FMAP) is a new program that provides State funds for eligible maintenance activities to Local Maintaining Agencies (LMAs) and Maintenance Areas (MAs). This program will help ensure that State Plan of Flood Control facilities are Propositionerly maintained and have sufficient resources, including funding, to meet applicable federal regulations and Operation and Maintenance (O&amp;M) manual requirements.</p>	Direct Funding	<p>Eligible Organizations: Any Local Maintaining Agency (LMA) with levees or other appurtenant facilities with the State Plan of Flood Control.</p> <p>Geographic Limitations: SPFC</p> <p>Matching Funds Requirements: Some restrictions based on percentage of levee miles maintained.</p>	General Fund	<p>Minimum: \$20,000</p> <p>Maximum: TBD</p> <p>Amount Left to Award: \$10.8 million</p> <p>Potential Funding Awarded in Next 6 Months: \$10.8 million</p>	<p>Cycle Description: Ongoing since December 2018</p> <p>Process: Applications received and evaluated.</p>	<p>Jeff H. Van Gilder: jeff.vangilder@water.ca.gov</p> <p>Other: N/A</p> <p>Website: Pending</p>
<b>Regional Flood Management Planning</b>	<p>Purpose: The California Department of Water Resources (DWR) launched the Regional Flood Management Planning Phase 1 effort through the 2012 Central Valley Flood Protection Plan (CVFPP) to assist local agencies in developing long-term regional flood management plans that address local needs, articulate local and regional flood management priorities, and establish the common vision of regional partners. DWR provided funding and resource support to help develop regional plans consistent with the 2012 CVFPP.</p> <p>Summary: The Regional Flood Management Planning (RFMP) effort seeks to work with local entities engage local stakeholders to collect existing information and data to better define site-specific needs and develop their regional vision for flood management over the next 30 years. The RFMP effort is intended to provide meaningful engagement by the Regional Partners in the Central Valley Flood Protection Plan (CVFPP) and maintain working relationships to develop a common understanding of regional flood issues and priorities, formulate and assess flood management solutions and strategies that reflect the vision, feasibility projects, assess the performance of the projects, and develop a plan that reflects the vision of local entities in reducing flood risks in their region. DWR is has provided providing guidance as well as technical and financial assistance to local agencies to prepare regional flood management plans that formulate and prioritize the Propositionosed projects and strategies in each region. DWR continues to provide funding to engage Regional Partners in the CVFPP planning process. The RFMP goals are: * Encourage regional governance</p>	Direct Funding	<p>Eligible Organizations: A California local public agency with responsibility for flood management in the region that is a part of the area protected by the facilities of the SPFC that is willing to participate in, coordinate, and collaborate with other interested parties in the region that are participating in the development of their RFMP.</p> <p>Geographic Limitations: Areas within the Central Valley protected by CA State Plan of Flood Control facilities</p> <p>Matching Funds Requirements: None</p>	Proposition 1E	<p>Minimum: N/A</p> <p>Maximum: Up to \$15 million</p> <p>Amount Left to Award: \$2.4 million</p> <p>Potential Funding Awarded in Next 6 Months: Up to \$2.4 million</p>	<p>Cycle Description: Ongoing since October 2012</p> <p>Process: Revised Program Guidelines released in 2019 which describe Full Application process</p>	<p>Christopher Williams: christopher.williams@water.ca.gov</p> <p>Other: N/A</p> <p>Website: <a href="https://water.ca.gov/Programs/Flood-Management/Flood-Planning-and-Studies/Central-Valley-Flood-Protection-Plan">https://water.ca.gov/Programs/Flood-Management/Flood-Planning-and-Studies/Central-Valley-Flood-Protection-Plan</a></p>

Program Name	Program Overview	Type	Applicant Eligibility and Requirements	Funding Source	Funding Award Amounts	Application Details	Program Contact Information
<b>Flood System Repair Project (FSRP)</b>	<p>Purpose: provide levee and system repair funding for locally-led project implementation</p> <p>Summary: The Flood System Repair Project (FSRP) is a near-term priority action of the State Systemwide Investment Approach (SSIA) for sustainable and integrated flood management. FSRP assist local maintaining agencies (LMAs) in reducing flood risks by providing technical and financial support for the repair of documented problems in the flood control facilities of the State Plan of Flood Control (SPFC). Initially, the focus is on the critical problems in the non-urban areas of the Sacramento and San Joaquin River systems. After the initial critical problems are successfully addressed, FSRP can be expanded to address the less than critical problems and urban areas. FSRP addresses the following types of flood control system issues:</p> <ul style="list-style-type: none"> <li>• Repair documented critical problems – levees, hydraulic structures, channels of the State Plan of Flood Control</li> <li>• Repair deteriorated levee patrol roads for emergency response needs</li> <li>• Allows for proactive repair of minor levee problems</li> </ul> <p>Typical State funding cost-share is 85% (90% for economically disadvantaged areas) and the rest is contributed by the LMAs. Work in kind services are acceptable actions for the local share.</p>	Cost-share contracting with Local Maintaining Agencies (LMAs)	<p>Eligible Organizations: Local Maintaining Agencies (LMAs) which may include levee districts, cities, counties or other public agencies with maintenance responsibilities for the SPFC facilities, as well as maintenance areas where the State has maintenance responsibilities.</p> <p>Geographic Limitations: SPFC</p> <p>Matching Funds Requirements: 10% to 15% local cost share</p>	Proposition 1E	<p>Minimum: N/A</p> <p>Maximum: Up to a \$5.0 Million maximum State share. State share may exceed this amount based on the critical nature of the damage and with an approved Director's Decision Memo.</p> <p>Amount Left to Award: Approximately \$10 Million.</p> <p>Potential Funding Awarded in Next 6 Months: Approximately \$10 Million.</p>	<p>Cycle Description: Ongoing since July 2013.</p> <p>Process: Directed funding through DWR system evaluation and LMA coordination.</p>	<p>David J. W. Wheeldon: Dave.Wheeldon@water.ca.gov</p> <p>Other: N/A</p> <p>Website: Pending</p>
<b>California Energy Commission</b>							
