

Secretary Speaker Series

# A Special Conversation

## with Dr. Katharine Hayhoe

APRIL 13 | 1:30-2:30 PM PST

Join us in the run-up to Earth Day for a timely and important conversation with revered climate scientist Dr. Katharine Hayhoe. In her recent best-selling book, she shares how we can engage *all* Americans in combating climate change and how we maintain hope amidst the climate crisis. We will explore with Dr. Hayhoe how we build momentum for climate action and discuss your questions and insights.