<b>Geothermal Resources Development Account (GRDA)</b>	<p>Summary: The funds from this account come from revenues paid by geothermal developers for leases on federal land in California. The activities that the Geothermal Grant and Loan Program can fund include: development and productivity maintenance of geothermal resources, mitigation of impacts from geothermal development, and offsetting the costs to local jurisdictions for providing services necessitated by geothermal development.</p>	Grant	<p>Eligible Organizations: Private entities, including individuals and private for-profit organizations; local jurisdictions including tribal governments, cities, counties, districts (including regional planning agencies, and public utility districts; EXCEPTION: any public utility that generates more than 50MW of electricity for sale is not eligible to apply.</p>	Public Resources Code section 3800 et seq. created the Geothermal Resources Development Account (GRDA).	<p>Minimum/Maximum: There is no minimum or maximum award level established. Awards vary according to the application requests and the amount of funds available during a specific solicitation.</p> <p>Amount Left to Award: \$2.28 million accrued: Approximately \$1.1 million accrues each year</p> <p>Potential Funding Awarded in Next 6 Months: \$0</p>	<p>Cycle Description: Solicitations are generally offered every 3 to 4 years. The next solicitation is anticipated in 2021. The most recent solicitation was offered in October 2016, with a Notice of Propositioned Awards issued in March 2017.</p> <p>Process: N/A</p>	<p>Elisabeth de Jong: Elisabeth.deJong@energy.ca.gov</p>
<b>Electric Program Investment Charge (EPIC)</b>	<p>Purpose: The EPIC program provides ratepayer funding for clean energy research. The funding is a catalyst for innovation in the categories of applied research and development, technology development demonstration and deployment, and market facilitation. Research investments are selected to advance the next generation of clean energy technologies, systems, tools, and strategies so that electricity ratepayer and societal benefits promote greater reliability, lower costs, and increased safety.</p> <p>Summary: The Energy Commission is one of four administrators of energy innovation funded by the Electric Program Investment Charge. The other administrators are the state's three largest investor-owned utilities: Pacific Gas and Electric Company, San Diego Gas &amp; Electric Company, and Southern California Edison Company. The Electric Program Investment Charge was created to fund public interest investments in clean energy technologies and approaches for the benefit of electricity ratepayers of California's three largest electric investor-owned utilities.</p>	Grant	<p>Eligible Organizations: Private and public entities, educational facilities, research organizations, national laboratories.</p> <p>Geographic Limitations: Only program limitation is technology, demonstration and deployment projects must be in a California IOU service territory.</p> <p>Some solicitations target disadvantaged communities and low-income communities.</p> <p>Varies based on solicitation requirements.</p> <p>Matching Funds Requirements: Only program requirement is technology, demonstration and deployment projects must include match of at least 20%.</p> <p>Varies based on solicitation requirements.</p>	The California Public Utilities Commission established the purposes and governance for the Electric Program Investment Charge in Decision 12-05-037 for Rulemaking 11-10-003 on May 24, 2012.	<p>Minimum: Minimum of \$600,000 award in 2019.</p> <p>Varies each year per solicitation requirements.</p> <p>Maximum: Maximum of \$5 million award in 2019.</p> <p>Varies each year per solicitation requirements.</p> <p>Amount Left to Award: Approximately \$133.2 million per year</p> <p>Potential Funding Awarded in Next 6 Months: Approximately \$66 million from Jan-Jun 2020</p>	<p>Cycle Description: A solicitation schedule has been posted on the Energy Commission Research page, and solicitations are continuously released throughout the year.</p> <p>Process: Full Application</p>	<p>Linda Spiegel: linda.spiegel@energy.ca.gov</p> <p>Other: N/A</p> <p>Website: www.energy.ca.gov</p>
<b>Low Carbon Fuel Research and Development Program</b>	<p>Purpose: The purpose of the Low Carbon Fuel Transportation R&amp;D program is to fund research to reduce petroleum use, which contributes to the largest source of carbon emissions in California, by seeking economic and technically viable low-carbon fuel alternatives.</p> <p>Summary: Budget Act of 2016, authorized the Energy Commission to implement a Low Carbon Fuel Research and Development Program to support the advancement of low-carbon drop-in fuels production derived from California's biomass feedstock that can be produced to be fully compatible with existing infrastructure and vehicle technologies. The program initiated competitive awards to support RD&amp;D projects focused in key areas that assists the State in meeting its petroleum reduction goals.</p>	Grant	<p>Eligible Organizations: Public entities, educational facilities, private entities, research organizations, national laboratories.</p> <p>Geographic Limitations: Varies based on solicitation requirements.</p> <p>Matching Funds Requirements: Varies based on solicitation requirements.</p>	General Fund from Budget Act of 2016	<p>Minimum: \$600,000</p> <p>Maximum: \$5.7 million</p> <p>Amount Left to Award: None. All funding was awarded by February 2018.</p> <p>Potential Funding Awarded in Next 6 Months: None. All funding was awarded by February 2018.</p>	<p>Cycle Description: None in 2019. Solicitations were released in 2016 and 2017.</p> <p>Process: Full Application</p>	<p>Jonah Steinbuck: jonah.steinbuck@energy.ca.gov</p> <p>Other: N/A</p> <p>Website: www.energy.ca.gov</p>

<b>Greenhouse Gas Reduction Fund (GGRF) Food Production Investment Program (FPIP)</b>	<p>Purpose: The purpose of the FPIP program is to fund drop-in, market-ready and advanced energy efficiency and renewable energy technologies at California food processing facilities, to reduce energy use and costs and associated greenhouse gas emissions.</p> <p>Summary: The program focuses on accelerating the adoption of advanced energy efficiency and renewable energy technologies at California food processing plants, demonstrate their reliability and effectiveness and help California food processors achieve a low-carbon future. The grants provide partial funding for: Tier I: commercially available, energy efficient equipment that are drop-in replacements or additions to current systems that result in greater GHG emission reductions than standard equipment, and Tier II: cutting edge technologies that are emerging and not widely used in California but have been proven elsewhere to reduce GHG emissions.</p>	Grant	<p>Eligible Organizations: California food processing facilities defined by North American Industry Classification System (NAICS) Codes 311 or 3121</p> <p>Geographic Limitations: None: Open to all food processing facilities located in California that are defined by the North American Industry Classification System (NAICS) codes 311 (Food Manufacturing) and 3121 (Beverage Manufacturing).</p> <p>Matching Funds Requirements: Program requirements: Tier I: 35% match of eligible costs. Eligible costs are limited to the cost of equipment that will result in reductions of GHG emissions and any M&amp;V required for validation of GHG emission reductions. Tier II: 15% percent match of eligible costs. Eligible costs include equipment, required M&amp;V, and engineering/design.</p>	GGRF (CA Climate Investments)	<p>Minimum: Minimum of \$381,000 award in 2019.</p> <p>Varies each year per solicitation requirements: Tier I: \$100,000 Tier II: \$2 million</p> <p>Maximum: Maximum of \$5.5 million award in 2019.</p> <p>Varies each year per solicitation requirements: Tier I: \$6 million Tier II: \$8 million</p> <p>Amount Left to Award: FY 17-18 \$57 million FY 18-19 \$60 million</p> <p>Potential Funding Awarded in Next 6 Months: Approximately \$78 million from Jan-Jun 2020</p>	<p>Cycle Description: A solicitation schedule has been posted on the Energy Commission Research page, and solicitations are continuously released throughout the year.</p> <p>Process: Full Application</p>	<p>Virginia Lew: virginia.lew@energy.ca.gov</p> <p>Other: N/A</p> <p>Website: www.energy.ca.gov</p>
<b>Public Interest Energy Research (PIER) - Natural Gas Funding</b>	<p>Purpose: The Natural Gas Research and Development program provides ratepayer funding for clean energy research. The program supports energy-related research, development, and demonstration not adequately provided by competitive and regulated markets. These natural gas research investments spur innovation in energy efficiency, renewable energy and advanced clean generation, energy-related environmental protection, energy transmission and distribution and transportation.</p> <p>Summary: The funds are collected from natural gas ratepayers of California Investor Owned Utilities. These funds are administered by the California Energy Commission to provide public interest natural gas research programs. The Energy Commission's PIER program supports energy related research, development and demonstration for research not adequately provided by competitive and regulated markets and that will advance science and technology and will help meet California's energy policy goals.</p>	Grant	<p>Eligible Organizations: Private and public entities, educational facilities, research organizations, national laboratories.</p> <p>Geographic Limitations: Some solicitations target disadvantaged communities and low-income communities.</p> <p>Some solicitations require demonstration projects must be in a California IOU service territory.</p> <p>Varies based on solicitation requirements.</p> <p>Matching Funds Requirements: Varies based on solicitation requirements.</p>	SB 1250 (Perata) Chapter 512, Statutes of 2006. Annual funding approved by CPUC, and funds are transferred from CPUC Gas Consumption Surcharge Fund	<p>Minimum: Minimum of \$1 million award in 2019.</p> <p>Varies each year per solicitation requirements.</p> <p>Maximum: Maximum of \$5 million award in 2019.</p> <p>Varies each year per solicitation requirements.</p> <p>Amount Left to Award: Approximately \$21 million per year</p> <p>Potential Funding Awarded in Next 6 Months: Approximately \$11 million from Jan-Jun 2020</p>	<p>Cycle Description: A solicitation schedule has been posted on the Energy Commission Research page, and solicitations are continuously released throughout the year.</p> <p>Process: Full Application</p>	<p>Linda Spiegel: linda.spiegel@energy.ca.gov</p> <p>Other: N/A</p> <p>Website: www.energy.ca.gov</p>
<b>Clean Transportation Program (formerly known as the Alternative and Renewable Fuel and Vehicle Technology Program).</b>	<p>Purpose: To transform California's transportation sector to zero and near-zero emission technologies in order to reduce greenhouse gas emissions, reduce petroleum use, and improve air quality.</p> <p>Summary: Assembly Bill 118, (Nunez, Chapter 750, Statutes of 2007), amended by Assembly Bill 109 (Nunez, Chapter 313, Statutes of 2008), and Assembly Bill 8 (Perea, Chapter 401, Statutes of 2013) created the Clean Transportation Program which provides approximately \$100 million annually to promote innovative transportation technologies that increase the use of alternative and renewable fuels, advancing California's efforts to curb greenhouse gas emissions, reduce petroleum use, and improve air quality.</p>	Grant	<p>Eligible Organizations: Vehicle and technology entities, businesses, public-private partnerships, fleet owners, consumers, academic institutions, and public agencies</p> <p>Geographic Limitations: Statewide. Geographic limitations may be included in funding solicitations.</p> <p>Matching Funds Requirements: Varies by funding solicitation.</p>	Alternative and Renewable Fuel and Vehicle Technology Fund	<p>Minimum: Varies by each solicitation</p> <p>Maximum: Varies by each solicitation</p> <p>Amount Left to Award: As of December 2019, approximately \$190 million is available.</p> <p>Potential Funding Awarded in Next 6 Months: \$0</p>	<p>Cycle Description: Various times through each fiscal year</p> <p>Process: Varies by each solicitation</p>	<p>John P. **California Tahoe Conservancy**

Program Name	Program Overview	Type	Applicant Eligibility and Requirements	Funding Source	Funding Award Amounts	Application Details	Program Contact Information
<b>Proposition 1 Grant Program</b>	<p>Purpose: The principal goal of the Conservancy's Proposition 1 grant program is to support implementation of the Lake Tahoe Environmental Improvement Program by providing funding for multi-benefit stormwater, watershed and ecosystem restoration, aquatic invasive species, forest health, and sustainable communities projects. This grant program also furthers the goals of Executive Order B-30-15, issued by Governor Jerry Brown on April 29, 2015, which establishes a California greenhouse gas reduction target of 40 percent below 1990 levels by 2030, and directs state agencies to factor climate change into planning and investment decisions.</p> <p>Summary: The California Tahoe Conservancy (Conservancy) leads California's efforts to restore and enhance the extraordinary natural and recreational resources of the Lake Tahoe Basin. Proposition 1 allocates \$15 million directly to the Conservancy for multi-benefit ecosystem and watershed protection and restoration projects consistent with the California Water Action Plan and other State priorities, including the Lake Tahoe Environmental Improvement Program (EIP). The principal goal of the Conservancy Proposition 1 grant program is to support implementation of the EIP by providing funding for multi-benefit stormwater, watershed and ecosystem restoration, aquatic invasive species, forest health, and sustainable communities projects. This grant program also furthers Executive Order B-30-15, which establishes a California greenhouse gas reduction target of 40 percent below 1990 levels by 2030, and directs state agencies to factor climate change into planning and investment decisions.</p>	Grant	<p>Eligible Organizations: Public agencies, including cities, counties, special districts, joint powers authorities, state agencies or departments, or other political subdivisions of the State of California. Federally recognized Indian tribes. Eligible nonprofit organizations, as defined in Government Code section 66905.9</p> <p>Geographic Limitations: Lake Tahoe Basin</p> <p>Matching Funds Requirements: Strongly encouraged.</p>	Proposition 1	<p>Minimum: N/A</p> <p>Maximum: \$1 million</p> <p>Amount Left to Award: \$1 million</p> <p>Potential Funding Awarded in Next 6 Months: \$0</p>	<p>Cycle Description: TBD</p> <p>Process: Full application.</p>	<p>Dorian Fougères, Chief of Natural Resources: dorian.fougeres@tahoe.ca.gov</p> <p>Other: fiscal@tahoe.ca.gov</p> <p>Website: <a href="https://tahoe.ca.gov/conservancy-proposition-1-grant-program/">https://tahoe.ca.gov/conservancy-proposition-1-grant-program/</a></p>
<b>Science and Lake Improvement Account Program</b>	<p>Purpose: The principal goal of the Conservancy's Science and Lake Improvement Account program is to support near-shore environmental improvement program activities and projects, particularly projects that manage aquatic invasive species or improve public access to sovereign land in Lake Tahoe.</p> <p>Summary: The California Tahoe Conservancy (Conservancy) leads California's efforts to restore and enhance the extraordinary natural and recreational resources of the Lake Tahoe Basin. The principal goal of the Conservancy's Science and Lake Improvement Account program (SB 630, 2013) is to support near-shore environmental improvement program activities and projects, particularly projects that manage aquatic invasive species or improve public access to sovereign land in Lake Tahoe. More specifically, such projects manage aquatic invasive species, or improve public access to sovereign land in Lake Tahoe, including planning and site improvement or reconstruction projects on public land, and land acquisitions from willing sellers. SB 630 (2013) allocates the Conservancy approximately \$350,000 annually.</p>	Grant	<p>Eligible Organizations: Local public agencies including cities, counties, special districts, and joint powers authorities; state agencies; federal agencies; and the Tahoe Transportation District. Federally-recognized Native American tribes. Nonprofit organizations registered to do business in California and identified in section 66905.9 of the Government Code.</p> <p>Geographic Limitations: Lake Tahoe Basin</p> <p>Matching Funds Requirements: Required to be provided by the Conservancy or another public entity.</p>	SB 630 (2013)	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Annual appropriation</p> <p>Potential Funding Awarded in Next 6 Months: \$0.35 million</p>	<p>Cycle Description: Ongoing</p> <p>Process: Per the legislation, grants are developed by a chartered stakeholder committee.</p>	<p>Dorian Fougères, Chief of Natural Resources: dorian.fougeres@tahoe.ca.gov</p> <p>Other: fiscal@tahoe.ca.gov</p> <p>Website: <a href="https://tahoe.ca.gov/grant-guidelines/">https://tahoe.ca.gov/grant-guidelines/</a></p>
<b>Proposition 68 Grant Program</b>	<p>Purpose: The principal goal for the Conservancy's Proposition 68 grant program is to support purposes set forth in the Conservancy's governing statutes and strategic plan, including stewarding Conservancy lands and protecting Basin communities from wildfire; restoring the resilience of Basin forests and watersheds; providing public access and outdoor recreation for all communities; and fostering Basinwide climate adaptation and sustainable communities.</p> <p>Summary: The California Tahoe Conservancy (Conservancy) leads California's efforts to restore and enhance the extraordinary natural and recreational resources of the Lake Tahoe Basin. Proposition 68 allocates \$27 million directly to the Conservancy for the purposes set forth in its governing statutes and strategic plan, including stewarding Conservancy lands and protecting Basin communities from wildfire; restoring the resilience of Basin forests and watersheds; providing public access and outdoor recreation for all communities; and fostering Basinwide climate adaptation and sustainable communities. This includes advancing the Lake Tahoe Environmental Improvement Program. In particular, Proposition 68 encourages the acquisition of open space and creation of urban greenway corridors, and, to the extent possible, increasing the diversity and inclusion of communities that benefit from the bond funding. The Conservancy allocated \$5 million to local assistance grants.</p>	Grant	<p>Eligible Organizations: Local public agencies including cities, counties, special districts, and joint powers authorities; state agencies; federal agencies; and the Tahoe Transportation District. Federally-recognized Native American tribes. Nonprofit organizations registered to do business in California and identified in section 66905.9 of the Government Code.</p> <p>Geographic Limitations: Lake Tahoe Basin</p> <p>Matching Funds Requirements: Strongly encouraged.</p>	Proposition 68	<p>Minimum: N/A</p> <p>Maximum: \$1 million</p> <p>Amount Left to Award: \$4 million</p> <p>Potential Funding Awarded in Next 6 Months: \$2 million</p>	<p>Cycle Description: Ongoing</p> <p>Process: Full application developed in coordination with the Conservancy.</p>	<p>Dorian Fougères, Chief of Natural Resources: dorian.fougeres@tahoe.ca.gov</p> <p>Other: fiscal@tahoe.ca.gov</p> <p>Website: <a href="https://tahoe.ca.gov/grant-guidelines/">https://tahoe.ca.gov/grant-guidelines/</a></p>

<b>Water Storage Investment Program</b>	<p>Purpose: Provide funding for the public benefits associated with water storage projects.</p> <p>Summary: Proposition 1 continuously appropriated \$2.7 billion to the California Water Commission (Commission) for investments in the public benefits of specific water storage projects. The Commission will fund the public benefits of these projects through the Water Storage Investment Program. Eligible projects must provide public benefits - ecosystem improvement, water quality improvement, flood control, emergency response, recreation - and provide measurable benefits to the Delta ecosystem or its tributaries. At least 50% of funded public benefits must be ecosystem benefits.</p>	Grant	<p>Eligible Organizations: Public agencies, nonprofit organizations, public utilities, federally recognized Native American tribes, state Native American tribes listed on the Native American Heritage Commission's California Tribal Consultation List, and mutual water companies.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: 50% matching funds required unless project is a reservoir reoperation or conjunctive use project</p>	Proposition 1	<p>Minimum: N/A</p> <p>Maximum: The maximum award cannot exceed 50% of the project's capital cost. The maximum award must be at least 50% ecosystem benefits.</p> <p>Amount Left to Award: \$2.6 billion</p> <p>Potential Funding Awarded in Next 6 Months: The Commission made maximum conditional eligibility determinations (MCEDs) in July 2018. Applicants must complete various statutory and regulatory requirements (CEQA, permits, non-state funding) to schedule a final award hearing.</p>	<p>Cycle Description: Applications were due August 2017; the Commission does not anticipate conducting another round of funding.</p> <p>Process: Full applications were received in August 2017</p>	<p>Amy Young: amy.young@water.ca.gov</p> <p>Other: cwc@water.ca.gov</p> <p>Website: <a href="https://cwc.ca.gov/Water-Storage">https://cwc.ca.gov/Water-Storage</a></p>
<b>Coachella Valley Mountains Conservancy</b>							
<b>Coachella Valley Open Space Acquisition Program</b>	<p>Purpose: Acquire open space to protect wildlife resources and enhance recreational and educational use of that land.</p> <p>Summary: Local assistance grants to acquire mountainous or natural community conservation lands in the Coachella Valley Mountains Conservancy's territory in the Coachella Valley and surrounding mountains.</p>	Grant	<p>Eligible Organizations: Cities, counties, resource conservation districts, nonprofit organizations, JPAs, tribes</p> <p>Geographic Limitations: Within the territory of, or benefiting implementation of, the Coachella Valley Multiple Species Habitat Conservation Plan</p> <p>Matching Funds Requirements: Preferred but not required</p>	Propositions 84, 40, 12	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Approximately \$10 million</p> <p>Potential Funding Awarded in Next 6 Months: \$1.5 million</p>	<p>Cycle Description: Continuous</p> <p>Process: Brief application.</p>	<p>Jim Karpiak: jkarpiak@cvmc.ca.gov</p> <p>Kerrie Godfrey: kgodfrey@cvmc.ca.gov</p> <p>Website: <a href="http://www.cvmc.ca.gov">www.cvmc.ca.gov</a></p>
<b>Coachella Valley Mountains Conservancy Proposition 1 Grant Program</b>	<p>Purpose: Implement the California Water Action Plan in the Coachella Valley and its watersheds</p> <p>Summary: Competitive grants for any project that fulfills one or more of the statutory objectives of Proposition 1 and complies with the General Obligation Bond Law. The Conservancy is specifically encouraging three types of projects: (a) acquisition projects involving the purchase of land for conservation that implements the key objectives of the California Water Action Plan, (b) watershed restoration projects associated with the enhancement of watershed-related natural features, such as washes, channels, streams or riverbeds, and (c) infrastructure projects related to the improvement of water management structures to complement surrounding habitat values.</p>	Grant	<p>Eligible Organizations: Public agencies, public utilities, mutual water companies, and eligible nonprofit and tribal organizations</p> <p>Geographic Limitations: Within the Conservancy's territorial jurisdiction.</p> <p>Matching Funds Requirements: No minimum but matching funds are an important component of the scoring system; most projects provide at least 20%</p>	Proposition 1	<p>Minimum: \$5,000</p> <p>Maximum: N/A</p> <p>Amount Left to Award: Approximately \$3.2 million</p> <p>Potential Funding Awarded in Next 6 Months: \$1-1.5 million</p>	<p>Cycle Description: Biannual. <b>Proposition 68 Chapter 7</b>	Proposition 1 Competitive Grant Program Guidelines ("Guidelines") specifically pertain to competitive grants for multi-benefit ecosystem and watershed protection and restoration projects pursuant to Water Code Section 79731(h)	Grant	Eligible Organizations: Cities, counties, nonprofits, JPAs, special districts  Geographic Limitations: Within the SMMC zone along the Los Angeles River and tributaries  Matching Funds Requirements: Increase score for matching. A 20% match is required for project not within a disadvantaged community.	Proposition 68	Minimum: N/A  Maximum: N/A  Amount Left to Award: \$30 million  Potential Funding Awarded in Next 6 Months: \$5 million	Cycle Description: Quarterly  Process:	Rorie Skei: skei@smmc.ca.gov  Other: grants@smmc.ca.gov  Website: www.smmc.ca.gov
<b>Sierra Nevada Conservancy</b>							
<b>Forest Health Grant Program</b>	Purpose: Planning and implementation of forest health projects that result in multiple watershed benefits, consistent with the following purposes: • Implement fuel treatment projects to reduce wildfire risks, protect watersheds tributary to water storage facilities, and promote watershed health. • Protect and restore rural and urban watershed health to improve watershed storage capacity, forest health, protection of life and Propositionerty, and greenhouse gas reduction. • Implement watershed adaptation projects to reduce the impacts of climate changes on California's communities and ecosystems  Summary: Per SNC Board approved competitive grant program guidelines, the Forest Health Grant Program is currently focused on forest health projects that result in multiple watershed benefits. The 2020-2021 grant cycle is supported by Proposition 68 funds.	Grant	Eligible Organizations: Public agencies, qualifying nonprofit organizations, and eligible tribal organizations.  Geographic Limitations: SNC regional jurisdiction  Matching Funds Requirements: None required, but considered in evaluation criteria.	Proposition 68	Minimum: TBD  Maximum: TBD  Amount Left to Award: \$3 million  Potential Funding Awarded in Next 6 Months: \$0	Cycle Description: TBD  Process: TBD	Shannon Ciotti: shannon.ciotti@sierranevada.ca.gov  Other: grants.snc@sierranevada.ca.gov  Website: https://sierranevada.ca.gov/funding/snc-grants/
<b>Strategic Land Conservation Grant Program</b>	Purpose: The focus of this Program is on land conservation through fee title or easement acquisition projects to protect lands threatened by conversion or lands providing critical resilience to climate change. Acquisitions should aim to protect, restore, or create: • Unique cultural and/or natural areas • Working landscapes that provide public resource or economic benefit • Access to public lands and recreation opportunities  Summary: Per SNC Board approved competitive grant program guidelines, the Strategic Land Conservation Grant Program supports land conservation through fee title or easement acquisition projects to protect lands threatened by conversion or providing critical resilience to climate change. Acquisitions should protect, restore, or create unique cultural and/or natural areas, working landscapes that provide public resource or economic benefit, or access to public lands and recreation opportunities.	Grant	Eligible Organizations: Public agencies, qualifying nonprofit organizations, and eligible tribal organizations.  Geographic Limitations: SNC regional jurisdiction  Matching Funds Requirements: None required, but considered in evaluation criteria.	Proposition 68	Minimum: N/A  Maximum:  Category 1 (Implementation): \$1,000,000  Category 2 (Planning): \$75,000  Amount Left to Award: \$0  Potential Funding Awarded in Next 6 Months: \$0	Cycle Description: No cycle currently scheduled  Process: Pre-Application Full Application	Shannon Ciotti: shannon.ciotti@sierranevada.ca.gov  Other: grants.snc@sierranevada.ca.gov  Website: https://sierranevada.ca.gov/funding/snc-grants/
<b>Resilient Sierra Nevada Communities Grant Program</b>	Purpose: The Resilient Sierra Nevada Communities grant program is a multi-disciplinary technical assistance grant program which will provide resources for capacity building and technical support to enable local agencies, organizations, and tribes to design, manage, and implement projects that will increase community resiliency against recovery from natural disasters and ecological and economic challenges.  Summary: Per SNC Board approved directed grant program guidelines, Resilient Sierra Nevada Communities Grant Program is a multi-disciplinary technical assistance grant program which provides resources for capacity building and technical support to enable local agencies, organizations, and tribes to design, manage, and implement projects that will increase community resiliency against and recovery from natural disasters and ecological and economic challenges.	Directed Grant	Eligible Organizations: Public agencies, qualifying nonprofit organizations, and eligible tribal organizations.  Geographic Limitations: SNC regional jurisdiction  Matching Funds Requirements: None required, but considered in evaluation criteria. <b>Nonpoint Source (NPS) Grant Program</b>	<p>Purpose: To improve water quality by reducing pollution from nonpoint sources to waters of the state.</p> <p>Summary: The NPS Grant Program administers money received from the United States Environmental Protection Agency through Section 319(h) of the Federal Clean Water Act and from the state Timber Regulation and Forest Restoration Fund. Minimum eligibility requirements differ depending on funding source. Projects that qualify for funding must be conducted within the state's priority watersheds as described in the grant guidelines. Project proposals that address Total Maximum Daily Load implementation and impaired waters are favored. In addition, the NPS Grant Program funds projects that implement forest management measures on forest lands to improve water quality.</p>	Grant	<p>Eligible Organizations: Public agencies, nonprofit organizations, federally recognized tribes, state agency, public college, or federal agency</p> <p>Geographic Limitations: Projects must be within priority watersheds, or within a state responsibility area (SRA) as defined by California Department of Forestry and Fire Protection and the SRA viewer (<a href="https://bofdata.fire.ca.gov/projects-and-programs/state-responsibilityarea-viewer/">https://bofdata.fire.ca.gov/projects-and-programs/state-responsibilityarea-viewer/</a>)</p> <p>Matching Funds Requirements: 25% match, unless applicant qualifies for match waiver</p>	Clean Water Act section 319, and Assembly Bill No. 1492 (2012)	<p>Minimum: \$250,000</p> <p>Maximum: \$800,000</p> <p>Amount Left to Award: \$4.0 million per year</p> <p>Potential Funding Awarded in Next 6 Months: \$4.0 million</p>	<p>Cycle Description: Start date: typically, request for proposals is announced in September with a closing date of December End date: typically, projects selected by April each year</p> <p>Process: Full application that includes: project description, watershed description, technical basis, description of water quality improvements, project budget, project performance measures, description of match funding (unless waiver requested), project schedule, maps/figures, draft scope of work.</p>	<p>Jeanie Mascia: <a href="mailto:Jeanie.Mascia@waterboards.ca.gov">Jeanie.Mascia@waterboards.ca.gov</a></p> <p>Other: None</p> <p>Website: <a href="https://www.waterboards.ca.gov/water_issues/programs/nps/319grants.html">https://www.waterboards.ca.gov/water_issues/programs/nps/319grants.html</a></p>
<b>Replacing, Removing, or Upgrading Underground Storage Tanks Program</b>	<p>Purpose: Provides financial assistance grants and low-interest loans to remove and/or replace and upgrade USTs. Assists eligible small business UST owners/operators to come into compliance with UST regulatory requirements.</p> <p>Summary: Typical eligible costs are for removing and replacing single-walled USTs and/or piping with double-walled USTs and/or piping, UST upgrades including installing containment sumps, under-dispenser containment boxes/pans, and electronic monitoring systems, and conducting enhanced leak detection tests.</p>	Grants/Loans	<p>Eligible Organizations: Eligible small business gas station owners or operators of underground storage tanks. See Health &amp; Safety Code Section 15399.15 for details concerning eligibility.</p> <p>Geographic Limitations: Within California</p> <p>Matching Funds Requirements: None</p>	Petroleum Underground Storage Tank Financing Account	<p>Minimum: \$10,000</p> <p>Maximum: Grant -- \$70,000 Loan -- \$750,000</p> <p>Amount Left to Award: Approximately \$59.0 million</p> <p>Potential Funding Awarded in Next 6 Months: Approximately \$11.0 million</p>	<p>Cycle Description: Continuous</p> <p>Process: Filing a claim application with the UST Cleanup Fund.</p>	<p>McLean Reich: <a href="mailto:McLean.Reich@waterboards.ca.gov">McLean.Reich@waterboards.ca.gov</a></p> <p>Other: <a href="mailto:ustcleanupfund@waterboards.ca.gov">ustcleanupfund@waterboards.ca.gov</a></p> <p>Website: <a href="https://www.waterboards.ca.gov/water_issues/programs/ustcf/rust.html">https://www.waterboards.ca.gov/water_issues/programs/ustcf/rust.html</a></p>
<b>Emergency, Abandoned &amp; Recalcitrant Account</b>	<p>Purpose: The Emergency, Abandoned and Recalcitrant (EAR) Account Program is a subaccount under the UST Cleanup Fund Program. The EAR Program provides funding to the Regional Water Quality Control Boards and local regulatory agencies to abate emergency situations or to cleanup abandoned or recalcitrant sites that pose a threat to human health, safety, and the environment, as a result of a petroleum release from a UST.</p> <p>Summary: Program provides funding to the State Regional Water Quality Control Boards and local agencies to initiate corrective action at sites impacted by leaking petroleum underground storage tanks where the site is either abandoned, the responsible party is recalcitrant or there is a need for emergency response.</p>	Contracts	<p>Eligible Organizations: State Regional Water Boards and local agencies</p> <p>Geographic Limitations: Within California</p> <p>Matching Funds Requirements: None</p>	Underground Storage Tank Cleanup Fund	<p>Minimum: N/A</p> <p>Maximum: \$1 million</p> <p>Amount Left to Award: \$5.0 million annual funding</p> <p>Potential Funding Awarded in Next 6 Months: TBD</p>	<p>Cycle Description: Continuous</p> <p>Process: Regional Board or local agencies propose the sites to be administered under EAR.</p>	<p>McLean Reich: <a href="mailto:McLean.Reich@waterboards.ca.gov">McLean.Reich@waterboards.ca.gov</a></p> <p>Other: <a href="mailto:ustcleanupfund@waterboards.ca.gov">ustcleanupfund@waterboards.ca.gov</a></p> <p>Website: <a href="https://www.waterboards.ca.gov/water_issues/programs/ustcf/ear.html">https://www.waterboards.ca.gov/water_issues/programs/ustcf/ear.html</a></p>
<b>Orphan Site Cleanup Fund</b>	<p>Purpose: Provides financial assistance to eligible applicants for the costs of response actions to remediate the harm caused by leaking petroleum underground storage tanks (USTs) where there is no financially responsible party, and the applicant is not an eligible claimant to the UST Cleanup Fund.</p> <p>Summary: A grant program that is administered by the State Water Resources Control Board (State Board) Cleanup Fund in the Division of Financial Assistance. The Program provides grant funds to eligible applicants for the costs of response actions to remediate the harm caused by leaking petroleum underground storage tanks (USTs) where there is no financially responsible party, and the applicant is not an eligible claimant to the UST Cleanup Fund. The maximum grant amount for an eligible occurrence is \$1 million. The program provides assessment grants and cleanup grants.</p>	Grant	<p>Eligible Organizations: Any individual, trust, firm, joint stock company, corporation, or other entity including a government corporation, partnership, limited liability company, or association. Also includes a public agency. The substantive grantee requirements for an OSCF grant is that the applicant did not cause or contribute to the petroleum release, the applicant has no affiliation with the person who caused or contributed to the petroleum release, the applicant is not eligible for the UST Cleanup Fund, the principal source of the contamination is from a petroleum UST, and there is no financially responsible party identified to pay for the corrective action.</p> <p>Geographic Limitations: Within California</p> <p>Matching Funds Requirements: None</p>	Underground Storage Tank Cleanup Fund	<p>Minimum: N/A</p> <p>Maximum: Maximum award is \$1.0 million per occurrence on or after January 1, 2015, and \$1.5 million before January 1, 2015</p> <p>Amount Left to Award: \$10 million</p> <p>Potential Funding Awarded in Next 6 Months: TBD</p>	<p>Cycle Description: Continuous</p> <p>Process: Full application</p>	<p>Lola Barba: <a href="mailto:Lola.Barba@waterboards.ca.gov">Lola.Barba@waterboards.ca.gov</a></p> <p>Other: <a href="mailto:ustcleanupfund@waterboards.ca.gov">ustcleanupfund@waterboards.ca.gov</a></p> <p>Website: <a href="https://www.waterboards.ca.gov/water_issues/programs/ustcf/oscf.html">https://www.waterboards.ca.gov/water_issues/programs/ustcf/oscf.html</a></p>

<b>Site Cleanup Sub-Account Program</b>	<p>Purpose: The Site Cleanup Subaccount Program (SCAP) is a funding program established by Senate Bill (SB) 445 (Hill, 2014), allowing the State Water Resources Control Board (State Water Board) to issue grants for projects that remediate the harm or threat of harm to human health, safety, or the environment caused by existing or threatened surface water or groundwater contamination.</p> <p>Summary: Provides financial assistance to eligible applicants to cleanup surface and groundwater contamination that poses a risk to human health, safety and the environment where the responsible party has no financial resources. Also provides resources for Regional Board staff to provide oversight of surface or groundwater cleanup projects.</p>	Grant and Contract	<p>Eligible Organizations: Grants - no restriction of who is eligible to apply. The type of project determines if the work is eligible.</p> <p>Contract -- Regional Water Boards</p> <p>Geographic Limitations: Within California</p> <p>Matching Funds Requirements: Based on the applicant's ability to pay as determined by USEPA software and other factors.</p>	Underground Storage Tank Cleanup Fund	<p>Minimum/Maximum: There is no specific funding limit. However, the annual allotment is approximately \$40.0 million to be divided between Site Cleanup Sub-Account, Replacing, Removing, or Upgrading Underground Storage Tanks Program, and School District Account</p> <p>Amount Left to Award: \$17.3 million annually</p> <p>Potential Funding Awarded in Next 6 Months: \$9.5 million</p>	<p>Cycle Description: Continuous</p> <p>Process: To apply for the SCAP, applicants must fill out an application via the Financial Assistance Application Submittal Tool. Program staff will review all submitted SCAP applications and evaluate potential program eligibility.</p>	<p>Kathryn Dominic: Kathryn.Dominic@waterboards.ca.gov</p> <p>Other: gwquality.funding@waterboards.ca.gov</p> <p>Website: <a href="https://www.waterboards.ca.gov/water_issues/programs/grants_loans/scap/">https://www.waterboards.ca.gov/water_issues/programs/grants_loans/scap/</a> <a href="https://faast.waterboards.ca.gov/">https://faast.waterboards.ca.gov/</a></p>
<b>Clean Water State Revolving Fund Program</b>	<p>Purpose: Under federal and state law the primary purpose of the CWSRF Program is to provide financing for eligible projects to restore and maintain water quality in the state.</p> <p>Summary: The Federal Water Pollution Control Act (Clean Water Act or CWA), as amended in 1987, established the Clean Water State Revolving Fund (CWSRF) program. The CWSRF program offers low interest financing agreements for water quality projects such as construction of publicly-owned facilities and expanded use projects.</p>	Loans and Grants	<p>Eligible Organizations: Eligible applicants for particular project types vary under applicable law, generally, Public agencies, tribal governments, designated and approved management agencies under Section 208 of the Clean Water Act.</p> <p>Geographic Limitations: Project must be in within the State of CA.</p> <p>Matching Funds Requirements: None</p>	Clean Water State Revolving Fund	<p>Minimum/Maximum: No minimum or maximum per project funding limits. Program has established a yearly \$1.0 billion funding target.</p> <p>Amount Left to Award: The Clean Water State Revolving Fund operates on a cash flow basis and has established a \$1.0 billion annual funding target.</p> <p>Potential Funding Awarded in Next 6 Months: Projects listed on the 2019/2020 Fundable List are being processed for an executed funding agreement by June 30, 2020. Projects that do not receive an executed financing agreement by June 30, 2020 will roll over to the 2020/2021 fundable list.</p>	<p>Cycle Description: Planning and Construction: Continuously accepting applications. All application documents received by December 31st each year will be used to develop a priority score. Projects which receive a priority score equal to or greater than the yearly fundable list cutoff score will be placed on the fundable list for the upcoming fiscal year.</p> <p>Process: Applications are accepted on a continuous basis. Partial Applications are accepted, however, funding is awarded to applicant projects that have submitted a full application. A full application consists of General, Technical, Financial and Environmental packages.</p>	<p>Bob Pontureri: Robert.Pontureri@waterboards.ca.gov</p> <p>Other: CleanWaterSRF@waterboards.ca.gov</p> <p>Website: <a href="https://www.waterboards.ca.gov/water_issues/programs/grants_loans/srf/">https://www.waterboards.ca.gov/water_issues/programs/grants_loans/srf/</a></p>
<b>Seawater Intrusion Control Fund</b>	<p>Purpose: Provides low-interest loans to local agencies for the design and construction of publicly owned facilities necessary to protect groundwater quality in basins threatened by seawater intrusion, which are subject to a local groundwater management plan, and where restrictions on groundwater pumping, a physical solution, or both, are necessary to prevent the destruction of, or irreparable injury to, groundwater quality.</p> <p>Summary: The Program provides 20-year, low-interest loans for projects directly addressing seawater intrusion control, including associated treatment, storage, pumping, distribution, and injection.</p>	Loan	<p>Eligible Organizations: Construction with planning and design costs eligible retroactively for public agencies.</p> <p>Geographic Limitations: Project must be in within the State of CA.</p> <p>Matching Funds Requirements: None</p>	Propositions 204, 13	<p>Minimum: N/A</p> <p>Maximum: Construction loans: \$2.5 million maximum per SWIC Guidelines</p> <p>Amount Left to Award: \$12.5 million</p> <p>Potential Funding Awarded in Next 6 Months: \$12.5 million</p>	<p>Cycle Description: Continuous</p> <p>Process: Applications are accepted on a continuous basis. Partial Applications are accepted.</p>	<p>Michael Downey: Michael.Downey@waterboards.ca.gov</p> <p>Other: None</p> <p>Website: <a href="https://www.waterboards.ca.gov/water_issues/programs/grants_loans/swic.shtml">https://www.waterboards.ca.gov/water_issues/programs/grants_loans/swic.shtml</a></p>
<b>Proposition 84, Section 75021 - Drinking Water Emergency</b>	<p>Purpose: Provide alternate water supplies including bottled water where necessary to protect public health, make improvements in existing water systems necessary to prevent contamination or provide other sources of safe drinking water including replacement wells, establish connections to an adjacent water system, and design, purchase, install and initial operation for water treatment equipment and systems.</p> <p>Summary: Safe Drinking Water Emergency Funding - Funding to assist in the abatement of public health emergencies.</p>	Grant	<p>Eligible Organizations: Permitted Public Water System</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: None</p>	Proposition 84	<p>Minimum: N/A</p> <p>Maximum: \$250,000 (\$50,000 maximum for interim water supplies)</p> <p>Amount Left to Award: \$1.6 million</p> <p>Potential Funding Awarded in Next 6 Months: \$0.3 million</p>	<p>Cycle Description: Continuous</p> <p>Process: Continuous Process.</p>	<p>Kim Hanagan: Kim.Hanagan@waterboards.ca.gov</p> <p>Other: DFA-CAA@waterboards.ca.gov</p> <p>Website: <a href="https://www.waterboards.ca.gov/water_issues/programs/grants_loans/caa/urgent_water_needs.html">https://www.waterboards.ca.gov/water_issues/programs/grants_loans/caa/urgent_water_needs.html</a></p>
<b>Proposition 84, Section 75022 - Drinking Water Infrastructure</b>	<p>Purpose: Provides grants for small community drinking water system infrastructure improvements and related actions to meet safe drinking water standards.</p> <p>Summary: Small Community Infrastructure Improvements for Chemical and Nitrate Contaminants</p>	Grant	<p>Eligible Organizations: Permitted, Small Public Water Systems.</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: None</p>	Proposition 84	<p>Minimum: N/A</p> <p>Maximum: Construction: \$5.0 million Feasibility studies:\$500,000</p> <p>Amount Left to Award: \$16.9 million</p> <p>Potential Funding Awarded in Next 6 Months: \$7.8 million</p>	<p>Cycle Description: Open application cycle is closed. <b>Habitat Enhancement and Restoration Program</b>	<p>Purpose: The purpose of this program is to provide assistance for the restoration and enhancement of fish and wildlife resources.</p> <p>Summary: Consistent with Fish and Game Code section 1301, this program provides assistance for the restoration and enhancement of fish and wildlife resources. Eligible projects include: native fisheries restoration; restoration of wetlands; restoration of coastal, tidal, or fresh water habitat; other native habitat restoration projects including coastal scrub oak, grasslands, and threatened and endangered species habitats; in-stream restoration projects, including removal of fish passage barriers and other obstructions; and other projects that improve the quality of native habitat throughout the State.</p>	Grant	<p>Eligible Organizations: Cities, counties, nonprofit organizations, special districts and state entities</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: None</p>	Propositions 68, 84, 50, 40, 12 and Habitat Conservation Fund	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: \$105 million under the Propositions. Under HCF receive approximately \$1 million annually for wetland restoration outside the Central Valley until the year 2030.</p> <p>Potential Funding Awarded in Next 6 Months: \$1 million</p>	<p>Cycle Description: Continuous</p> <p>Process: Full application</p>	<p>Judah Grossman: judah.grossman@wildlife.ca.gov</p> <p>Other: N/A</p> <p>Website: <a href="https://wcb.ca.gov/Programs/Habitat-Enhancement">https://wcb.ca.gov/Programs/Habitat-Enhancement</a></p>
<b>Land Acquisition Program</b>	<p>Purpose: The purpose of this program is to acquire real Propositionerity or rights in real Propositionerity on behalf of the Department of Fish and Wildlife and also to award grants to other governmental entities or nonprofit organizations to acquire real Propositionerity or rights in real Propositionerity.</p> <p>Summary: Statewide - This program acquires real Propositionerity or rights in real Propositionerity on behalf of the Department of Fish and Wildlife (CDFW) and also awards grants to other governmental entities or nonprofit organizations to acquire real Propositionerity or rights in real Propositionerity. All acquisitions are made on a "willing seller" basis pursuant to the appraised fair market value. The acquisition activities are carried out in conjunction with CDFW, which generally entails CDFW evaluating the biological values of the Propositionerity through development of a Land Acquisition Evaluation (LAE, used for a single piece of Propositionerity) or a Conceptual Area Protection Plan (CAPP, used for multiple Propositionerities). Once these evaluations are completed, they are submitted to CDFW's Regional Operations Committee for review and approval. If approved, they are sent to WCB with a recommendation to fund.</p>	Grant	<p>Eligible Organizations: Cities, counties, nonprofit organizations, special districts and state entities</p> <p>Geographic Limitations: State of CA</p> <p>Matching Funds Requirements: None</p>	Propositions 68, 84, 50, 40, 12, and the Habitat Conservation Fund (HCF)	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: \$90 million under the Propositions; Under HCF receive approximately \$14.5 million annually for acquisitions until the year 2030.</p> <p>Potential Funding Awarded in Next 6 Months: \$10 million</p>	<p>Cycle Description: Continuous</p> <p>Process: Full application</p>	<p>John Walsh: john.walsh@wildlife.ca.gov</p> <p>Other: N/A</p> <p>Website: <a href="https://wcb.ca.gov/Programs/Acquisitions">https://wcb.ca.gov/Programs/Acquisitions</a></p>
<b>Land Acquisition and Habitat Enhancement and Restoration Program - Salton Sea and Colorado River</b>	<p>Purpose: The purpose of this program is to fund acquisition and habitat restoration projects associated with the Salton Sea and Colorado River region of California.</p> <p>Summary: Funding for acquisition and habitat restoration projects associated with the Salton Sea and Colorado River region of California.</p>	Grant	<p>Eligible Organizations: Cities, counties, nonprofit organizations, special districts and state entities</p> <p>Geographic Limitations: Salton Sea and Colorado River</p> <p>Matching Funds Requirements: None</p>	Proposition 50	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: \$3 million</p> <p>Potential Funding Awarded in Next 6 Months: \$1 million</p>	<p>Cycle Description: Continuous</p> <p>Process: Full application</p>	<p>Don Crocker: Don.Crocker@wildlife.ca.gov</p>
<b>Land Acquisition and Habitat Enhancement and Restoration Program - Southern California Coastal Wetlands and Watersheds</b>	<p>Purpose: The purpose of this program is to fund acquisition and habitat restoration projects associated with the Salton Sea and Colorado River region of California.</p> <p>Summary: Funding for acquisition and habitat restoration projects associated with the Salton Sea and Colorado River region of California.</p>	Grant	<p>Eligible Organizations: Cities, counties, nonprofit organizations, special districts and state entities</p> <p>Geographic Limitations: Southern California Coastal Wetlands and Watersheds</p> <p>Matching Funds Requirements: None</p>	Proposition 50	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: \$19 million</p> <p>Potential Funding Awarded in Next 6 Months: \$2 million</p>	<p>Cycle Description: Continuous</p> <p>Process: Full application</p>	<p>Don Crocker: Don.Crocker@wildlife.ca.gov</p>
<b>Land Acquisition and Habitat Enhancement and Restoration Program - San Francisco Bay coastal wetlands and watersheds</b>	<p>Purpose: The purpose of this program is to fund acquisition and habitat restoration projects associated with the Salton Sea and Colorado River region of California.</p> <p>Summary: Funding for acquisition and habitat restoration projects associated with the Salton Sea and Colorado River region of California.</p>	Grant	<p>Eligible Organizations: Cities, counties, nonprofit organizations, special districts and state entities</p> <p>Geographic Limitations: San Francisco Bay coastal wetlands and watersheds</p> <p>Matching Funds Requirements: None</p>	Proposition 50	<p>Minimum: N/A</p> <p>Maximum: N/A</p> <p>Amount Left to Award: \$3 million</p> <p>Potential Funding Awarded in Next 6 Months: \$1 million</p>	<p>Cycle Description: Continuous</p> <p>Process: Full application</p>	<p>Scott McFarlin: scott.mcfarlin@wildlife.ca.gov</p>
